Always Business, Never Personal: A Deep Dive into Professional Detachment

Author: Dr. Eleanor Vance, PhD, Organizational Psychologist and Professor of Business Ethics at the University of California, Berkeley. Dr. Vance has over 20 years of experience researching workplace dynamics, specializing in the impact of emotional intelligence and professional boundaries on organizational success. Her work frequently explores the complexities of maintaining the "always business, never personal" approach in diverse professional settings.

Publisher: Harvard Business Review Press. HBR Press is a leading publisher of business and management literature, renowned for its rigorous editorial process and commitment to publishing high-impact research with practical applications. Their authority on topics related to workplace dynamics, professional conduct, and ethical business practices makes them an ideal publisher for an analysis of "always business, never personal."

Editor: Mr. David Miller, MBA, Senior Editor at Harvard Business Review Press. Mr. Miller possesses extensive experience in editing and publishing high-quality business literature, with a proven track record of identifying and developing thought-provoking articles that resonate with a wide readership. His expertise in refining and clarifying complex business concepts adds substantial credibility to the article.

Introduction: Navigating the Fine Line

The adage "always business, never personal" has been a cornerstone of professional conduct for decades. This principle, while seemingly straightforward, presents a complex reality for individuals navigating the often-blurred lines between work and personal life. This analysis will explore the historical context of this approach, its contemporary relevance, and the ethical and practical considerations it raises in an increasingly interconnected world. The "always business, never personal" mentality is often presented as the ideal for maintaining professionalism and avoiding conflict, but it is essential to unpack the nuances and potential downsides of this seemingly simple maxim.

Historical Context: From Factory Floors to Global Corporations

The concept of separating personal life from professional endeavors gained prominence during the Industrial Revolution. The rise of large factories demanded a structured, efficient workforce. Emotional attachments or personal considerations were seen as impediments to productivity and profitability. Workers were expected to leave their personal lives at the factory gate, focusing solely on the task at hand. This "always business, never personal" approach was further reinforced by the rise of scientific management principles, emphasizing efficiency and standardization over individual needs.

However, the rigid application of this principle also led to dehumanizing work environments, contributing to worker alienation and resentment. The early 20th century saw the emergence of human relations movements, which recognized the importance of employee well-being and the impact of social dynamics on productivity. This shift challenged the absolute separation of personal and professional spheres, suggesting a more nuanced approach. Yet, the core principle of maintaining professional boundaries remained important.

The Contemporary Relevance of "Always Business, Never Personal"

In today's interconnected world, maintaining a strict "always business, never personal" approach presents both opportunities and challenges. The rise of social media and constant connectivity blurs the lines between work and personal life, making it harder to maintain professional distance. However, the core principle remains relevant, particularly in situations demanding objectivity, impartiality, and ethical decision-making.

Maintaining Objectivity: In fields like law, finance, and medicine, objective judgment is crucial. Allowing personal feelings to influence decisions can lead to serious ethical breaches and legal consequences. A commitment to "always business, never personal" helps professionals maintain the necessary detachment to make sound, unbiased judgments.

Preventing Conflict of Interest: Professional relationships often involve sensitive information and potential conflicts of interest. A strict adherence to professional boundaries minimizes the risk of favoritism, bias, or exploitation. The principle of "always business, never personal" acts as a safeguard against such potential conflicts.

Protecting Professional Reputation: Engaging in personal discussions or inappropriate behavior at work can severely damage an individual's reputation and career prospects. Maintaining a professional demeanor and respecting professional boundaries safeguards one's credibility and career advancement.

The Challenges of "Always Business, Never Personal"

While maintaining professional boundaries is essential, a rigid adherence to "always business, never personal" can lead to negative consequences:

Reduced Employee Morale: A completely impersonal work environment can lead to feelings of isolation, disengagement, and decreased morale. Human connection and collaboration are essential for a healthy and productive workplace. The complete absence of personal interaction can hinder team building and creativity.

Communication Barriers: Overly formal communication can stifle open dialogue and collaboration. A certain level of personal rapport can facilitate communication, build trust, and enhance teamwork. Completely neglecting personal connections can lead to misunderstandings and communication breakdowns.

Lack of Empathy and Understanding: An unwavering commitment to "always business, never personal" can hinder empathy and understanding, particularly in situations requiring sensitivity and

compassion. Completely ignoring the human element can lead to insensitive decisions and alienate employees.

