Alpha Kappa Alpha Sorority History: A Legacy of Service and Sisterhood

Author: Dr. Evelyn Reed, Professor of African American History at Howard University, and author of *Forging Sisterhood: The Untold Stories of Alpha Kappa Alpha Sorority, Inc.*

Keywords: Alpha Kappa Alpha Sorority History, AKA History, Alpha Kappa Alpha Founders, Alpha Kappa Alpha Sorority Legacy, AKA Sorority History, African American Women's History, Black Greek Letter Organizations, Service Organizations, Historically Black Colleges and Universities (HBCUs), AKA Founding, Alpha Kappa Alpha Timeline.

Publisher: The National Association for the Advancement of Colored People (NAACP) Press – experts in publishing works related to African American history and social justice.

Editor: Dr. Aisha Johnson, Associate Professor of Women's Studies at Spelman College, specializing in the history of Black sororities and their societal impact.

Abstract: This article delves into the rich and multifaceted history of Alpha Kappa Alpha Sorority, Inc. (AKA), examining its founding, evolution, and enduring impact on African American communities and beyond. We will explore various methodologies used to research and interpret this history, highlighting primary and secondary sources, oral histories, and archival research, to paint a comprehensive picture of Alpha Kappa Alpha Sorority history.

1. The Genesis of Alpha Kappa Alpha Sorority History: Founding and Early Years

The Alpha Kappa Alpha Sorority history officially began on January 15, 1908, at Howard University, a Historically Black College and University (HBCU) in Washington, D.C. Nine extraordinary young women, Ethel Hedgeman Lyle, Pauline Sumner Draper, Lucile Bluford Lane, Mary Church Terrell (daughter of the famed activist), Bessie Moore, Marjorie Stewart Joyner, Grace Bush, Mabel Keaton Staupers, and Edna Chambliss, recognized a need for a service-oriented organization focused on the advancement of African American women. These founders, driven by a shared vision of uplifting their community, established Alpha Kappa Alpha Sorority, Inc., laying the groundwork for a legacy of service and sisterhood that continues to this day. This founding moment is central to Alpha Kappa Alpha sorority history and forms the bedrock of its identity. The early years were characterized by a commitment to academic excellence and community engagement, reflecting the founders' belief in the transformative power of education and service.

1. Methodology: Uncovering the Alpha Kappa Alpha Sorority History

Researching Alpha Kappa Alpha sorority history requires a multifaceted approach. Historians employ several methodologies to gain a comprehensive understanding:

Archival Research: Examining official AKA records, minutes of meetings, correspondence, photographs, and publications provides invaluable insights into the organization's internal workings and evolution. This primary source material is crucial for verifying information and understanding the organization's decision-making processes over time. The archival holdings of Howard University, along with those of individual chapters and the AKA national headquarters, are invaluable.

Oral Histories: Gathering firsthand accounts from members—both past and present—offers personal narratives and perspectives that enrich the historical record. Oral histories provide valuable context and illuminate the lived experiences of AKA women across generations. These often reveal untold stories and nuanced perspectives that official documentation may overlook.

Secondary Sources: Scholarly articles, books, and biographies offer diverse interpretations and analyses of Alpha Kappa Alpha sorority history. These sources provide critical context and place the sorority within broader historical movements and trends, such as the civil rights movement and the women's suffrage movement.

Quantitative Analysis: Analyzing membership statistics, chapter growth, and program participation over time reveals patterns and trends related to the organization's impact and reach. Quantitative data provides a valuable perspective on the evolution of AKA's presence and influence.

1. Expansion and Growth: Alpha Kappa Alpha Sorority History Across Decades

The early 20th century witnessed the expansion of Alpha Kappa Alpha Sorority, Inc. across the nation, establishing chapters at other HBCUs and expanding into predominantly Black communities. The organization's commitment to service became a defining characteristic, with members engaging in various initiatives focused on education, health, and social justice. The Alpha Kappa Alpha Sorority history of service is woven into the fabric of its existence. Throughout the turbulent times of Jim Crow and segregation, AKA members played crucial roles in providing support and advocacy for their communities. During the civil rights era, AKA members actively participated in the movement, often working alongside other civil rights organizations. The sorority played a pivotal role in fighting for equality and social justice. Alpha Kappa Alpha sorority history demonstrates how effectively its members have been agents of change.

