I Am Writing This Letter: A Journey Through the Power of Epistolary Expression

Author: Dr. Evelyn Reed, PhD in Psychology, specializing in therapeutic writing and communication.

Publisher: Sage Publications – a leading publisher in the social sciences, known for its rigorous academic standards and commitment to disseminating impactful research.

Editor: Mr. Arthur Miller, MA in Journalism, experienced editor with over 15 years of experience in publishing academic and narrative non-fiction.

Abstract: This article explores the profound impact of letter writing, examining its therapeutic benefits, historical significance, and continued relevance in a digital age. I am writing this letter not just as an academic exercise, but as a personal testament to the power of written communication in navigating life's complexities. Through personal anecdotes and case studies, we'll delve into the multifaceted roles letter writing plays in self-discovery, relationship building, and emotional processing. I am writing this letter to illuminate the enduring value of this often-overlooked form of expression.

1. Why I Am Writing This Letter: A Personal Reflection

I am writing this letter because I believe in the untapped potential of epistolary communication. In a world dominated by fleeting digital messages, the act of sitting down with pen and paper (or keyboard, in the modern sense) to craft a thoughtful letter feels almost revolutionary. I remember vividly receiving a handwritten letter from my grandmother when I was ten. It wasn't a momentous occasion described within the letter itself; rather, the simple act of its existence, the tangible weight of her thoughts in my hands, created a powerful connection. That feeling of being truly seen and heard, a feeling that transcends the superficiality of a quick text or email, is the core of what I am writing this letter to convey.

2. I Am Writing This Letter: Case Study 1 - Healing Through Self-Expression

One of my patients, Sarah, a 32-year-old struggling with anxiety and depression, initially found it difficult to articulate her feelings. Traditional talk therapy proved challenging. However, when I suggested writing letters to her anxieties – personifying her fears and addressing them directly – a remarkable transformation occurred. I am writing this letter partly because Sarah's progress highlights the transformative power of letter writing. In these letters, Sarah unearthed hidden narratives, processed painful experiences, and

ultimately gained a sense of control over her emotions. The act of writing itself became a form of catharsis, allowing her to externalize her internal turmoil. She eventually transitioned to writing letters to herself, a practice that continues to serve as a valuable tool in her self-care regimen. I am writing this letter in hopes that this case study will illustrate the therapeutic applications of this often overlooked method.

3. I Am Writing This Letter: Case Study 2 - Repairing Relationships

In another instance, I worked with a couple, Mark and Lisa, whose marriage was strained by years of unspoken resentment. I am writing this letter partly to emphasize the success that this couple had by changing their communication methods. They were reluctant to engage in direct conversation, fearing further conflict. Instead, I encouraged them to write letters to each other, expressing their feelings, needs, and grievances without the immediate pressure of face-to-face interaction. The act of writing allowed them to articulate their perspectives with greater clarity and empathy. Reading each other's letters fostered a level of understanding that had been absent from their relationship for years. They found themselves able to address difficult issues with a newfound gentleness and openness, proving that writing letters is more effective for reconciliation than direct confrontation in some cases. I am writing this letter to advocate for its use in similar relational conflicts.

4. I Am Writing This Letter: The Historical Significance of Epistolary Communication

Throughout history, letters have served as vital tools for communication, storytelling, and preserving personal histories. From the love letters of Victorian-era poets to the poignant accounts of soldiers during wartime, letters offer invaluable insights into past lives and perspectives. I am writing this letter to emphasize that their importance should not be diminished by modern communication. They provide a tangible link to the past, a window into the thoughts and emotions of individuals across time. Analyzing historical letters provides researchers with rich qualitative data, illuminating social, political, and personal dynamics of past eras. This historical perspective underscores the enduring power and relevance of the written word.

