all summers end parents guide: *The Apocalypse of Elena Mendoza* Shaun David Hutchinson, 2019-05-21 A Junior Library Guild Selection "Surreal, brainy, and totally captivating." —Booklist (starred review) "Provocative and moving." —Publishers Weekly (starred review) "Hutchinson artfully blends the realistic and the surreal." —School Library Journal (starred review) From the critically acclaimed author of *We Are the Ants* and *At the Edge of the Universe* comes a mind-bending, riveting novel about a teen who was born to a virgin mother and realizes she has the power to heal—but that power comes at a huge cost. Sixteen-year-old Elena Mendoza is the product of a virgin birth. This can be scientifically explained (it's called parthenogenesis), but what can't be explained is how Elena is able to heal Freddie, the girl she's had a crush on for years, from a gunshot wound in a Starbucks parking lot. Or why the boy who shot Freddie, David Combs, disappeared from the same parking lot minutes later after getting sucked up into the clouds. Other things that can't be explained are the talking girl on the front of a tampon box, or the reasons that David Combs shot Freddie in the first place. As more unbelievable things occur, and Elena continues to perform miracles, the only remaining explanation is the least logical of all—that the world is actually coming to an end, and Elena is possibly the only one who can do something about it.

But it can be prevented and stopped before tragic consequences result. The critical deterrent is knowledge, pure and simple. Written by a chemical dependency counselor who has had years of experience working with emotionally disturbed teenagers, *Kids, Alcohol & Drugs* provides the knowledge you need. Ruth Maxwell offers hope, practical advice, and workable solutions that will teach you how to: • Recognize denial—and how it can stop you from seeing the reality of drug abuse in your home • Help your child deal with the unique pressures of adolescence from school, home life, and peer group • Learn what chemicals your teen might be using—and how they affect him or her • Determine the best form of treatment, incorporating both your teenager's needs and your own "Real support for parents. We especially liked the differentiation between cooperative kids who need help and non-cooperative kids needing help, as well as the distinction between parents who are helpful and those who are considered co-dependent. We will recommend *Kids, Alcohol & Drugs* to our Toughlove parents."—Phyllis and David York, founders of Toughlove "With skill, insight, and empathy, Ruth Maxwell tackles one of the most insidious problems of our time so that parents can start their children—and themselves—on the road to recovery."—Joyce Vedral, Ph.D.,
