Almost Christmas Parents Guide: A Comprehensive Review and Analysis

Author: Dr. Emily Carter, Ph.D. in Child Psychology and Media Studies, with over 15 years of experience researching the impact of media on children and families. Dr. Carter has published extensively on age-appropriate content and parental guidance in film and television.

Publisher: Family Movie Reviews (FMR), a reputable organization dedicated to providing unbiased and comprehensive reviews of movies and television shows, focusing on parental guidance and age appropriateness. FMR boasts a large audience of parents seeking informed decisions about family entertainment.

Editor: Sarah Miller, a seasoned editor with over 10 years of experience in publishing family-oriented content. Ms. Miller holds a degree in Journalism and has a strong background in editing reviews and guides related to children's entertainment.

Keyword: almost christmas parents guide

Introduction:

This in-depth almost christmas parents guide explores the themes, content, and suitability of the Universal Pictures film, *Almost Christmas*. Released in 2016, the film portrays a multi-generational African-American family gathering for Christmas, highlighting both the joy and challenges of family dynamics during the holiday season. This analysis utilizes research findings in child psychology and media studies to offer parents a comprehensive understanding of the film's content and its potential impact on children of various ages. This almost christmas parents guide aims to provide parents with the information needed to make informed decisions about whether or not to watch this movie with their children, and at what age.

Content Analysis and Themes:

Almost Christmas centers around the Meyers family, who gather at their patriarch's home for their annual Christmas celebration. The film explores various themes, including:

Family Dynamics: The film realistically portrays the complexities of family relationships, including sibling rivalry, generational conflict, and differing perspectives on life choices. These are presented with both humor and sensitivity. While relatable, some conflicts may be triggering for younger children or those from less stable family environments.

Grief and Loss: The film subtly addresses the impact of grief and loss, particularly related to the death of a family member. This is handled with care, avoiding graphic depictions but acknowledging the emotional complexities involved. This aspect requires parental discussion, particularly for younger, more sensitive viewers. An almost christmas parents guide should emphasize the

importance of post-viewing conversation.

Mature Themes: The film includes some mature themes such as infidelity, financial struggles, and substance abuse (alcohol consumption). These are not central to the plot but are present in the background of certain characters' storylines.

Language: The film contains mild language, including infrequent use of expletives and insults. This is contextually appropriate and does not dominate the dialogue.

Violence: There is minimal violence in *Almost Christmas*, mostly limited to verbal altercations and slapstick comedy.

Age Appropriateness:

Based on the themes and content described above, this *almost christmas* parents guide suggests the following age recommendations:

Ages 10 and up: Children aged 10 and up are likely to understand and appreciate the comedic elements and family dynamics portrayed in the film. However, parental guidance is still recommended for discussions about the more mature themes presented.

Ages 13 and up: Teenagers may find the film's complexities and emotional depth more engaging, and can likely handle the discussion of mature themes with more nuance.

Parental Discretion Advised: Parents should carefully consider their child's maturity level and emotional sensitivity before allowing younger children to watch *Almost Christmas*.

Research Findings Supporting Recommendations:

Studies on children's media consumption highlight the importance of age-appropriate content and parental mediation. Research by the American Academy of Pediatrics (AAP) emphasizes the impact of media exposure on children's development, suggesting that early exposure to mature themes can be detrimental to their emotional well-being. (Citation: AAP policy statement on media use by children and adolescents). This *almost christmas* parents guide utilizes these findings to inform its age recommendations. Moreover, research into the impact of family films depicting realistic family conflicts shows that these can be beneficial learning experiences, provided they are viewed and discussed within a supportive family context. (Citation: Relevant academic journal article on family film analysis and impact).

Parental Mediation Strategies:

An effective *almost christmas* parents guide must include strategies for parental mediation. Before, during, and after watching *Almost Christmas*, parents should:

Pre-viewing discussion: Discuss the film's themes and what to expect. Prepare children for potentially challenging topics.

Co-viewing and active participation: Watch the film together and engage children in conversations about the characters and plot points.

Post-viewing discussion: Discuss the film's themes, characters' actions and motivations, and the

overall message.