5. I Am Writing This Letter: Navigating the Digital Age

While email and instant messaging have become ubiquitous, the intimate and thoughtful nature of a handwritten letter remains unmatched. I am writing this letter not to discourage digital communication, but to highlight the unique qualities of traditional letter writing. In a world saturated with fleeting digital interactions, the deliberate act of composing and sending a letter conveys a profound sense of intention and care. The tangible object itself becomes a symbol of the writer's commitment to the recipient. I am writing this letter to encourage readers to rediscover the personal touch of traditional letter writing.

6. I Am Writing This Letter: Beyond Therapy and Relationships

The benefits of writing letters extend far beyond therapeutic interventions and relationship repair. Journaling, a form of self-letter writing, offers a powerful means of self-reflection, emotional regulation, and personal growth. I am writing this letter also to explore this avenue. Students can use letters to deepen their understanding of literary texts, engaging with characters and themes on a personal level. Businesses can leverage the power of personalized letters to build stronger client relationships and foster customer loyalty. I am writing this letter to showcase the many ways in which letter writing can contribute to personal and professional growth.

7. I Am Writing This Letter: A Call to Action

I am writing this letter with a fervent hope that readers will reconsider the power of epistolary communication. In an increasingly digital world, the simple act of writing and receiving a letter can offer a profound sense of connection, empathy, and self-understanding. Whether it's a heartfelt note to a loved one, a journal entry to oneself, or a professionally crafted letter to a client, the written word holds the ability to bridge divides, mend relationships, and promote healing.

8. I Am Writing This Letter: Conclusion

I am writing this letter not as a conclusive statement but as an invitation to explore the rich tapestry of epistolary expression. The act of writing, of crafting words with intention and care, is a powerful tool that transcends the limitations of time and distance. Through personal reflections, clinical insights, and a historical perspective, I have sought to illuminate the profound impact of letter writing on individuals, relationships, and society as a whole. I am writing this letter in the hope that it inspires you to discover the enduring power of this often-underestimated form of communication.

FAQs

1. Is letter writing still relevant in the digital age? Absolutely. While digital communication is efficient, letter writing offers a unique sense of personal connection and intentionality that digital platforms often lack.
1. What are the therapeutic benefits of letter writing? Letter writing can help process emotions, improve self-awareness, facilitate self-expression, and foster emotional regulation.

1. Can letter writing improve relationships? Yes, it can provide a safe space to express feelings, improve understanding, and resolve conflicts constructively.
1. How can I use letter writing in my daily life? Start a journal, write letters to loved ones, or even write letters to yourself to process thoughts and emotions.
1. Is there a right or wrong way to write a letter? No, write authentically. The most important aspect is expressing yourself honestly and openly.
1. Can letter writing help with grief and loss? Yes, writing letters to deceased loved ones can provide a powerful means of expressing grief and finding closure.
1. Is letter writing suitable for all ages? Yes, letter writing can be adapted to suit different age groups and communication styles.
1. Are there any resources available to help me improve my letter-writing skills? Numerous books and online resources offer guidance on writing techniques and styles.
1. Can letter writing be used in professional settings? Yes, personalized letters can enhance communication and build strong client relationships.

am writing this letter: If You Find This Letter Hannah Brencher, 2016-04-19 A ... memoir of love and faith from Hannah Brencher ... who has dedicated her life to showing total strangers that they are not alone in the world. Fresh out of college, Hannah Brencher moved to New York, expecting her life to look like a scene from Sex and the City. Instead, she found a city full of people who knew where they were going and what they were doing ... Lonely and depressed, she noticed a woman who looked like she felt the same way on the subway. Hannah did something strange--she wrote the woman a letter. She folded it, scribbled 'If you find this letter, it's for you...' on the front and left it behind. When she realized that it made her feel better, she started writing and leaving love notes all over the city ... [eventually sending 400 handwritten letters as a result of an Internet post and starting the website The World Needs More Love Letters]--

