After all, her father proclaimed her dead ten years ago, and with an anonymous Liagé leader operating in Istra's shadows, attacking villages and burning down temples, her father fears the people will blame Imari. It could mean his throne, and her life. Worse yet, the night Imari played her flute in Skyhold's court, something unlocked inside of her, and now her power will not quiet. Neither will the growing fury she feels on behalf of Istra's Sol Velorian labor- people who share her blood. As that fury becomes too loud to ignore, Imari chooses to use her position to liberate the Sol Velor. But can she free them without angering enemies hungry for the power she wields-a power that could rip the Five Provinces apart?