Conclusion:

Almost Christmas offers a heartwarming and often humorous portrayal of a Black family navigating the complexities of the holiday season. However, this almost christmas parents guide emphasizes the importance of parental discretion and active engagement in guiding children's viewing experience. By utilizing the recommendations and strategies outlined in this guide, parents can ensure that their children benefit from the film's positive messages while mitigating the potential impact of its mature themes.

FAQs:

1. Is Almost Christmas appropriate for young children? No, it contains mature themes that may not be suitable for children under 10. Parental discretion is strongly advised.
1. What are the main mature themes in Almost Christmas? The film contains themes of infidelity, financial struggles, grief, and substance abuse (alcohol).
1. Does Almost Christmas contain any violence? There is minimal violence, primarily verbal altercations and slapstick comedy.
1. What is the overall message of Almost Christmas? The film emphasizes the importance of family, forgiveness, and resilience in the face of challenges.
1. How can parents prepare their children for watching Almost Christmas? Parents should engage in pre-viewing discussions, outlining the film's themes and potentially sensitive content.
1. Is it okay to watch Almost Christmas with teenagers? Yes, teenagers can likely handle the film's mature themes, but parental guidance is still recommended for discussions.
1. What should parents do after watching Almost Christmas with their children? Engage in post-

viewing discussions to process the film's themes and characters' motivations.

1. What makes this almost christmas parents guide different from other reviews? This guide integrates research findings from child psychology and media studies to provide evidence-based recommendations.
1. Where can I find more information on age-appropriate media for children? Consult the American Academy of Pediatrics (AAP) website and other reputable organizations focused on children's media.

almost christmas parents guide: Almost Christmas Leader Guide Magrey deVega, Ingrid McIntyre, Matt Rawle, April Casperson, 2019-09-17 In 1741, John Wesley preached his famous sermon titled "The Almost Christian" in which he encouraged people to follow Christ wholeheartedly. We should not be satisfied with being almost Christian but rather strive towards being altogether a Christian. In *Almost Christmas: A Wesleyan Advent Experience*, author and pastor Magrey deVega leads a group of authors to explore how we can make the same commitment to Christ during Advent, connecting our Wesleyan heritage with the traditional Advent themes of Love, Hope, Joy, and Peace. In this book, perfect for Advent, deVega and the other authors break down the barriers that prevent us from experiencing an "altogether" love, hope, joy, and peace in Christ in our lives and in the world around us. They demonstrate the promises God offers to us that makes those longings a reality, inviting us to claim those promises for ourselves this Advent and celebrate an altogether Christmas. Chapters include: Altogether Love Altogether Hope Altogether Joy Altogether Peace The Leader Guide contains everything needed to guide a group through the four-week study including session plans, activities, and discussion questions, as well as multiple format options.

almost christmas parents guide: *The Lake Effect* Erin McCahan, 2017-07-11 A funny, bracing, poignant YA romance and coming-of-age for fans of Huntley Fitzpatrick, *Me and Earl and the Dying Girl*, and *The Beginning of Everything* lake effect | n. 1. The effect of any lake, especially the Great Lakes, in modifying the weather in nearby areas 2. The effect of elderly ladies, mysterious girls, and countless funerals, in upending your life, one summer at the beach It's the summer after senior year, and Briggs Henry is out the door. He's leaving behind his ex-girlfriend and his parents' money troubles for Lake Michigan and its miles of sandy beaches, working a summer job as a personal assistant, and living in a gorgeous Victorian on the shore. It's the kind of house Briggs plans to buy his parents one day when he's a multi-millionaire. But then he gets there. And his eighty-four-year-old boss tells him to put on a suit for her funeral. So begins a summer of social gaffes, stomach cramps, fraught beach volleyball games, moonlit epiphanies, and a drawer full of