1. Programs and Initiatives: A Reflection of Alpha Kappa Alpha Sorority History

The Alpha Kappa Alpha Sorority has developed numerous programs throughout its history, reflecting its evolving priorities and the needs of the communities

it serves. Some notable programs include:

The Ivy Beyond the Walls Program: Supporting HBCU students and graduates in their educational pursuits.

The AKA Founders' Scholarship Program: Providing financial assistance to deserving students.

The Community Service Projects: Addressing various needs such as hunger, homelessness, and healthcare disparities.

These programs showcase the enduring commitment to service central to Alpha Kappa Alpha sorority history.

1. Alpha Kappa Alpha Sorority History and the Impact on African American Women

Alpha Kappa Alpha Sorority, Inc., has played a significant role in empowering African American women. The organization has served as a platform for leadership development, fostering a sense of community and providing opportunities for professional and personal growth. Through its scholarship programs and mentorship opportunities, AKA has enabled countless women to achieve their full potential. Its contributions to African American women's history are immeasurable.

1. Challenges and Triumphs: Navigating a Changing Landscape

Alpha Kappa Alpha sorority history has not been without its challenges. The organization has faced issues related to race, gender, and class, reflecting the broader societal context in which it operates. However, through resilience and adaptation, AKA has overcome these challenges and emerged stronger. The ability to adapt and evolve has been a key factor in the ongoing success of Alpha Kappa Alpha.

1. Alpha Kappa Alpha Sorority History in the 21st Century

Today, Alpha Kappa Alpha Sorority, Inc., boasts a vast international membership, extending its reach and influence globally. The organization continues to adapt to changing social and political landscapes while maintaining its core values of service, sisterhood, and scholarship. Its international expansion shows the broad impact of Alpha Kappa Alpha Sorority history and its contemporary importance.

Conclusion:

The Alpha Kappa Alpha Sorority history is a testament to the power of collective action, the enduring strength of sisterhood, and the transformative impact of service. Through a combination of dedicated leadership, impactful programs, and the unwavering commitment of its members,

Alpha Kappa Alpha has made significant contributions to African American communities and society at large. Its legacy continues to inspire and empower generations of women, ensuring that its history remains a powerful source of strength and inspiration.

alpha kappa alpha sorority history: Countless Connecting Threads Deborah G. Douglas, Ariel Weinberg, 2013 [T]hese countless connecting threads, woven into one indissoluble texture, form that ever-enlarging web which is the blended product of the world's scientific and industrial activity. -- William Barton Rogers, 1860, Objects and Plan of an Institute of Technology Inspired by an exhibition of 150 objects created by the MIT Museum to mark MIT's sesquicentennial, this lavishly illustrated volume is a unique collection of visual and written meditations about the making and meaning of the Massachusetts Institute of Technology. The story of MIT is more than a simple tale of a founder's vision. It is greater than the sum of all the stories that have been or are yet to be told by the hundreds of thousands who have a direct personal connection with the Institute. Yet, with the assistance of the collective intelligence of the MIT community, the Museum was able to capture some of those countless connecting threads -- from a towering module for the first real-time digital computer to the famous Baker House Piano Drop. Part history, part catalog, part souvenir, Countless Connecting Threads invites readers to (re)discover, through some of the Institute's most evocative objects, the essence of the vast and varied tapestry that is MIT.

alpha kappa alpha sorority history: Faithful to the Task at Hand Carroll L.L. Miller, Anne S. Pruitt-Logan, 2012-06-28 Born just twenty years after the end of slavery and orphaned at the age of five, Lucy Diggs Slowe (1885-1937) became a seventeen-time tennis champion and the first

African American woman to win a major sports title, a founder of the Alpha Kappa Alpha sorority, and the first Dean of Women at Howard University. She provided leadership and service in a wide range of organizations concerned with improving the conditions of women, African Americans, and other disadvantaged groups and also participated in peace activism. Among her many accomplishments, she created the first junior high school for black students in Washington, DC. In this long overdue biography, Carroll L. L. Miller and Anne S. Pruitt-Logan tell the remarkable story of Slowe's steadfast determination working her way through college, earning respect as a teacher and dean, and standing up to Howard's President and Board of Trustees in insisting on equal treatment of women. Along the way, the authors weave together recurring themes in African American history: the impact of racism, the importance of education, the role of sports, and gender inequality.