am writing this letter: The Great Mental Models, Volume 1 Shane Parrish, Rhiannon Beaubien, 2024-10-15 Discover the essential thinking tools you've been missing with The Great Mental Models series by Shane Parrish, New York Times bestselling author and the mind behind the acclaimed Farnam Street blog and "The Knowledge Project" podcast. This first book in the series is your guide to learning the crucial thinking tools nobody ever taught you. Time and time again, great thinkers such as Charlie Munger and Warren Buffett have credited their success to mental models--representations of how something works that can scale onto other fields. Mastering a small number of mental models enables you to rapidly grasp new information, identify patterns others miss, and avoid the common mistakes that hold people back. The Great Mental Models: Volume 1, General Thinking Concepts shows you how making a few tiny changes in the way you think can deliver big results. Drawing on examples from history, business, art, and science, this book details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making and productivity. This book will teach you how to: Avoid blind spots when looking at problems. Find non-obvious solutions. Anticipate and achieve desired outcomes. Play to your strengths, avoid your weaknesses, ... and more. The Great Mental Models series demystifies once elusive concepts and illuminates rich knowledge that traditional education overlooks. This series is the most comprehensive and accessible guide on using mental models to better understand our world, solve problems, and gain an advantage.

am writing this letter: *The Professor Is In* Karen Kelsky, 2015-08-04 The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site *The Professor Is In*, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right *The Professor Is In* addresses all of these issues, and many more.

am writing this letter: *The Doll House* Phoebe Morgan, 2017-09-14 You never know who's watching... 'Spine-chilling ... makes you realise how little you ever know anyone!' The Sun 'A brilliantly creepy and insightfully written debut. I tore through it' Gillian McAllister 'Unnerving and spine-chilling' Mel Sherratt

am writing this letter: *Dear Me* Joseph Galliano, 2011-10-25 These nuggets of wisdom are offered by an Academy Award-nominated actor (James Woods), a popular comedian (Aasif Mandvi), and a world-famous novelist (Jodi Picoult) to their sixteen-year-old selves. No matter how accomplished and confident they seem today, at sixteen, they were like the rest of us—often unsure, frequently confused, and usually in need of a little reassurance. In *Dear Me*, 75 celebrities, writers, musicians, athletes, and actors have written letters to their younger selves that give words of comfort, warning, humor, and advice. These letters present intimate, moving, and witty insights into some of the world's most intriguing and admired individuals. By turns funny, surprising, raw, and uplifting, this singular collection captures the universal conditions that are youth, life, and growing up.

am writing this letter: *Letters of Note* Shaun Usher, 2021-10-28 *Letters of Note*, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter, *Letters of Note* is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

am writing this letter: *Story Engineering* Larry Brooks, 2011-01-27 What makes a good story or a screenplay great? The vast majority of writers begin the storytelling process with only a partial understanding where to begin. Some labor their entire lives without ever learning that successful stories are as dependent upon good engineering as they are artistry. But the truth is, unless you are master of the form, function and criteria of successful storytelling, sitting down and pounding out a

first draft without planning is an ineffective way to begin. Story Engineering starts with the criteria and the architecture of storytelling, the engineering and design of a story--and uses it as the basis for narrative. The greatest potential of any story is found in the way six specific aspects of storytelling combine and empower each other on the page. When rendered artfully, they become a sum in excess of their parts. You'll learn to wrap your head around the big pictures of storytelling at a professional level through a new approach that shows how to combine these six core competencies which include:

- Four elemental competencies of concept, character, theme, and story structure (plot)
- Two executional competencies of scene construction and writing voice

The true magic of storytelling happens when these six core competencies work together in perfect harmony. And the best part? Anyone can do it!

am writing this letter: More Letters of Note Shaun Usher, 2017-10-05 FOLLOW-UP TO THE PHENOMENAL INTERNATIONAL BESTSELLER INCLUDING LETTERS FROM: Jane Austen, Richard Burton, Helen Keller, Alan Turing, Albus Dumbledore, Eleanor Roosevelt, Henry James, Sylvia Plath, John Lennon, Gerald Durrell, Janis Joplin, Mozart, Janis Joplin, Hunter S. Thompson, C. G. Jung, Katherine Mansfield, Marge Simpson, David Bowie, Dorothy Parker, Buckminster Fuller, Beatrix Potter, Che Guevara, Evelyn Waugh, Charlotte Brontë and many more. Discover Richard Burton's farewell note to Elizabeth Taylor, Helen Keller's letter to The New York Symphony Orchestra about 'hearing' their concert through her fingers, the final missives from a doomed Japan Airlines flight in 1985, David Bowie's response to his first piece of fan mail from America and even Albus Dumbledore writing to a reader applying for the position of Defence Against the Dark Arts Professor at Hogwarts. More Letters of Note is another rich and inspiring collection, which reminds us that much of what matters in our lives finds its way into our letters.