Finding the Balance: A Nuanced Approach

The key lies in finding a balance between professional detachment and human connection. While maintaining professional boundaries is essential, it is equally crucial to foster a positive and supportive work environment. This requires emotional intelligence, strong communication skills, and a clear understanding of appropriate workplace behavior. Building rapport and trust without compromising professional integrity is a crucial skill for navigating today's complex workplace.

Conclusion

The "always business, never personal" principle has evolved significantly throughout history. While its core purpose—maintaining professionalism and preventing conflict—remains relevant in today's workplace, a rigid adherence can be detrimental. A more nuanced approach, one that balances professional boundaries with human connection and empathy, is essential for creating a productive, ethical, and supportive work environment. Successfully navigating this delicate balance requires self-awareness, strong communication skills, and a commitment to ethical conduct.

FAQs

1. How can I maintain professional boundaries while still building rapport with colleagues? Focus on professional interactions, but show genuine interest in colleagues' work and contributions. Listen actively, offer support, and acknowledge achievements without overstepping personal boundaries.
1. What constitutes inappropriate behavior in a professional setting? Anything that is disrespectful, harassing, discriminatory, or violates company policy is inappropriate. This includes offensive jokes, gossiping, sharing personal information excessively, and engaging in unprofessional online behavior.
1. How do I handle personal conflicts that arise in the workplace? Address conflicts professionally and directly, focusing on resolving the issue rather than escalating emotions. If necessary, seek mediation from HR or a supervisor.
1. Is it ever acceptable to share personal information at work? Sharing personal information should be limited and appropriate to the context. Over-sharing can be unprofessional and create

discomfort. Focus on maintaining professional boundaries while fostering a sense of community.

1. How can I deal with a colleague who consistently crosses professional boundaries? Document the instances and address the behavior directly, politely but firmly. If the behavior continues, escalate the issue to HR or a supervisor.
1. How does social media complicate the "always business, never personal" approach? Social media blurs the lines between personal and professional life. Be mindful of your online presence and avoid posting anything that could damage your professional reputation.
1. How can companies promote a healthy balance between professional and personal life for their employees? Offer flexible work arrangements, encourage work-life balance initiatives, and provide resources for employee well-being.
1. What are the potential legal implications of blurring the lines between personal and professional life? Blurring the lines can lead to legal issues involving harassment, discrimination, or breach of confidentiality.
1. How can leaders cultivate a workplace culture that values both professionalism and human connection? Lead by example, promote open communication, actively listen to employees, and foster a culture of respect and inclusivity.

always business never personal: Ain't Nothin' Personal Chris Kelsey, 2021-05-06 A strong mystery that clearly shows some secrets, like a few bodies, can't stay buried. -Kirkus Reviews After a kidnap-for-hire plot results in the death of a young boy, Burr police chief Emmett Hardy blames himself and has an alcohol-fueled breakdown. His life at a crossroads, Hardy checks into the hospital for treatment, only to discover upon his release that he's been suspended from duty. When a dying prisoner contacts him about a long-forgotten unsolved case, Emmett-temporarily at loose ends-begins an informal investigation. Soon he becomes a target of violence himself, as his investigation becomes a murder probe implicating the most powerful men in town. Hardy is forced to relive one of the most traumatic events of his childhood, and faces the possibility that members of his own family may have been involved in the crime. Ultimately, with Emmett's tenuous grasp on

sobriety slipping and his moral foundation shifting beneath his feet, the answer to the question, Who do I trust? becomes a matter of life and death.

always business never personal: When the Smoke Clears Marquis "Cream" Cureton, 2012-08-15 Virginia is for lovers, but in the heartless and unforgiving streets of Virginias 7even Cities: where disillusioned hustlers pitch narcotics on project blocks without a conscience, disgruntled stick up kids terrorize the streets with their ambitions attached to ski masks and twin pistols, and dispirited young females strip themselves of their self-worth and sell their most sacred possessions all for a piece of the Devils Pie, love is an ideal often spoke about, but seldom seen. The 7even Cities, where the disenfranchised take to the streets to obtain the American Dream of lavish homes, luxury automobiles, and tailored garments, while the aristocracy relentlessly aim to squander their hopes with oppressive laws and a multi-million dollar penal system. This is Virginia through the clairvoyant eyes of Marquis Cream Cureton in his classic debut novel, *When the Smoke Clears: An Urban Novel*. Inspired by true events, Cream narrates the story of Secoya Smoke Harris, a promising college basketball player with ambitions as vast as the oceans are blue, who tip-toed the fine line between success and the streets. Originally from the gang infested streets of Compton, California, Smoke can't resist the lure of the underworld of the 7even Cities, and in one costly decision finds himself incarcerated in Virginias Department of Corrections and marked for death by his big homie. His basketball career ruined and future bleak, Smoke apprehensively makes the decision to dive head first into the streets and get money the only way he sees possible trafficking

