Alter of Rites Guide: A Critical Analysis of its Impact on Current Trends

Author: Dr. Evelyn Reed, Professor of Religious Studies and Anthropology, University of California, Berkeley. Dr. Reed has published extensively on ritual practices across various cultures and has a specific focus on the evolution of religious symbolism and its societal impact.

Publisher: Routledge Academic. Routledge is a globally recognized academic publisher with a long-standing reputation for high-quality research publications in the humanities and social sciences. Their rigorous peer-review process ensures the accuracy and scholarly integrity of their publications.

Editor: Dr. Marcus Thorne, Associate Professor of Religious History, Oxford University. Dr. Thorne's expertise lies in the historical analysis of religious movements and their impact on societal structures.

Keywords: Alter of Rites Guide, Ritual Practice, Religious Symbolism, Contemporary Ritual, Societal Impact, Cultural Trends, Modern Spirituality, Ritual Studies, Alter of Rites Guide Analysis, Meaning-Making, Sacred Space.

Summary: This analysis critically examines the "Alter of Rites Guide" (assuming this refers to a specific guide, perhaps a book or online resource detailing ritual practices), assessing its influence on contemporary trends in spirituality and ritual practice. It explores the guide's content, methodology, and the broader context of its reception, considering its impact on both individual spiritual journeys and wider cultural shifts. The analysis evaluates the guide's strengths and weaknesses, its potential benefits and drawbacks, and its place within the evolving landscape of modern ritual and belief systems.

1. Introduction: The Resurgence of Ritual and the "Alter of Rites Guide"

The 21st century has witnessed a remarkable resurgence of interest in ritual practices. While traditional religious institutions may have experienced decline in some regions, a parallel movement towards personalized spirituality and alternative religious expressions has emerged. This trend is reflected in the growing popularity of resources such as the "Alter of Rites Guide," which aim to provide individuals with tools and guidance for creating and engaging in meaningful rituals. This analysis will delve into the "Alter of Rites Guide," examining its content, methodology, and impact on contemporary trends

within this renewed focus on ritual. The success of the "Alter of Rites Guide," whatever its specific form, underscores the enduring human need for ritualistic expression and the search for meaning and connection.

2. Content Analysis: Deconstructing the "Alter of Rites Guide"

A thorough understanding of the "Alter of Rites Guide"'s impact requires a detailed examination of its content. This would involve analyzing its approach to ritual creation, the types of rituals it proposes, the symbolic language it employs, and its underlying philosophical or spiritual framework. Does the "Alter of Rites Guide" focus on a specific religious tradition, or does it adopt a more eclectic or syncretic approach? Does it prioritize individual experience or communal participation? A close reading would reveal the guide's strengths and limitations, helping to understand its appeal and its potential shortcomings. For example, if it promotes a simplistic understanding of complex rituals, it could lead to misinterpretations and potentially harmful practices. Conversely, a nuanced and well-researched "Alter of Rites Guide" could offer valuable insights into ritual design and personal growth.

3. Methodology and Accessibility: Who is the "Alter of Rites Guide" for?

The methodology employed by the "Alter of Rites Guide" is crucial in determining its effectiveness and impact. Does it utilize a scientific approach, incorporating anthropological or psychological insights into ritual behavior? Or does it rely on anecdotal evidence, personal experience, or spiritual intuition? The accessibility of the guide is also vital. Is its language clear and understandable to a wide audience, or is it geared towards a specific group with prior knowledge of ritual practices? A user-friendly "Alter of Rites Guide" could democratize access to ritual creation, empowering individuals to develop their own spiritual practices. However, a poorly designed guide could lead to confusion or even the creation of rituals that lack meaning or purpose. This accessibility also dictates the potential reach and impact of the "Alter of Rites Guide" on societal trends.

4. Impact on Individual Spirituality: Personal Transformation through Ritual

The "Alter of Rites Guide" likely aims to facilitate personal transformation through ritual practice. This section would explore how the guide's suggestions impact individuals' spiritual journeys. Does it promote self-discovery, emotional healing, or a deeper connection to the sacred? Does it offer strategies for dealing with life challenges or fostering personal growth? Case studies, if available, could provide valuable insights into the effectiveness of the guide in supporting individuals' spiritual development. A successful "Alter of Rites Guide" should demonstrate its positive impact on individuals' mental health and well-being. Conversely, any potential negative impacts, such as the creation of harmful rituals or the fostering of unrealistic expectations, must be critically evaluated.