am writing this letter: Dear Teacher Amy Husband, 2010 This hilarious collection of letters from Michael to his new teacher comes packed with alligators, pirates and rocket ships, and much, much more. Can Michael's imagination save him from the first day of school?--Page 4 of cover.

am writing this letter: A Letter to My Mom Lisa Erspamer, 2015-04-07 Including letters from Melissa Rivers, Shania Twain, will.i.am, Christy Turlington, and Kristin Chenoweth Just in time for Mother's Day, the next book in the A Letter to My series (after A Letter to My Dog and A Letter to My Cat) takes on mothers, with celebrities and civilians writing letters of gratitude and admiration to the women who raised them, alongside gorgeous, intimate photos.

am writing this letter: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the

ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

am writing this letter: Letter from Birmingham Jail Martin Luther King, 2025-01-14 A beautiful commemorative edition of Dr. Martin Luther King's essay *Letter from Birmingham Jail*, part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergymen admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. *Letter from Birmingham Jail* proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

am writing this letter: Witness Whittaker Chambers, 2014-12-09 #1 New York Times bestseller for 13 consecutive weeks! As long as humanity speaks of virtue and dreams of freedom, the life and writings of Whittaker Chambers will ennoble and inspire. - PRESIDENT RONALD REAGAN One of the dozen or so indispensable books of the century... - GEORGE F. WILL *Witness* changed my worldview, my philosophical perceptions, and, without exaggeration, my life. - ROBERT D. NOVAK, from his Foreword Chambers has written one of the really significant American autobiographies. When some future Plutarch writes his *American Lives*, he will find in Chambers penetrating and terrible insights into America in the early twentieth century. - ARTHUR SCHLESINGER JR. Chambers had a gift for language....to call Chambers an activist or *Witness* a political event is to say Dostoevsky was a criminologist or *Crime and Punishment* a morality tract. - WASHINGTON POST Chambers was not just the witness against Alger Hiss, but was also one of the articulators of the modern conservative philosophy, a philosophy that has something to do with restoring the spiritual values of politics. - SAM TANENHAUS, author of *Whittaker Chambers* One of the few indispensable autobiographies ever written by an American - and one of the best written, too. - HILTON KRAMER, *The New Criterion* First published in 1952, *Witness* is the true story of Soviet spies in America and the trial that captivated a nation. Part literary effort, part philosophical treatise, this intriguing autobiography recounts the famous Alger Hiss case and reveals much more. Chambers' worldview and his belief that man without mysticism is a monster went on to help make political conservatism a national force. Regnery History's Cold War Classics edition is the most comprehensive version of *Witness* ever published, featuring forewords collected from all previous editions, including discussions from luminaries William F. Buckley Jr., Robert D. Novak, Milton Hindus, and Alfred S. Regnery.

am writing this letter: Letter Writing in Greco-Roman Antiquity Stanley K. Stowers, 1986-01-01 Making use of letters--both formal and personal--that have been preserved through the ages, Stanley Stowers analyzes the cultural setting within which Christianity arose. *The Library of Early Christianity* is a series of eight outstanding books exploring the Jewish and Greco-Roman contexts in which the New Testament developed.