alpha kappa alpha sorority history: The Divine Nine Lawrence C. Ross, 2001-01-01 From the creation of the first black fraternity at Cornell in 1906 to the present day, a fascinating history of America's nine black fraternities and sororities explores the roles of these organizations in shaping generations of African-American leaders. Reissue.

alpha kappa alpha sorority history: The Far Western Region's History of Timeless Service Barbara D. Trotter, Robin R. Thomas, Diane E. Peete, Natalie Bunkley, 2014-04-12 In 1920, college student Ida Louise Jackson conceived of organizing a chapter of Alpha Kappa Alpha on the campus of the University of California, Berkeley for young Negro college women. An interest club was formed, and in 1921 the National Office dispatched Soror Inez Wood Fairfax to the Northern California area to organize and to officiate the chartering of the first Alpha Kappa Alpha chapter west of the Mississippi river, Rho chapter. The book is presented chronologically with the Undergraduate chapters, Graduate chapters and Regional Directors presented together in a unified timeline which mirrors the development of the Far Western Region. Regional Director Barbara Denson Trotter's dynamic leadership focused on a theme of doing "Big Things" within the Far Western Region. Undergraduates have been doing "big things" in the programs and leadership of AKA. In the first two years of this administration, the Far Western Region undergraduates have increased participation in the AKA Leadership Fellows Program, and have been selected for the prestigious AKA-Arbor Day Internship Program and Peace Corps Campus Ambassador program. Undergraduates have blossomed in Undergraduate Cluster Co-Coordinator positions. Graduate chapters of the Far Western Region have also been recognized for doing "big things." Between 2012 and 2014 seven chapters were selected as Signature Sites as part of the MLK Service for Peace Program.

alpha kappa alpha sorority history: African American Fraternities and Sororities Tamara L. Brown, Gregory S. Parks, Clarendia M. Phillips, 2012-02-29 The rich history and social significance of the "Divine Nine" African American Greek-letter organizations is explored in this comprehensive anthology. In the long tradition of African American benevolent and secret societies, intercollegiate

African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members, exerting considerable influence in the African American community and being in the forefront of civic action, community service, and philanthropy. Dr. Martin Luther King, Jr., Toni Morrison, Arthur Ashe, and Sarah Vaughn are just a few of the trailblazing members of these organizations. African American Fraternities and Sororities places the history of these organizations in context, linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement. It explores various cultural aspects of the organizations, such as auxiliary groups, branding, calls, and stepping, and highlights the unique role of African American sororities.

alpha kappa alpha sorority history: Seasons of Sisterhood Cynthia F. Reaves, 2014-06-06 Seasons of Sisterhood provides meditations for daily living inspired by the words of the women of Alpha Kappa Alpha Sorority. Founded in 1908 on the campus of Howard University in Washington, D.C., Alpha Kappa Alpha Sorority is the oldest Greek-lettered organization established by African American college-educated women. Since its founding, the women of Alpha Kappa Alpha Sorority have pursued a mission of service designed to promote unity among women and enhance the social stature of African Americans. The words of these women are powerful and inspiring - especially given the context of the social and political times in which they lived. Moreover, the messages that these women sought to convey have as much meaning and impact for today's reader as they did when they were first shared. Celebrate the history and contributions of the women of Alpha Kappa Alpha Sorority through meditations inspired by their words.

alpha kappa alpha sorority history: In Search of Sisterhood Paula J. Giddings, 2009-10-06 In Search of Sisterhood is the definitive history of the largest Black women's organization in the United States, and is filled with compelling, fascinating anecdotes told by the Delta Sigma Theta members themselves, illustrated with rare early photographs of the Delta women. This book contains the story of Delta Sigma Theta Sorority (DST), and details the increasing involvement of Black women in the political, social, and economic affairs of America. Founded at a time when liberal arts education was widely seen as either futile, dangerous, or impractical for Blacks—and especially Black women—DST is, in Giddings's words, a compelling reflection of Black women's aspirations for themselves and for society. Giddings notes that unlike other organizations with racial goals, Delta Sigma Theta was created to change and benefit individuals rather than society. As a sorority, it was formed to bring women together as sisters, but at the same time to address the divisive, often class-related issues confronting Black women in our society. There is, in Giddings's eyes, a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of Black

women and their organizations. DST members have included Mary McLeod Bethune, Mary Church Terrell, Margaret Murray Washington, Shirley Chisholm, Barbara Jordan, and, on the cultural side, Leontyne Price, Lena Horne, Ruby Dee, Judith Jamison, and Roberta Flack.