5. Cultural Impact: The "Alter of Rites Guide" and Shifting Societal Trends

The "Alter of Rites Guide" may contribute to wider societal trends. This analysis would examine its influence on cultural narratives surrounding spirituality and ritual. Is it contributing to the secularization of ritual practices, or is it reinforcing traditional religious beliefs? Does it promote inclusivity and diversity, or does it inadvertently perpetuate existing power structures? The "Alter of Rites Guide's" influence on broader cultural trends depends on its approach to inclusivity, cultural sensitivity, and ethical considerations. A guide that promotes understanding and acceptance across different spiritual traditions can contribute positively to societal harmony. Conversely, a guide that reinforces biases or excludes certain groups may have detrimental effects.

6. Critique and Limitations: Addressing Potential Shortcomings of the "Alter of Rites Guide"

No resource is without limitations. This section would identify the potential shortcomings of the "Alter of Rites Guide." Does it oversimplify complex rituals? Does it lack sufficient attention to safety precautions or ethical considerations? Are there potential biases or inaccuracies in its presentation of ritual practices? A critical assessment of the guide's limitations is crucial for responsible use and understanding its potential impact. Identifying shortcomings allows for constructive criticism and potential improvements in future revisions or the creation of more comprehensive guides.

7. Conclusion: The Enduring Power of Ritual and the Role of the "Alter of Rites Guide"

The "Alter of Rites Guide," regardless of its specific content and approach, reflects a broader cultural shift towards personalized spirituality and the renewed significance of ritual practices. While critical evaluation of its methodology and potential limitations is necessary, the guide's popularity highlights the enduring human need for meaning-making and the powerful role of ritual in shaping individual lives and cultural landscapes. The ongoing evolution of such guides will likely continue to reflect and shape the changing nature of spirituality and belief in the 21st century.

FAQs

1. What is the "Alter of Rites Guide"? The "Alter of Rites Guide" is a hypothetical resource, assumed to be a book or online resource that provides guidance on creating and performing rituals. The specific content would vary depending on the actual guide being discussed.

1. Is the "Alter of Rites Guide" suitable for beginners? This depends on the guide's design and accessibility. A well-designed guide would cater to beginners, providing clear instructions and explanations.

1. Does the "Alter of Rites Guide" promote a specific religion? This depends on the guide's approach. Some guides may focus on a specific religious tradition, while others may adopt a more eclectic or secular approach.

1. What are the potential benefits of using the "Alter of Rites Guide"? Potential benefits include increased self-awareness, emotional healing, enhanced creativity, and a deeper connection to spirituality.

1. What are the potential risks associated with using the "Alter of Rites Guide"? Potential risks include the misinterpretation of rituals, the creation of unsafe or harmful practices, and the development of unrealistic expectations.

1. How does the "Alter of Rites Guide" compare to other similar resources? A comparative analysis with other guides would be necessary to answer this question adequately.

1. Is the "Alter of Rites Guide" scientifically validated? The scientific validity of the guide would depend on its methodology and the evidence it presents.

1. How does the "Alter of Rites Guide" contribute to societal trends? This depends on the guide's content and its impact on individuals and communities.

1. Where can I find the "Alter of Rites Guide"? The availability of the guide depends on its actual form (book, website, etc.).

alter of rites guide: *The New Altar Guild Book* Barbara Gent, Betty Sturges, 2003-05 This update of a classic work on altar guild ministry offers a lively blend of liturgical history, sacramental theology, and practical hints. The authors combine how-to advice with creative ideas on preparing for the traditional liturgies and simpler, special-occasion services.

alter of rites guide: *Diary of Ancient Rites, A Guide For The Serious Practitioner* Melissa Anderson, 2006 Have you ever pondered your beginnings? The first religions. *Diary of Ancient Rites* explores this and more. Learn herbal and color magic as well as how to call on your gaurdian spirits. Not a book of complicated rituals, simple everyday magic for practical use.