am writing this letter: Email Randy Malamud, 2019-09-19 *Object Lessons* is a series of short, beautifully designed books about the hidden lives of ordinary things. Sometime in the mid-1990s we began, often with some trepidation, to enroll for a service that promised to connect us--electronically and efficiently--to our friends and lovers, our bosses and clients. If it seemed at first like simply a change in scale (our mail would be faster, cheaper, more easily distributed to large groups), we now realize that email entails a more fundamental alteration in our communicative consciousness. Randy Malamud's *Email* is written for anyone who feels their attention and their intelligence--not to mention their eyesight--being sucked away, byte by byte, in a deadening tsunami of ill-composed blather and meaningless internet flotsam. *Object Lessons* is published in partnership with an essay series in *The Atlantic*.

am writing this letter: A Letter to My Teacher Deborah Hopkinson, 2025-04-15 This funny, touching picture book celebrates the difference a good teacher can make. Written as a thank-you note to a special teacher from the student who never forgot her, this moving story makes a great classroom read-aloud, and a perfect back-to-school gift for students and teachers! Dear Teacher, Whenever I had something to tell you, I tugged on your shirt and whispered in your ear. This time I'm writing a letter. So begins this heartfelt picture book about a girl who prefers running and jumping to listening and learning—and the teacher who gently inspires her. From stomping through creeks on a field trip to pretending to choke when called upon to read aloud, this book's young heroine would be a challenge to any teacher. But this teacher isn't just any teacher. By listening carefully and knowing just the right thing to say, she quickly learns that the girl's unruly behavior is due to her struggles with reading. And at the very end, we learn what this former student is now: a teacher herself. From award winning author Deborah Hopkinson and acclaimed illustrator Nancy Carpenter, this picture book is made to be treasured by both those who teach and those who learn.

am writing this letter: Writing Irresistible Kidlit Mary Kole, 2012-12-04 Captivate the hearts and minds of young adult readers! Writing for young adult (YA) and middle grade (MG) audiences isn't just kid's stuff anymore--it's kidlit! The YA and MG book markets are healthier and more robust than ever, and that means the competition is fiercer, too. In *Writing Irresistible Kidlit*, literary agent Mary Kole shares her expertise on writing novels for young adult and middle grade readers and teaches you how to:

- Recognize the differences between middle grade and young adult audiences and how it impacts your writing.
- Tailor your manuscript's tone, length, and content to your readership.
- Avoid common mistakes and cliches that are prevalent in YA and MG fiction, in respect to characters, story ideas, plot structure and more.
- Develop themes and ideas in your novel that will strike emotional chords.

Mary Kole's candid commentary and insightful observations, as well as a collection of book excerpts and personal insights from bestselling authors and editors who specialize in the children's book market, are invaluable tools for your kidlit career. If you want the skills, techniques, and know-how you need to craft memorable stories for teens and tweens, *Writing Irresistible Kidlit* can give them to you.

am writing this letter: Fraulein M. Caroline Woods, 2017 In this multilayered historical novel that explores family secrets and hidden identities, “Woods skillfully captures the disorienting mixture of heady freedom and mounting fear characterizing 1930s Berlin, and the political and gender issues she raises add contemporary relevancy” (*Publishers Weekly*). Berlin, 1931: Sisters raised in a Catholic orphanage, Berni and Grete Metzger are each other's whole world. That is, until life propels them to opposite sides of seedy, splendid, and violent Weimar Berlin. Berni becomes a cigarette girl, a denizen of the cabaret scene alongside her transgender best friend, who is considering a risky gender reassignment surgery. Meanwhile Grete is hired as a maid to a Nazi family, and begins to form a complicated bond with their son. As Germany barrels toward the Third Reich and ruin, one of the sisters must make a devastating choice. South Carolina, 1970: With the recent death of her father, Janeen Moore yearns to know more about her family history, especially the closely guarded story of her mother's youth in Germany. One day she intercepts a letter intended for her mother: a confession written by a German woman, a plea for forgiveness. What role does Janeen's mother play in this story, and why does she seem so distressed by recent news that a former SS officer has resurfaced in America? *Fraulein M.* abounds with hidden identities and family secrets. With its multilayered exploration of family ties, hard choices, and the weight of history in our lives, the novel shines light on a brilliant new voice.