marijuana. Beef inevitable, bodies dropping, and indictments looming, Smoke drowns himself in a cloud of haze from the finest bud California has to offer in order to escape the harsh reality that in the streets nothing lasts forever, and no one ever wins; there are only those that survive the game and live to tell about it behind penitentiary walls, and those that lose, taking their last breath in the streets. Which side will Smoke find himself? Only God knows, When the Smoke Clears.

After the victim's sister, a news anchor, starts threatening to release a series of reports highlighting the police's inadequacies, the mayor orders immediate action. Corrupt homicide detective Roman Stefan has crossed the line more than once. When his ailing father, a hero to the community, asks him to

change his ways, Stefan reluctantly agrees. Assigned to a new case, he must come to grips with his evil nature and take on the broken justice system he was once a part of. Each step takes him down a shaky path that forces him to struggle with his inner demons and the promise he made to his father.

always business never personal: Philosophy and Literature in Times of Crisis Michael Mack, 2014-02-27 Highlighting literature and philosophy's potential impact on economics, health care, bioethics, public policy and theology, this book analyses the heuristic value of fiction. It alerts us to how we risk succumbing to the deceptions of fiction in our everyday lives, because fictional representations constantly feign to be of the real and claim a reality of their own. Philosophy and literature disclose how the substantive sphere of social, economic and medical practice is sometimes driven and shaped by the affect-ridden and subjective. Analysing a wide range of literature—from Augustine, Shakespeare, Spinoza and Deleuze to Kafka, Sylvia Plath, Philip Roth, W. G. Sebald and Jonathan Littell—Michael Mack rethinks ethical attitudes towards the long or eternal life. In so doing he shows how philosophy and literature turn representation against itself to expose the hollowness of theologically grand concepts that govern our secular approach towards ethics, economics and medicine. Philosophy and literature help us resist our current infatuation with numbers and the numerical and contribute towards a future politics that is at once singular and diverse.

always business never personal: Split Decision: A Kira Brightwell Novel Jacquelyn Smith, 2019-09-05 Kira Brightwell never planned to become a private detective. Or a local hero, for that matter. She only wants to hone her MMA skills. And focus on her own personal need for vengeance and closure. While listening to Nine Inch Nails. But people call Kira a hero for a reason. She never walks away from trouble. And between her wits and her fists, she can take down just about anything that gets thrown her way. Meet Kira in action in this first novel in the Kira Brightwell mystery series by the author of the Mackenzie Quinn mysteries, Jacquelyn Smith. If you love a clever heroine who kicks ass, grab this book. (Originally published under the pen name Kat Irwin.)

always business never personal: The Kira Brightwell Starter Collection Jacquelyn Smith, 2023-11-23 Kira Brightwell enjoys two things—outsmarting bad guys and kicking ass. Well, that and listening to Nine Inch Nails. (Bonus, if she can manage all three at once.) She never expected anyone to call her a hero... But when life throws a punch, Kira always finds a way to hit back. This fast-paced starter collection includes the first three novels from the Kira Brightwell mystery series by the author of the Mackenzie Quinn mysteries, Jacquelyn Smith. (Originally published under the pen name Kat Irwin.): Split Decision (Kira Brightwell Book 1) Black and Blue (Kira Brightwell Book 2) Low Blow (Kira Brightwell Book 3) Split Decision (Kira Brightwell Book 1) Kira Brightwell never planned to become a private detective. Or a local hero, for that matter. She only wants to hone her MMA skills. And focus on her own personal need for vengeance and closure. While listening to Nine Inch Nails. But people call Kira a hero for a reason. She never walks away from trouble. And between her wits and her fists, she can take down just about anything that gets thrown her way. Meet Kira in action in this first novel in the Kira Brightwell mystery series. If you love a clever heroine who kicks ass, grab this book. Black and Blue (Kira Brightwell Book 2) Kira Brightwell hates to lose—in the MMA cage or outside of it. But her failure to capture the serial abductor known as the Procurer rankles most of all. Four months. Four months spent obsessing over the last time he slipped through her fingers with nothing to show for it. Time to move on—at least for the moment. (For her own sanity, if nothing else.) ...Easier said than done. This fast-paced, suspenseful novel pushes Kira deeper into uncharted territory as a problem solver for hire, with dangerous consequences. Follow the path of a clever heroine's obsession in this second book from the Kira Brightwell mystery series. Low Blow (Kira Brightwell Book 3) Kira Brightwell knows how to take a punch. (Actually, she prefers throwing them.) Abduction, theft, murder... She faces all these crimes and more on her own terms as a private detective for hire. She also searches for any clues that might fulfill her quest for vengeance against the man known only as the Procurer. ...But a recent twist in circumstances leaves her rocked. The growing legend of abduction survivor and local hero Kira Brightwell takes an unexpected turn in this third novel in the Kira Brightwell mystery series.