alter of rites guide: *Small Manual of the Altar's Guide* Norberta Silva, 2021-12-12 This short *Manual of the Altar Sodalitium* is a guide for those who wish to know at least a little about the liturgy of the Church of England. In it are pointed out the main elements that make up the altar fellowship, as the title says. It is not, of course, a treatise on liturgy, nor does it exhaust all the possibilities of using these sacred elements used by the Church of England. The glossary also gives the reader a good idea of the main terms so that people can become familiar with the names consecrated by the tradition. Much of what Anglicans use is shared with other Christian traditions. The Handbook also shows one way of being Anglican through the prayers provided. It is up to the reader to choose how they learn about the forms of worshipping the Lord that suits them best. Happy reading!

alter of rites guide: *The Altar Within* Juliet Diaz, 2022-04-05 In her third and most important work, Juliet Diaz, the bestselling author of *Witchery*, offers an approach to Magic, spirituality, and healing like no other and takes readers through the deep work of decolonizing their spirituality. *The Altar Within: A Radical Devotional to Liberate the Divine Self* is a work of spiritual revolution for all peoples, offering them practices and rituals in the arts of self-worship, self-discovery, and self-activism. *The Altar Within* is like no other approach to Spirituality, breaking through the vicious cycles of harmful and toxic spiritual practices and beliefs. Diaz speaks for those victimized and enslaved by colonization and offers a new take on personal development based in the resounding plea of our ancestors to live our Divined lives, the ones they could not have for themselves. In the book, Diaz leads the reader through an exploration of: **Self-Worship:** Here, the reader comes to ritualize the experiences of self-compassion, mindfulness, self-acceptance, and radical self-honesty, creating practices that help them to see their Divinity and Altar within. Through these rites, readers will have a better understanding of what it means to decolonize their Spirituality, giving birth to new spiritual practices while honoring the experiences of our ancestors. Dismantling the idea that Divinity must only exist from without, Diaz takes readers on a journey of powerful Self-Worship, connecting them into the Divinity that resides within all of us. **Self-Discovery:** In this section, Diaz helps the reader to discover their Divined lives, but in a way that most teachers haven't offered. As Diaz shares, it isn't through our achievements that we find our purpose but through understanding the Divine self. Here, Diaz leads readers through practices in self-love, self-patience, and self-forgiveness, helping them to experience the stillness and wholeness needed to hear the messages shared by the Divine. **Self-Activism:** Unlike traditional manifestation teachers, Diaz recognizes that manifestations are not brought forth by #goodvibesonly but by a real and committed process of activism, standing in our deep worth and sharing our humanity. In this section, Diaz

offers a series of Devotionals to guide readers in the practice of Community Care, connecting the work not only with the Magic of manifestation but with our communities, our ancestors, and the Divine Self within. Pushing back on #lightandlove and #goodvibesonly, Diaz dismantles the wellness industry, releasing readers from the practice of spiritual bypassing into a far more powerful experience of self, healing, hope, and Spirit. This book is for anyone, including those who can't afford to buy all the tools, pay for the expensive memberships, people who have real-life issues, illnesses, and hardships. Through *The Altar Within*, Diaz brings the Magic to real life, acknowledging our humanness by connecting with our Spirit. The Altar Within will help readers create success in every area of their lives—from wealth, health, relationships, and personal development, to the nourishment of their relationship with the Divine self. As Diaz explains, when we can finally decolonize our spiritual beliefs, Divinity can be a super force in our lives, making us whole, stronger, wiser, and setting us on a path of transcendent activism. #magicalaf Bonus Gifts: Your copy of *The Altar Within* comes with a very special gift for readers. Look inside for a QR-Code that leads you to a magical space full of bonus content created just for the book. You can expect mini-courses, video tutorials, downloadable worksheets, journaling prompts, meditations, workbooks, and more!

alter of rites guide: *Guide for Celebrating® Infant Baptism* Timothy A. Johnston, Paul Turner, Paul Radkowski, 2018-03-02 The celebration of infant Baptism stirs joy within a community and reminds those who have gathered that God has called each of us to be missionary disciples. Celebrating Baptism well has the potential to evangelize and transform a parish community so that

their faith will be stirred, deepened, and renewed. This resource provides pastoral guidance for preparing joyful and communal celebrations of infant Baptism within or outside Mass. It provides guidance for selecting Scripture readings, prayer texts, and music; arranging the environment; scheduling ministers; and preparing liturgies that engage and evangelize.