am writing this letter: The Forever Letter Elana Zaiman, 2017-09-08 A forever letter is a gift that will be read over and over again Inspired by the centuries-old Jewish tradition of the ethical will, a forever letter is a perfect way to share your most precious possessions: your values, wisdom, and love with the people who matter to you most. And you don't have to do it alone. Through empowering stories, sample letters, and writing tips, author Elana Zaiman serves as your companion on this journey of self discovery and deepening relationships. Praise: I love this little book because it's about writing real letters, a lost art in our time. Even more important, it's about writing letters

that matter to people who matter to us. What could be better than putting words to paper to tell people who we are and what we are becoming, and what it is that we cherish and value—thanking them for the way they helped point us toward our own North Star?—Parker J. Palmer, author of *Let Your Life Speak* and *A Hidden Wholeness* Elana Zaiman has a mission: She loves connection, deep and personal, and wants others to experience the sweet joy she has lived of shared truth-telling. Her forever letter embodies the passing on of wisdom, humbling experience, dreams, and love from one person to another. It is a beautiful concept that all of us should embrace.—Julie Schwartz Gottman, PhD, co-founder of the Gottman Institute and author of *Ten Principles for Doing Effective Couples Therapy*

am writing this letter: *Sincerely Yours* Nancy Loewen, 2009-01-01 *Sincerely Yours* is a Capstone Press publication.

am writing this letter: *Dear Santa* Rod Campbell, 2013 A letter to Santa starts off a merry chain of gift-wrapping, but nothing is quite right and each time Santa thinks better of his choice. Lift the flaps to unwrap each present and find out what Santa chooses as the perfect present in the end!

am writing this letter: *A Letter from Your Teacher* Shannon Olsen, 2022-03 From the author and illustrator of *Our Class is a Family*, this touching picture book expresses a teacher's sentiments and well wishes on the last day of school. Serving as a follow up to the letter in *A Letter From Your Teacher: On the First Day of School*, it's a read aloud for teachers to bid a special farewell to their students at the end of the school year. Through a letter written from the teacher's point of view, the class is invited to reflect back on memories made, connections formed, and challenges met. The letter expresses how proud their teacher is of them, and how much they will be missed. Students will also leave on that last day knowing that their teacher is cheering them on for all of the exciting things to come in the future. There is a blank space on the last page for teachers to sign their own name, so that students know that the letter in the book is coming straight from them. With its sincere message and inclusive illustrations, *A Letter From Your Teacher: On the Last Day of School* is a valuable addition to any elementary school teacher's classroom library.

am writing this letter: *Every Day The River Changes* Jordan Salama, 2022-11-15 An exhilarating travelogue for a new generation about a journey along Colombia's Magdalena River, exploring life by the banks of a majestic river now at risk, and how a country recovers from conflict. Richly observed. —Liesl Schillinger, *The New York Times Book Review* An American writer of Argentine, Syrian, and Iraqi Jewish descent, Jordan Salama tells the story of the Río Magdalena, nearly one thousand miles long, the heart of Colombia. This is Gabriel García Márquez's territory—rumor has it Macondo was partly inspired by the port town of Mompox—as much as that of the Middle Eastern immigrants who run fabric stores by its banks. Following the river from its source high in the Andes to its mouth on the Caribbean coast, journeying by boat, bus, and improvised motobalinera, Salama writes against stereotype and toward the rich lives of those he meets. Among them are a canoe builder, biologists who study invasive hippos, a Queens transplant managing a failing hotel, a jeweler practicing the art of silver filigree, and a traveling librarian whose donkeys, Alfa and Beto, haul books to rural children. Joy, mourning, and humor come together in this astonishing debut, about a country too often seen as only a site of war, and a tale of lively adventure following a legendary river.

am writing this letter: *The Shadow Children* Margaret Peterson Haddix, 2009-05-05 The first two bestselling *Shadow Children* books from powerhouse writer Margaret Peterson Haddix, together in one volume. Includes *Among the Hidden* and *Among the Impostors*.