alpha kappa alpha sorority history: *The Quander Quality* James W. W, Rohulamin Quander, 2010 Diabetes can be a devastating disease, causing multiple degenerative conditions over the course of a person's life. Juvenile diabetes can be especially difficult because it strikes children. To live for 80 years with diabetes is a triumph that could only result from dedicated self-discipline, determination, and tenacity. These very qualities allowed James W. Quander, the author of this educational and inspirational autobiography, to live a full life into his 80s in spite of a prognosis to die before age ten. Diagnosed in 1924 with diabetes shortly before turning six, at a time when insulin injection was a new procedure, there was a stigma attached to having this disease. He kept his Big Secret until his senior years, in spite of hospitalizations and near-death experiences. Then, in an effort to educate others about living with diabetes, he often participated in personal and media interviews, and was featured in the Washington Post, Diabetes Forecast, Successful Living with Diabetes, and the Diabetic News.

alpha kappa alpha sorority history: Black Greek 101 Walter M. Kimbrough, 2023-09-12 Black Greek 101 analyzes the customs, culture, and challenges facing historically Black fraternal organizations. The text provides a history of Black Greek organizations beyond the nine major organizations, examining the pledging practice, the growth of fraternalism outside of the mainstream organizations, the vivid culture and practices of the groups, and challenges for the future.

alpha kappa alpha sorority history: Alpha Kappa Alpha Sorority, Incorporated, the Mid-Atlantic Region Linda Simmons-Henry, 2014-02

alpha kappa alpha sorority history: Black Greek-Letter Organizations 2.0 Matthew W. Hughey, Gregory S. Parks, 2011-02-18 At the turn of the twentieth century, black fraternities and sororities, also known as Black Greek-Letter Organizations (BGLOs), were an integral part of what W.E.B. Du Bois called the "talented tenth." This was the top ten percent of the black community that would serve as a cadre of educated, upper-class, motivated individuals who acquired the professional credentials, skills, and capital to assist the race to attain socioeconomic parity. Today, however, BGLOs struggle to find their place and direction in a world drastically different from the one that witnessed their genesis. In recent years, there has been a growing body of scholarship on BGLOs. This collection of essays seeks to push those who think about BGLOs to engage in more critically and empirically based analysis. This book also seeks to move BGLO members and those who work with them beyond conclusions based on hunches, conventional wisdom, intuition, and personal experience. In addition to a rich range of scholars, this volume includes a kind of call and response feature between scholars and prominent members of the BGLO community.

alpha kappa alpha sorority history: Having Our Say Sarah L. Delany, A. Elizabeth Delany, Amy Hill Hearth, 2023-01-03 Warm, feisty, and intelligent, the Delany sisters speak their mind in a book that is at once a vital historical record and a moving portrait of two remarkable women who continued to love, laugh, and embrace life after over a hundred years of living side by side. Their sharp memories tell us about the post-Reconstruction South and Booker T. Washington, Harlem's Golden Age and Langston Hughes, W. E. B. Du Bois and Paul Robeson. Bessie Delany breaks barriers to become a dentist; Sadie Delany quietly integrates the New York City system as a high school teacher. Their extraordinary story makes an important contribution to our nation's heritage—and an indelible impression on our lives.

alpha kappa alpha sorority history: The Truths We Hold Kamala Harris, 2019-01-08 The #1 New York Times bestseller From Vice President Kamala Harris, one of America's most inspiring political leaders, comes a book about the core truths that unite us and how best to act upon them. A life story that genuinely entrances. —Los Angeles Times "An engaging read that provides insights into the influences of [Harris's] life...Revealing and even endearing." —San Francisco Chronicle The daughter of immigrants and civil rights activists, Vice President Kamala Harris was raised in an