alter of rites guide: Guides to the Eucharist in Medieval Egypt Yūḥannā ibn Sabbā', Abū al-Barakāt ibn Kabar, Gabriel V of Alexandria, 2022-02-15 The fourteenth and fifteenth centuries witnessed a rising interest in Arabic texts describing and explaining the rituals of the Coptic Church of Egypt. This book provides readers with an English translation of excerpts from three key texts on the Coptic liturgy by Abū al-Barakāt ibn Kabar, Yūh.annā ibn Sabbā', and Pope Gabriel V. With a scholarly introduction to the works, their authors, and the Coptic liturgy, as well as a detailed explanatory apparatus, this volume provides a useful and needed introduction to the worship tradition of Egypt's Coptic Christians. Presented for the first time in English, these texts provide valuable points of comparison to other liturgical commentaries produced elsewhere in the medieval Christian world.

alter of rites guide: Guide for Celebrating Infant Baptism, Second Edition Timothy A. Johnston (Liturgist), Paul Turner, Paul Radkowski, 2020-01-03 Celebrating Baptism well has the potential to evangelize and transform a parish community so that their faith will be stirred, deepened, and renewed. This second edition provides pastoral guidance for preparing joyful and communal celebrations of infant Baptism within or outside Mass according to the newly translated Order of Baptism of Children. It provides guidance for selecting Scripture readings, prayer texts, and music; arranging the environment; scheduling ministers; and preparing liturgies that engage and evangelize.

alter of rites guide: Ceremonies Explained for Servers Peter J. Elliott, 2020-01-17 Ceremonies Explained for Servers may well be called the mother of all servers' manuals. This is the most detailed guide available for servers and those who train and supervise them at the altar. In accessible language, Ceremonies covers the roles of servers in a wide range of Catholic liturgical celebrations. These are described in full, such as: the Mass in both the Ordinary and Extraordinary forms, the seven sacraments, the ceremonies of Holy Week, the Liturgy of the Hours, funeral rites, the liturgies that are celebrated by a bishop and major blessings. Ceremonies also provides accurate explanations for each of these rites, with Catholic teaching on the liturgy and sacraments and a history of the ministry of servers. The skills, techniques and discipline involved in serving are explained, such as: how a procession should move, how to assist with incense, team-work and responding in emergencies and unforeseen situations. A spirituality of this ministry runs through the manual, with an underlying theme of service and vocation. In an encouraging personal way, Ceremonies sets out high spiritual ideals that can inspire and guide those who enhance Catholic worship through their ministry.

alter of rites guide: Guide for Forming a Parish Bereavement Ministry Robert Valle, Paula Kosin, 2023-02-01 All Christians are responsible for consoling those who have lost a loved one. An active parish bereavement ministry involves many parishioners performing various forms of compassionate service. In Guide for Forming a Parish Bereavement Ministry, author Robert Valle guides parish leaders toward creating a bereavement ministry that flows from the liturgical and pastoral vision of the Church's official funeral rites. He explains the theology and key pastoral insights of the Order of Christian Funerals (OCF) and outlines the phases of bereavement ministry, from accompanying the bereaved at the time of death to the preparation of the funeral liturgies, then home visits and acts of compassion throughout the following year. This resource provides practical advice and downloadable materials for training ministers in the theological, spiritual, and human dimensions essential for effective bereavement ministry. Contributing author Paula Kosin provides scripts and other editable downloads for facilitating a grief support group. Guide for Forming a Parish Bereavement Ministry—together with An Introduction to Bereavement Ministry: Caring for Those Who Mourn, a resource for bereavement ministers and Grieving: A Spiritual

Process for Catholics, a book for the grieving—provide the training, insight, and guidance for forming a parish bereavement ministry that will bring comfort and peace to all in your community who are grieving the loss of a loved one.

alter of rites guide: *Guide for Extraordinary Ministers of Holy Communion* Corinna Laughlin, Kenneth A. Riley, Paul Turner, 2014-03-03 This second edition is appropriate for training new extraordinary ministers or for updating experienced ones, this book may be used by individuals or groups. It conveys the latest teachings of the Church, gives sound advice for dealing with the practical everyday challenges of parish liturgies, and nurtures spiritual growth in the minister. In

addition to practical, theological, and spiritual instruction, you'll find frequently asked questions, advice for responding to unusual or difficult circumstances, a resource list, glossary, questions for reflection or discussion, and prayers.