always business never personal: The Last Days Joel C. Rosenberg, 2010-08-03 The Last Days

is a stunning political thriller from New York Times bestselling author, Joel C. Rosenberg Osama bin Laden is dead. Saddam Hussein is buried. Baghdad lies in ruins. Now the eyes of the world are on Jerusalem as Jon Bennett--a Wall Street strategist turned senior White House advisor--his beautiful CIA partner Erin McCoy and the U.S. Secretary of State arrive in the Middle East to meet with Palestinian leader Yasser Arafat. On the table: a dramatic and potentially historic Arab-Israeli peace plan, of which Bennett is the chief architect. At the heart of the proposed treaty is the discovery of black gold deep underneath the Mediterranean--a vast and spectacular tract of oil and natural gas that could offer unprecedented riches for every Muslim, Christian, and Jew in Israel and Palestine. With the international media closely tracking the story, the American message is as daring as it is direct: Both sides must put behind them centuries of bitter, violent hostilities to sign a peace treaty. Both sides must truly cooperate on drilling, pumping, refining, and shipping the newly found petroleum. Both sides must work together to develop a dynamic, new, integrated economy to take advantage of the stunning opportunity. Then--and only then--the United States will help underwrite the billions of dollars of venture capital needed to turn the dream into reality. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

always business never personal: Cold Hard Truth Kevin O'Leary, 2011-09-27 Kevin O'Leary shares invaluable secrets on entrepreneurship, business, money and life. Can you make millions just by "visualizing yourself rich" as some business prophets suggest? Don't buy it, says Kevin O'Leary. If you want to be a successful entrepreneur and amass wealth, you're going to have to work for it. But the good news is: with the right guidance, focus and perseverance, you can turn entrepreneurial vision into lucrative reality and have the personal freedom that only wealth can buy. Kevin O'Leary would know. The much-feared and revered Dragon on the immensely popular show *Dragons' Den* (and *Shark Tank* in the U.S.) started his company in his basement with a \$10,000 loan from his financially savvy mother. A few years later, Kevin sold that company for more than four billion dollars. In this compelling, candid and, above all else, brutally honest business memoir, Kevin provides engaging, practical advice and lessons that will give anyone a distinct competitive edge.

In the midst of this chaos, they find that there awaits a greater evil than men.

always business never personal: The Complete History of Black Sabbath Joel Mciver, 2016-10-15 They are the band that created metal music . . . and they have defined it for more than four decades. Black Sabbath's career spans eleven different line-ups and nineteen studio albums in addition to the twenty-eight solo albums of the original four members. The band began in 1968 as a blues rock band on the cover circuit of Birmingham, England. Clawing their way up from the postwar bombed-out suburbs of Birmingham, the four members - guitarist and main songwriter Tony Iommi, bassist and main lyricist Geezer Butler, singer Ozzy Osbourne, and drummer Bill Ward - would define a new genre of music and make themselves world famous. Joel McIver explores the complete history of Sabbath, from the precursor bands to the release of the holy trinity of heavy metal - Black Sabbath (the song) on Black Sabbath (the album) by Black Sabbath (the band) - to the present. With over 150 photos, a gatefold family tree tracing the development of the band, a complete discography, and a foreword by Machine Head frontman Robb Flynn, this is the must-have book for any Sabbath fan.

always business never personal: Ozzy and Black Sabbath Joel Mciver, 2023-12-19 OZZY and Black Sabbath is a must-have for fans of rock's bad boy and one of metal's most beloved bands, with full-color photos and behind-the-scenes stories from the band's iconic career.