Oakland, California, community that cared deeply about social justice. As she rose to prominence as one of the political leaders of our time, her experiences would become her guiding light as she grappled with an array of complex issues and learned to bring a voice to the voiceless. In *The Truths We Hold*, she reckons with the big challenges we face together. Drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, she communicates a vision of shared struggle, shared purpose, and shared values as we confront the great work of our day.

alpha kappa alpha sorority history: *The Diary of Aaliyah Anderson* Randall Barnes, 2015-06-29 Meet Aaliyah Anderson, a beautiful, intelligent, ambitious thirteen-year-old young woman ready to take over the world. With her mom being a superstar broadcast journalist and her older brother Damon being an acclaimed writer and star sports player. Aaliyah lives a fantastic life. Aaliyah quickly learns that her good life, doesn't separate her from life's problems. She has to deal with tons of hardships and avoid many obstacles along her path to achieving her short term goal of finally making it to high school and what she feels will bring her closer to her dreams of being a CEO of a company. Aaliyah has to deal with overwhelming family issues such as the divorce of her parents and the result of her father's unfaithfulness, infidelity, and a family secret that turns her world upside down. As if her family wasn't messed up enough, her eleven-year old brother turns to the streets and joins the Eastside Rydahz, one of the most notorious gangs in the city. Her eldest brother Jeffery, or high-ranked Rydah 808, hates everything about Aaliyah and she doesn't understand it. All Aaliyah wants is to have the ideal loving, united family and it hurts her that their situation is seemingly fractured beyond repair. To make things even more pressing, she lives in the ruthless city of Willowsfield, statistically the #1 most dangerous city in America, where senseless community violence is the norm and life expectancy is low. With the pressure to succeed and make it out of the ditch that Aaliyah calls her hometown, she still has to deal with more problems that test her patience. With its realistic characters, life-like setting and dynamic message, *The Diary of Aaliyah Anderson* is entertaining and a sure fire conversation starter on what we need to do as a generation.

alpha kappa alpha sorority history: *The Quanders* Rohulamin Quander, 2021-04-12 Short of the Book TitleThe selected title of this book, *The Quanders - Since 1684: An Enduring African American Legacy*, is self-explanatory and becomes more so once the reader delves into the content. Tracing the legacy of Henry Quando and Margrett Pugg, his wife, and their progeny, from 1684 to the present, unfolds a story of triumph and sustained accomplishment beyond and in spite of whatever racially-inspired obstacles were placed as inhibitors on the road to success. Description of the WorkThe *Quanders - Since 1684: An Enduring African America Legacy* introduces stories that constitute the Quander family legacy as one of the oldest consistently documented African American families in the United States. This is not so much an African American story, as it is an American history story, written from an African American perspective. It features examples of faith, strength, focus, character, and triumph emerging from and beyond a series of imposed stumbling blocks. As well, the author acknowledges the contributions of those who came before and builds upon their achievements and successes to the benefit of future generations. While most Americans respect our nation and its Founding Fathers who made it a reality, the Quander story expands the scope of that recognition by painting smaller parallel stories addressing what else was ongoing, i.e., incidences, events, setbacks, the cumulative effect of which helped us, as people of African descent, to hold our heads just as high as other communities. Indeed, we too shared in the building of this great nation and in seeking to fulfill the American Dream.

alpha kappa alpha sorority history: *The Timeless History and Legacy of Kappa Upsilon Omega Chapter of Alpha Kappa Alpha Sorority, Inc.* Alpha Kappa Alpha Sorority, Inc., 2014-03-07 *Timeless History and Legacy of Kappa Upsilon Omega Chapter* is a book that chronicles the beginning of this chapter (KUO) in Aiken, South Carolina. It shares the vision of Justine Hickson and other chartering members of KUO. Fifteen women decided they wanted to start a chapter in Aiken, South Carolina. This dream became a reality on April 13, 1976; and so began Kappa Upsilon Omega Chapter of Alpha Kappa Alpha Sorority, Inc.: an organization of professional, educated, and dedicated women, all who share a passion and commitment to the ideals of their great sisterhood, Alpha Kappa Alpha Sorority, Inc., founded in 1908 on the campus of Howard University. The history of Kappa Upsilon Omega Chapter traces the beginning programs of this chapter until now with emphasis on service to mankind.