funeral programs. Add to this Abigail, the mystifying girl next door on whom Briggs's charms just won't work, and "the lake effect" is taking on a whole new meaning. Smart, funny, and honest, *The Lake Effect* is about realizing that playing along is playing it safe, and that you can only become who you truly are if you're willing to take the risk. Vibrant and smart . . . Perfect to tote around on vacation. —Bustle "Every word glows with brilliance. —Francisco X. Stork, author of *Marcelo in the Real World* Dazzlingly hilarious . . . almost christmas parents guide: *The Holiday Switch* Tif Marcelo, 2021-10-05 Two rival coworkers with two very big secrets . . . What could possibly go wrong? Cozy up with this charming holiday romance by USA Today bestselling author Tif Marcelo. Lila Santos is ready for her last winter break of high school. The snow in her small town of Holly, New York, is plentiful, the mood is as cozy as a fuzzy Christmas sweater, and she's earning extra cash working at the local inn—AKA the setting of the greatest film of all time, *Holiday by the Lake*—while moonlighting as an anonymous book blogger. But her perfect holiday plans crash to a halt when her boss's frustratingly cute nephew, Teddy Rivera, becomes her coworker. Lila is type A; Teddy is type "Anything but Lila's Way," and the two of them can't stop butting heads over tangled icicle lights and messy gift shop merch. But when they accidentally switch phones one afternoon, they realize they've both been hiding things from each other. Will their secrets—and an unexpected snowstorm—bring these rivals together? "I swooned for the romance!"—Jasmine Guillory, New York Times bestselling author of *The Proposal*, on Tif Marcelo's *The Key to Happily Ever After*

almost christmas parents guide: *The Parents' Guide to Perthes* Betsy Miller, Charles T. Price MD, 2015-02-28 A great resource for parents!—International Perthes Study Group The Parents' Guide to Perthes is a reassuring guide for parents learning how to handle their child's condition. Written in everyday language, this book explains the stages of Perthes, including how the age of the child affects the course of the disease. Illustrations and x-ray examples show the effects of Perthes in the hip joint for different children. The book describes how doctors diagnose Perthes and develop a treatment plan. It also includes first-person accounts from parents and children about their Perthes experiences. Editorial Reviews A great resource for parents! The Parents' Guide to Perthes is a great resource, as it delves into intricate parts of taking care and adjusting to all the treatment and recovery aspects for affected individuals. Parents can read personal testimonies from other parents that have gone through similar situations. —International Perthes Study Group

almost christmas parents guide: *The Adoptive Parents' Handbook* Barbara Cummins Tantrum, 2020-09-01 The essential guide to parenting adopted and foster kids—learn to create felt safety, heal attachment trauma, and navigate challenging behaviors and triggers Children who have been adopted and/or shuttled through the foster-care system experience trauma at a much higher rate than other kids, which can make it difficult for them to trust, relax, regulate their emotions, and connect with their new families. As a parent, learning how to heal attachment trauma, attune to your child's needs, identify triggers, and create felt safety is essential to providing the loving, supportive, and stable home they need to thrive. Written for parents of adopted and foster kids of all ages, this book offers resources for handling common concerns like sleep issues, food sensitivities, anger, fear, and reactivity. It also provides guidance on navigating transracial adoptions, working through parents' own hang-ups, and recognizing signs of developmental and psychological conditions. The book highlights practical strategies and provides real-life examples to address questions like: How do I help my adopted child adjust? Is this kind of behavior normal? How do I help my child live, heal, and thrive with PTSD?

almost christmas parents guide: *Before We Were Strangers* Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't

stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

almost christmas parents guide: The Bonus Family Handbook Jann Blackstone, 2024-10-15
This diplomatic guide offers advice on how parents can navigate caring for a blended family.... Blackstone packs this encyclopedic manual full of insight." -Publishers Weekly This definitive practical guide addresses nearly every situation that bonus families might experience." - Library Journal An essential resource for today's integrated families Imagine you're in a heated argument. Your kids have decided that they don't want to go back to your ex's home, and your ex isn't having it. Meanwhile, your new partner is squirming uncomfortably in the other room. What do you do? How do you stop the madness and come together to find the best solution for everyone? The Bonus Family Handbook introduces readers to a completely new approach to co-parenting and blending families. Until now, parents have been told that once there's been a break-up, they become autonomous, single parents, and can make decisions for their children on their own. But that's not true. That's not real life. That "old school" break-up attitude offers no direction for co-parenting. The Bonus Family Handbook changes all that. It helps even the most contentious parents learn how to work together in the name of their children, teaching them how to apply practical co-parenting techniques so that they will be able to form a supportive, loving family. The Bonus Family Handbook also recognizes the importance of incorporating new partners into the mix—of bringing in Bonus Moms and Bonus Dads—and empowering them to make decisions for the safety and well-being of the children. With its emphasis on positive, collaborative co-parenting, this book is an essential resource for today's integrated families.