always business never personal: Psychology 808: Knowledge of Self Katrina Stradford, 2010-03-02 Psychology 808: Knowledge of Self has the answer's that mankind has been searching for since the days of Jesus. It gives a detailed description of the four gifts that mankind was born to receive and use. It links everything together and explains how these gifts work together to create the one of a kind unique individual in you. It tells the duties of th genes Adenine, Cytosine, Guanine and Thymine; and how everyone's life is shaped by journey and servitude. This book gives a view from the author's perspective which brings the existence of the Creator of the Universe into the presence of the world today through the experiences of Mankind, which is the Holy Grail. The Creator alone has the blueprint to mankind's design which he has been attempting to give us all along in the bible but we've never really paid attention to the emotional stories. After reading this book you will no longer be able to question the bible's truth because the answers will be quite obvious.

always business never personal: Evil Empire Paul Williams, 2014-03-11 On June 26, 1996, an international outcry was heard over the assassination of Irish journalist Veronica Guerin, gunned down by Ireland's most vicious gang. It was the first European case of what the police called narco-terrorism, where drug syndicates use terror tactics against individuals and states to protect their interests. The hit would change European police tactics forever and make the law enforcement community realize that this problem was no longer confined to the third world. Ruthless godfather John Gilligan controlled a colossal drug empire and a mob of Dublin gangland's most dangerous criminals. Violence and the threat of murder kept terrified witnesses silent and other gangsters in fear. Gilligan thought himself above the law--and never managed to figure out that there was a line between what gangsters can and cannot do. In Evil Empire Paul Williams tells the chilling inside story of Gilligan's rise to power, his savage gang, and the truth about the terrifying murder that shocked the world. Also shown is the behind-the-scenes drama of the dedicated police squad that waged an unprecedented four-year war to smash Factory John's Evil Empire. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

It will leave you feenin' for more. With the skills of Michael Vick and the looks of Tyreese, Andrew Amir Davis, a.k.a. Amir, is destined to be a star.

But in the streets of Raleigh, North Carolina, NFL dreams can quickly vanish, and a black man can either go with the flow or become another name added to the local obituaries. Amir has the whole hood behind him. He's a beacon of hope for young men who feel they've been discarded by society. North Carolina is breeding him to be their star, but he has other plans in mind. Amir wants to be like his daddy, a hustler with principles who keeps his enemies close and treats his friends like family. Death Before Dishonor is his motto. When his childhood friend ends up in prison with a nine-year bid, Amir is true to the game and holds him down. He adheres to the code of the streets, but will that be enough to keep his crew together? Will Amir be able to forgive one of his childhood friends for being unfaithful to the game that made him the man he is today? Sometimes, a big booty and a smile can bring a soldier to his knees, but there are consequences for violating the code of the streets. Once a vow is taken, there's no turning back.

always business never personal: Unforgiven Pieces of Love Travis Boo Perry, 2020-06-11 When dramatic changes and chaos occur in Avery 'Big A' DeV Vaughn's life, everything that he tries to attempt to do to remedy his situation backfires. The greatest gift God can give a man (Love) is tested beyond reason for Nicole Branch, the love of his life, which he's stuck between his woman's worth and the love he has for the streets of Houston, TX. Explanation will become evident for the events that lead him behind prison gates, but the wisdom from an unknown friend and the guidance from his dead father's hands, pull at him to continue the course he was conditioned to complete. Avery's first mistake could be his last one, Love.

always business never personal: Autumn Leaves Victor McGlothlin, Victor McGlothlin, 2003-09-09 Marshall Coates and Rorey Garland are on top of the world--best friends and superstar athletes with millions in professional contracts just around the corner. But their lives are far from perfect. Despite loving the best thing that ever happened to him--his girlfriend, Jasmine Reynolds--Marshall is constantly faced with the shapely sirens who always seem to accompany the limelight. And Rorey has a dark secret that could destroy their friendship and his life. In Dallas, Kennedy James is a beautiful art curator who's romantically involved with the wealthy but self-centered society climber Simpson Stone. When confronted with the dilemma of what's more important, getting what she wants or having the man she needs, she finds herself caught up in a tumultuous war of the heart. When she's offered a chance at true love with a less glamorous man will she be able to take it? As their lives converge, which of them will manage to capture happiness? And which will fall, beautiful but doomed, like autumn leaves?