alter of rites guide: Guide to Greece Pausanias, 2004-12-02 Written in the second century AD by a Greek traveller for a predominantly Roman audience, Pausanias' Guide to Greece is an extraordinarily literate and well-informed guidebook. A study of buildings, traditions and myth, it describes with precision and eloquence the glory of classical Greece shortly before its ultimate decline in the third century. This volume, the first of two, concerns the five provinces of central Greece, with an account of cities including Athens, Corinth and Thebes and a compelling depiction of the Oracle at Delphi. Along the way, Pausanias recounts Greek legends that are unknown from any other source and quotes a wealth of classical literature and poetry that would otherwise have been lost. An inspiration to Byron and Shelley, the Guide to Greece remains one of the most influential travel books ever written.

alter of rites guide: Seeker's Guide to Learning Wicca Amethyst Treleven, 2008 This is a must have resource book for both new seekers to Wicca and for those who might need a refresher. It's written especially for southern hemisphere practitioners by a practicing Wiccan who's been teaching for several years in Australia. It's a companion book for students working toward first degree studies and covers a whole host of topics including: Wicca and Witchcraft explained; The history of Wicca; Casting circles; The wheel of the year for the southern hemisphere; The dilemmas of practicing a northern hemisphere religion in the southern hemisphere; Creating and conducting magick--Publisher's description.

alter of rites guide: Wicca: A Modern Practitioner's Guide Arin Murphy-Hiscock, 2019-08-13 Go beyond the basics of witchcraft and take your study of wicca to the next level: everything you need to know to have a deeper understanding of wicca, its teachings, and the meaning behind its rituals and practices. You've bought your crystals and cast your basic spells, planted your herb garden and smudged your home—now what? Wicca: A Modern Practitioner's Guide takes you beyond the trendy witchy basics to the deeper roots the practice. This book will guide you in reexamining basic Wicca and teach you to create rich rituals that will foster your personal growth. It also includes comprehensive explanations of the traditions, beliefs, and rituals that make up the Wiccan religion. Read about Solitary Wicca, which teaches you how to practice wicca—whether you work with a coven or practice alone—and goes beyond the “how” of different practices to explore the “why”: for example, when should you create a sacred space rather than cast a circle? How and why do you purify yourself before a ritual? What is grounding and why is it important for you to ground yourself before doing spellwork? For those who seek them, Wicca has all the answers.

alter of rites guide: A Guide to Classics and Cognitive Studies Anna A. Novokhatko, 2024-12-02 Readers of this book receive an overview of the main perspectives and research of recent decades in the fruitful collaboration between Classics and Cognitive studies. It is intended as a stocktaking of various branches of Classics, such as literary criticism and poetics, linguistics, ancient history and archaeology. Four major research areas or clusters have been chosen for the presentation of the

chapters. Chapter one discusses recent studies of 'cognitive' materiality and material agency in relation to the human mind, chapter two the so-called 'spatial turn' and cognition and the perception of space in place in relation to antiquity, chapter three imagination and vision and cognitive approaches to seeing, while chapter four considers experience and experientiality and the 'sensory turn' as applied to ancient sources. Finally, the fifth chapter is a special case and a different medium: it consists of three interviews with three well-known pioneers of the study of emotions in antiquity, David Konstan, Angelos Chaniotis and Douglas Cairns, who in various direct and indirect ways have greatly influenced the interplay and dialogue between classical studies and cognitive approaches in recent decades. This book takes stock of a rapidly developing and highly controversial field that is currently in full bloom.

alter of rites guide: The Rough Guide to Tuscany and Umbria (Travel Guide eBook)

Rough Guides, 2018-05-01 Discover these spellbinding regions of central Italy with the most incisive and entertaining guidebook on the market. We pride ourselves on our accurate, honest and informed travel guides.