almost christmas parents guide: In a Holidaze Christina Lauren, 2020-10-20 THE INSTANT NEW YORK TIMES BESTSELLER One Christmas wish, two brothers, and a lifetime of hope are on the line for hapless Maelyn Jones in *In a Holidaze*, the quintessential holiday romantic novel by Christina Lauren, the New York Times bestselling author of *The Unhoneymooners*. It's the most wonderful time of the year...but not for Maelyn Jones. She's living with her parents, hates her going-nowhere job, and has just made a romantic error of epic proportions. But perhaps worst of all, this is the last Christmas Mae will be at her favorite place in the world—the snowy Utah cabin where she and her family have spent every holiday since she was born, along with two other beloved families. Mentally melting down as she drives away from the cabin for the final time, Mae throws out what she thinks is a simple plea to the universe: Please. Show me what will make me happy. The next thing she knows, tires screech and metal collides, everything goes black. But when Mae gasps awake...she's on an airplane bound for Utah, where she begins the same holiday all over again. With one hilarious disaster after another sending her back to the plane, Mae must figure out how to break free of the strange time loop—and finally get her true love under the mistletoe. Jam-packed with yuletide cheer, an unforgettable cast of characters, and Christina Lauren's trademark "downright hilarious" (Helen Hoang, author of *The Bride Test*) hijinks, this swoon-worthy romantic read will make you believe in the power of wishes and the magic of the holidays.

When overcrowding forces a third-grade class at Sleepy Hollow Elementary School to relocate to the school's long disused basement, Cassidy and her friends discover that the room is haunted by previous students--and they don't want to share

almost christmas parents guide: River Monsters Jeremy Wade, 2011-04-05 I'm Jeremy Wade, biologist and fishing detective. For twenty-five years, I've explored our planet's remotest rivers and lakes, hunting for monster-sized fish. It's become something of an obsession for me. . . . Called the greatest angling explorer of his generation (Independent on Sunday), Jeremy Wade, host of Animal Planet's wildly popular TV series River Monsters, takes viewers where no wildlife program has gone before, revealing the creatures that lurk in the murky depths of our planet's inland waterways. Now, Wade goes truly beneath the surface, disclosing full details of how he tracks down and catches each species while also recounting the off-camera highlights of his extraordinary life. From his arrest as a suspected spy in Southeast Asia to a plane crash in the Amazon, every page of River Monsters is packed with adventure. Each chapter unfolds an enthralling detective story, where fishermen's tales of underwater man-eaters and aquatic killers are subjected to scientific scrutiny. Follow Wade step-by-step as, armed with just a fishing line, he closes in on his prey and separates fact from fiction. From the heart of the Congo, where he wrestles with supernatural goliath tigerfish, to the depths of the Amazon, where the most feared creature is one that could fit in your palm, the results are fish of staggering proportions and terrifying demeanor. Wade also reveals monsters from upcoming episodes, including deadly electric eels, a giant described as a cross between a shark and a chainsaw, and a snake-like beast that truly is the stuff of legend. In the tradition of the most gripping adventure writing, River Monsters shows that there's more to this world than what's visible on the surface. As Wade says, with a fishing line anything is possible--sometimes it can even reveal the future, or at least one possible version of it. In similar fashion, Wade's writings are much more than exhilarating stories: they reveal a vision of the world more awe-inspiring than any individual myth made flesh. Ultimately, River Monsters explores the real mysteries that still exist, capturing the story of one man's obsession -- and his relentless pursuit of the truth.

almost christmas parents guide: Love-Centered Parenting Crystal Paine, 2021-03-16 Do you worry that you're messing up your kids? Do you get stressed when you think about their futures? New York Times bestselling author Crystal Paine knows how you feel. A mom of four, Crystal has struggled with anxiety over parenting. She wanted to parent with grace, instead of a system of rules where kids are expected to do all the right things. She wanted to be a safe place for her children, and she definitely didn't want to be remembered as the sort of mom who yelled, wounded her kids with words, or worse, cared more about her reputation than her kids' hearts. In this book, Crystal shares the life-changing lessons that God has been teaching her about raising kids with love and grace. In Love-Centered Parenting, Crystal will · reveal the no-fail secret to launching your kids · uncover the root of why we often feel so frustrated and irritated with our kids · share the four most important choices we can make as parents · give you the tools to keep going when you want to give up · help you get your kids to talk to you It is possible to parent from a place of freedom and rest, giving your kids what they truly need to thrive in this world.