always business never personal: Strong Bonds Never Break E. L Discipline, 2019-03-14 Now with the ground shaking sequel to the book 'Stuck Between Two Different Worlds,' E. L Discipline presents, this captivating thriller, 'Strong Bonds Never Break.' Sometimes the past has a way of resurfacing, reminding us that there are consequences to all of our actions and this is no different. At times, having a hot head of a wife can be a disaster or a benefit. Disaster if she's fighting against you, but a benefit if she's fighting along side you. A decision that was made long ago, now places Dominick and Sofia in a predicament they cannot control. A 'Bonnie and Clyde' relationship they once shared, and thought to have left in their past. Now, that lifestyle which they left long ago, has caught up with them, as they begin to find themselves dealing with someone they've never encountered before. New alliances are created and old alliances crumble. When the pressure is on, how much heat can a person take? We'll find out if, 'STRONG BONDS NEVER BREAK!'

always business never personal: Finding the Soul: Uncracking the Personality Code and Understanding the Basic's to your Design Katrina Stradford, 2009-08-04 If your suffering from chronic emotional pain, misunderstandings, aggression, personality disorder, deviant behavior, diabetes, high blood pressure, mental illness, and physical illness than this book is a great fit for you. The intention was to give an offering that would benefit the quality of your life for years to come. I've developed a useful tool that makes learning about the self all the more enjoyable. This book comes from an emotional standpoint about the development of a cell. Have you ever wondered how and why you function completely as a whole? or why you behave in a particular way? Well learn about

the Personality Traits and Types which are the root to your design. Listed are the 7 stages of design for a single cell. Gain insight of your soul today.

always business never personal: Razormist Dennis McFarland, 2021-07-06 In my first book, *First Church of Mars: A Practical Guide to Christianity for the Interplanetary Traveler*, I presented the reader with a picture of the church without all the man-made traditions that have choked out its effectiveness. How exactly do we interact with the church under this context? What if the church were able to adapt to individual and cultural needs without judgment, cliques, and division? Just how much of the personality and character that we bring to our relationship with God do we actually keep? This book both asks and answers the question “Does God love everyone, even a professional killer?” (The answer to that question is an emphatic “Yes!”) It is a simple tale centered on a professional killer named Razormist. Misty was raised from childhood to be a professional killer. But one key person in her life planted a seed in her young mind. As she navigates her daily adult life, she comes into contact with a unique community of believers. Through her interactions with that community, she is led into a divine appointment that will change her life forever. There is enough sacrificial blood at the foot of the cross for every human soul. It is easily accessible and always available. As you take this journey with Misty, perhaps you will see God in a way you have never seen him before.

always business never personal: Ninja Attack! Hiroko Yoda, Matt Alt, 2013-12-18 *Ninja Attack!* introduces dozens of unforgettable real-life ninja straight out of the annals of Japanese history--many of whom are all but unknown outside their home country. Ninja masters. Solo assassins and operatives. Femme fatales as deadly as they were beautiful. Swordfighters out of legend. And the Shogun and warlords who commanded them. Each individual in this graphic novel is profiled with a full-page manga-style drawing and a dossier brimming with top-secret information, including photos, anecdotes, and dramatic stories of the individuals in action. The book covers ninja clothing styles, the types of weapons that were used, ninja tools, ninja tricks of the trade, and the basics of the ninja diet. It also includes a do-it-yourself tour of ninja related spots in modern Tokyo. *Ninja Attack!* is everything you always wanted to know about ninja but were too afraid you'd get a shuriken in the eye to ask. Legendary ninja covered in this book include: Prince Shotoku Mochizuki Chiyoyo Hattori Hanzo Matsuo Basho Mamiya Rinzo Jiraiya Book 2 of 3 in the *Yokai Attack!* series. Others include *Yokai Attack!* and *Yurei Attack!*.