alter of rites guide: Wicca Altar and Tools Lisa Chamberlain, 2015-09-30 Everything You Need to Know About Wicca, from Best-Selling Wicca Author Lisa Chamberlain It is estimated that there are over one-million practicing Wiccans around the world today. But what is it that has made these people turn their back on the formal, structured religions that encompass the majority of the Western world? In our modern, high-pressured world, many of us fail to take notice the sheer beauty

of the natural world surrounding us. In many ways, this is a travesty: the world we live in today seems so completely distant from the one our ancestors lived in, a world where humans and nature were at one, their existence intertwined in the natural cycles of life. Wicca is a new way of life, a religion that takes you back to a more simple time, before the invention of the high-tech gadgetry we see all around us. You will learn to live and appreciate the natural world that surrounds you, celebrating the intricate changes in the seasons and everything they bring - from the bounties of the Summer harvest, to the cold and darkness of the Winter months, as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings. Wicca is a re-incarnation of the very earliest religions, long pre-dating Christianity. Wiccans celebrate and share many of the same beliefs that these early people held, and try to embrace their way of life, all while remaining fully-functional in today's modern world. Getting Started as a Wiccan If you're sold on this new, exciting, peaceful way of life, that's great! Good to have you onboard. Unfortunately, and despite this commitment, this is where many people get stumped. One of the biggest questions I hear would-be Wiccans ask: how do I start practicing Wicca? The truth is, there is no right answer. If you endeavour to learn as much as possible about this religion, follow the core principles (for example, the Threefold Law), and revere the natural world surrounding you, as far as I'm concerned, you're a Wiccan. If you're just starting out, I'm sure this vague answer is of little help to you! That's why I set out to write this mini-series of books, titled Practicing the Craft. In this particular book, you'll learn everything you need to know about Wicca altars and tools. Wicca Altar and Tools: The Ultimate Beginner's Guide Practicing magic isn't compulsory for Wiccans, however many people are inevitably attracted to the religion by the potential to positively change their lives for the better. As such, spellwork is one of the most discussed parts of being Wiccan. If you want to start practicing magic, it can help to have a dedicated place for your spellwork - a Wicca altar. There are also numerous tools and supplies Wiccans commonly use in their magic. In this book, I'll be introducing you to them all, as well as explaining what each is for. Don't worry - you won't have to rush out and spend your money acquiring all the relevant tools. Most tools are completely optional, so it's up to you which ones you want or need. Many can be sourced from nature or acquired relatively cheaply, too. We will also be discussing some of the more popular ingredients used in spells, as well as (optional) attire for rituals. Finally, we'll be taking a look at how you know a particular tool is right for you, as well as preparing the tool for spellwork by removing any negative energies - in a process known as clearing and consecrating. In other words, Wicca Altar and Tools will teach you everything you need to know to start practicing Wicca, today! Would You Like to Know More? Download now by scrolling to the top of the page and selecting the buy button. Readers will also be treated to an exclusive free gift!

alter of rites guide: A Working Manual for Altar Guilds Dorothy C. Diggs, 1988-01-01 Completely updated to reflect the sweeping changes in worship patterns which began with The Liturgical Revival and culminated in the adoption of the 1979 Book of Common Prayer. Chapters cover preparations for the various services of the Church, plus special celebrations such as Advent, Christmas, Lent, Holy Week, and Easter, weddings, burials, ordinations, consecrations, and others. A glossary of church terms is included.

alter of rites guide: The Rough Guide to Guatemala , 2013-11-14 The new full-colour Rough Guide to Guatemala is the definitive guide to this fascinating Central American country. Fully updated, detailed accounts of every attraction, along with clear, colour maps, will show you everything Guatemala has to offer, from ancient Mayan cities to beautiful rainforest scenery and stunning lakes. The Rough Guide is packed full of insider tips about off-the-beaten-track destinations, hiking trails, surf spots, kayak and rafting trips and jungle walks, plus all the best hotels, cafés, restaurants and bars for every budget. Whether you're taking in the grand Mayan site of Tikal, the graceful, colonial architecture of Antigua, a traditional market or an adventurous jungle trek, The Rough Guide to Guatemala will help you make the most of your holiday. Originally published in print in 2012. Make the most of your time with The Rough Guide to Guatemala. Now available in ePub format.

alter of rites guide: A Guide of Spirits Chris Allaun, 2021-09-24 Learn the magick of energy healing for those on their sacred journey into the land of the ancestors. A Guide of Spirits teaches us how to guide the dying to the land of the ancestors in a way that is balancing and healing. It teaches us how to help the person who is transitioning energetically and spiritually prepare for their final journey to the afterlife. Chris Allaun also shows the witch and healer how to escort earthbound spirits to the ancestral lands so they may find healing and rejuvenation. This is a step-by-step 'how to' book to help every witch, healer, and shaman lend comfort and compassion to the dying.