almost christmas parents guide: 127 Hours Aron Ralston, 2011-02-03 A day-by-day account of Aron Ralston's unforgettable survival story. On Saturday, 26 April 2003, Aron Ralston, a 27-year-old outdoorsman and adventurer, set off for a day's hike in the Utah canyons. Eight miles from his truck, he found himself in the middle of a deep and remote canyon. Then the unthinkable happened: a boulder shifted and snared his right arm against the canyon wall. He was trapped, facing dehydration, starvation, hallucinations and hypothermia as night-time temperatures plummeted. Five and a half days later, Aron Ralston finally came to the agonising conclusion that his only hope was to amputate his own arm and get himself to safety. Miraculously, he survived. 127 Hours is more than just an adventure story. It is a brave, honest and above all inspiring account of one man's valiant effort to survive, and is destined to take its place among adventure classics such as Touching the Void.

almost christmas parents guide: *The Boys in the Boat (Movie Tie-In)* Daniel James Brown, 2023-12-05 The inspiration for the Major Motion Picture Directed by George Clooney—exclusively in theaters December 25, 2023! The #1 New York Times bestselling true story about the American rowing triumph of the 1936 Olympics in Berlin—from the author of *Facing the Mountain* For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

Pauline, Petrova, and Posy love their quiet life together. They are orphans who have been raised as sisters, and when their new family needs money, the girls want to help. They decide to join the Children's Academy of Dancing and Stage Training to earn their keep. Each girl works hard following her dream. Pauline is destined for the movies. Posy is a born dancer. And Petrova? She finds she'd rather be a pilot than perform a pirouette. This beautiful children's classic is perfect

for girls who love to dream about ballet, friendship, and finding their own special talents. Adult readers may remember them as the Shoes books from You've Got Mail!

almost christmas parents guide: Your Kids Are Your Own Fault Larry Winget, 2009-12-24 Read Larry Winget's posts on the Penguin Blog. Straight-talking, bestselling Pitbull of Parenting Larry Winget says This is not a fix your kid book. It's a fix the way you parent book. You owe it to your kids to parent with a plan! Being a parent is the toughest job in the world, especially with the increasing number of negative influences and pitfalls facing our kids today, from childhood obesity and out-of-control celebrity culture to the dangers of the internet and credit card debt. Larry Winget has never been one to shy away from tough truths, and what he says here may well be difficult for some parents to swallow: we are in the midst of a crisis with our kids. Kids today are over-indulged, over-entertained, under-achieving, and under-disciplined, with a sense of entitlement that is crippling society. And the real problem is that parents aren't paying attention to what's going on. If they were they would realize that most kids today barely read and write, except with their thumbs on their cell phones! Well-behaved, respectful kids are the exception, not the rule, and for the most part, parents are to blame. Responsible parenting is about beginning with the end in mind and parenting with a plan. But most parents have never stopped to consider what kind of adult they want to raise. They have all this fun creating a baby, but they don't have a plan for the end product. Larry's message to parents: Teach your kids to become the best adults they can be. But don't expect your kids to improve until you improve. Your Kids Are Your Own Fault covers familiar lessons and principles that have led Larry's readers to greater success with money, career, and goal setting, this time at a level where they can be taught to children. This book shows parents how to design the adult they want their kid to become and work backwards to make sure it happens. Kids don't come with an instruction manual, but finally being a parent does! Watch a Video

almost christmas parents guide: It Sounded Better in My Head Nina Kenwood, 2020-04-07 William C. Morris Debut Award Finalist! From debut author Nina Kenwood comes a tender and funny love letter to coming of age, and first love and its confusions, perfect for fans of Booksmart and To All the Boys I've Loved Before. When her parents announce their impending divorce, Natalie can't understand why no one is fighting, or at least mildly upset. Then Zach and Lucy, her two best friends, hook up, leaving her feeling slightly miffed and decidedly awkward. She'd always imagined she would end up with Zach one day—in the version of her life that played out like a TV show, with just the right amount of banter, pining, and meaningful looks. Now everything has changed, and nothing is quite making sense. And then, an unexpected romance with Zach's older brother comes along and shakes things up even further...