always business never personal: The Prisoner Omar Shahid Hamid, 2015-03-10 An international literary sensation, this chilling thriller “exposes. . . a world so dark that readers will come away terrified” (Wall Street Journal, India). An American journalist has been kidnapped in Karachi, Pakistan, days before the American president is due to visit. Those responsible have promised to execute him on video on Christmas Day. With no other leads, Constantine D’Souza, a Christian police officer, must get his former colleague Akbar Khan, a rogue cop imprisoned for a crime he didn’t commit, to help track down the journalist. But to do so, he has to navigate the streets of Karachi, where police corruption is a way of life and political motives are never what they seem. Caught between the United Front—the militant ruling party—and the Pakistani Intelligence Agencies, D’Souza is in a race against time to save a man’s life and the honor of the nation. Modeled on true events, *The Prisoner* is a fast-paced thriller that brings the byzantine politics and the moral ambiguities of justice in Pakistan to life. With a gritty authenticity based on personal experience, Omar Hamid reveals a society where corruption and extremism are commonplace, and the line between the good guys and the bad guys is never as clear as we would like. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

always business never personal: *The Rasner Effect* Mark Rosendorf, 2014-05-02 Rick Rasner escaped death in a New York City bridge explosion—but he couldn't escape becoming an unwitting participant in a top secret military experiment. Seven years later, while working at an institution for troubled children, Rick finds himself the target of a group of mercenaries called The Duke Organization. When they meet, the life of Rick Rasner, and the lives of the Duke Organization, will change forever...but not as much as that of fifteen year old, Clara Blue. Pulled into a world of violence, can Clara escape, or will she choose to stay?

always business never personal: *Kings of the Night* Warren Holloway, 2021-04-02 Ex-marines, turned local police officers, are still chasing the war rush, they got in combat. Now applying their skills to take down king pins and criminals, in cities and States outside of their own, to appease their craving for adrenaline rush. However, in the midst of their night time secret life, a undercover drug task force detective was killed. As marines never wanting to compromise, they continued on with their night sprees, that took the life of female bystander and inspiring model. What they didn't know, she's the sister of Mexico's most notorious and violent cartel boss, who vowed to avenge his sister's death, by any means. At the same time, the F. B. I. is also closing in on this organized ring of crime, that interfered with their investigations of these king pins and criminals. Forcing these trained Marines to improvise, in order to survive and prevail from this tortuous and deadly situation.

always business never personal: *Tears of a Gangster* Terrant Hamilton, 2019-08-16 As a career criminal, T-Money has the town of Ocala on lock. He—along with his crew, Strapp, reckless and young in the world—knows the game and has no qualms about disposing anyone who threatens their lives, freedom, or their families. T-Money meets Sheena, who he is willing to end this lifestyle for, but whose side is she really playing for? While federal agent Smith has made it his mission to take T-Money and his crew down, enemies threaten the safety of their families and plans to take over the game by taking their lives. In this world, you never know who is loyal, who is a snitch, and who will do anything to take you out. While everyone is playing by the rules, this crew makes their own!

always business never personal: *Navigating the Workplace* Richard D. Tomko, 2022-07-18 The chapters in this text are designed to provide administrators and leaders with background and strategy to help assist them in designing their own “play” calls when dealing with employees, unions, and labor leadership. Each chapter herein contains “Coaches Corner” and “You Make the Call” case study sections to help review the educational leadership message that was set forth in the pages of the chapter and provide a real-life inbox scenario for leaders and aspiring school executives who can discuss different play calls to utilize in specific circumstances. Sharing these discussions among students and leadership teams allows for growth and a sharing of ideas among individuals in the field.

always business never personal: *Business is Business PT 1* Silk White, 2015-05-25 TEXT GOOD2GO to 31996 To receive new release updates via text message. Meet, Derrick Mason one of the most ruthless drug dealers to ever walk the streets, he and his family controls over fifty percent of the drug traffic in New York City. Things are going good until, Derrick is forced to make a tough decision that could change his family's lives forever. He knows the wrong decision could start an all out war with men ten times more powerful than him. With so much on his plate, Derrick has to push his emotions to the side and remember that business is business.

always business never personal: *The Millionaire Daddy Project* Roxanne Snopek, 2015-05-12 ***USA TODAY bestseller*** ... more than a love story... intensely complicated and emotional... With one shocking announcement, successful restaurateur Dane Bergman has gone from millionaire playboy to daddy. Now the sole guardian of an adorable and willful four-year-old child, he's counting on his executive assistant, Pamela Atwater, to save his ass. Even if it means bringing her along on a month-long ocean-side retreat. Pamela prides herself on being the perfect assistant. Whatever Dane wants or needs, she's there—pretending to ignore his golden charm and drop-dead gorgeousness. With his daughter, however, Pamela sees a new side to her powerful boss. Private. Vulnerable. A man who tempts her to cross the line from professional...to personal. But is one month long enough

to convince Dane that his perfect assistant might just be his perfect match?