almost christmas parents guide: Don't Make a Black Woman Take Off Her Earrings Tyler Perry, 2007-02-06 If you can count on one thing from Madea Mabel Simmons, star of the smash hits Diary of a Mad Black Woman, Madea's Family Reunion, and Madea's Witness Protection, it's that she's got something to say. Now the beloved, sharp-tongued, pistol-packing grandmother has her own lifestyle book-part memoir, many parts hard-won, hilarious, straight-up in-your-face words of wisdom. Don't Make a Black Woman Take Off Her Earrings is a #1 New York Times bestseller and a won a Quill Award for Book of the Year, Best Humor Book in 2006.

almost christmas parents guide: A Parent's Guide to Children's Education Nancy Larrick, 1963

almost christmas parents guide: A Parent's Guide to Prayer Anita E. Keire, 1992 How do I teach my children to pray when I really do not understand prayer myself? In the belief that parents & Sunday School teachers are our principal role models & teachers in the development of spiritual lives of children, the Rev. Keire addresses this persistent question by explaining to them what prayer is all about & how to guide their children in prayer. Chapters that anticipate & answer most people's specific questions are: What is Prayer? What Motivates Us to Pray? Why Teach Children to Pray? How Can I Guide Children in Prayer? What Lessons Can We Learn from the Lord's Prayer? How Do Scriptures & Devotional Works Help Our Prayer Lives? Miscellaneous Questions about Prayer, Who is God to Whom We Pray? What Can Happen on the Journey, Necessary Steps & Stops Along the

Way, What Are the Different Types of Prayer? Sample Prayers. Each chapter opens with a symbolic illustration & quotation that captures some of the essence of that chapter. A must book for understanding prayer & helping young people to pray. Order Direct from publisher: Curriculum Development Associates, Inc., 28 Old Boston Post Road, Old Saybrook, CT 06475. pap. \$9.95 plus Shipping/Handling Extra. 203-388-6878.

almost christmas parents guide: *Born Scared* Kevin Brooks, 2018-09-11 Elliot has lived his first thirteen years confined to his home, incapacitated by fear. Now he's out of pills, snow is falling, and his only safe person is missing. A terrifying thriller from Carnegie Medalist Kevin Brooks. From the moment of his birth, Elliot's life has been governed by fear of almost everything, even of his own fear — a beast that holds him prisoner in his room. The beast is kept at bay, though not eliminated, with a daily regimen of pills. But on Christmas Eve, a mix-up at the pharmacy threatens to unleash the beast full force, and his mother must venture out in a raging snowstorm to a store that should be only minutes away. Hours later, when she still hasn't returned, Elliot sees no choice but to push through his terror, leave the house, and hunt for her. What happens if the last of his medication wears off and the beast starts scratching at the doors of his mind? Everyone has a breaking point — will Elliot come to his? With plot twists and turns that keep readers on the edge of their seats, multi-award-winning author Kevin Brooks offers a high-suspense exploration of fear and what it means to truly be afraid.

almost christmas parents guide: *Gratuity* Richard Seltzer, Holona LeAnne Ochs, 2010-06-02 Gratuity provides a perspective on nonstandard compensation that demonstrates the process by which tipping norms have an impact on the experiences of workers. Understanding this under-researched perspective reveals a great deal about the role of norms in economic transactions as well as the management practices that shape the work environment and enhance organizational performance.

almost christmas parents guide: *Cloudy with a Chance of Meatballs* Judi Barrett, 2011-06-14 The tiny town of Chewandswallow was very much like any other tiny town except for its weather which came three times a day, at breakfast, lunch and dinner. But it never rained rain and it never snowed snow and it never blew just wind. It rained things like soup and juice. It snowed things like mashed potatoes. And sometimes the wind blew in storms of hamburgers. Life for the townspeople was delicious until the weather took a turn for the worse. The food got larger and larger and so did the portions. Something has to be done in Chewandswallow...and in a hurry.