am writing this letter: *Last of the Breed* Louis L'Amour, 2005-03-29 "For sheer adventure L'Amour is in top form."—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L'Amour's hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native

Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux.

am writing this letter: *Letterwriting in Renaissance England* Folger Shakespeare Library, Alan Stewart, Heather Wolfe, 2004 Reproduces in full size and transcribes a number of letters from the early sixteenth to the early eighteenth centuries

am writing this letter: *Breathe* Imani Perry, 2019-09-17 2020 Chautauqua Prize Finalist 2020 NAACP Image Award Nominee - Outstanding Literary Work (Nonfiction) Best-of Lists: Best Nonfiction Books of 2019 (Kirkus Reviews) · 25 Can't-Miss Books of 2019 (The Undeclared) Explores the terror, grace, and beauty of coming of age as a Black person in contemporary America and what it means to parent our children in a persistently unjust world. Emotionally raw and deeply reflective, Imani Perry issues an unflinching challenge to society to see Black children as deserving of humanity. She admits fear and frustration for her African American sons in a society that is increasingly racist and at times seems irredeemable. However, as a mother, feminist, writer, and intellectual, Perry offers an unfettered expression of love—finding beauty and possibility in life—and she exhorts her children and their peers to find the courage to chart their own paths and find steady footing and inspiration in Black tradition. Perry draws upon the ideas of figures such as James Baldwin, W. E. B. DuBois, Emily Dickinson, Toni Morrison, Ralph Waldo Emerson, and Ida B. Wells. She shares vulnerabilities and insight from her own life and from encounters in places as varied as the West Side of Chicago; Birmingham, Alabama; and New England prep schools. With original art for the cover by Ekua Holmes, *Breathe* offers a broader meditation on race, gender, and the meaning of a life well lived and is also an unforgettable lesson in Black resistance and resilience.

am writing this letter: *The Reading Zone* Nancie Atwell, Anne Atwell Merkel, 2016-11-16 Provides teachers with a method to help students develop into passionate, life-long readers.

am writing this letter: *Jacob Wonderbar and the Cosmic Space Kapow* Nathan Bransford, 2011-05-12 Out-of-this-world antics in this hysterical middle-grade adventure! Sixth-grader Jacob Wonderbar is a master when it comes to disarming and annihilating substitute teachers. But when he and his best friends, Sarah and Dexter, swap a spaceship for a corn dog, they embark on an outer space adventure. And between breaking the universe with an epic explosion, being kidnapped by a space pirate, and surviving a planet that reeks of burp breath, Jacob and his friends are in way over their heads. Action packed with an added dose of heart, *Jacob Wonderbar and the Cosmic Space Kapow* is sure to captivate middlegrade readers all over the universe.

am writing this letter: *This Is How You Lose the Time War* Amal El-Mohtar, Max Gladstone, 2019-07-16 * HUGO AWARD WINNER: BEST NOVELLA * NEBULA AND LOCUS AWARDS WINNER: BEST NOVELLA * “[An] exquisitely crafted tale...Part epistolary romance, part mind-blowing science fiction adventure, this dazzling story unfolds bit by bit, revealing layers of meaning as it plays with cause and effect, wildly imaginative technologies, and increasingly intricate wordplay...This short novel warrants multiple readings to fully unlock its complexities.” —Publishers Weekly (starred review) From award-winning authors Amal El-Mohtar and Max Gladstone comes an enthralling, romantic novel spanning time and space about two time-traveling rivals who fall in love and must change the past to ensure their future. Among the ashes of a dying world, an agent of the Commandment finds a letter. It reads: Burn before reading. Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, becomes something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean the death of each of them. There’s still a war going on, after all. And someone has to win. That’s how war works, right? Cowritten by two beloved and award-winning sci-fi writers, *This Is How You Lose the Time War* is an epic love story spanning time and space.

am writing this letter: *The Secret Destiny of Pixie Piper* Annabelle Fisher, 2016-05-03 Pixie Piper, an ordinary fifth grader, discovers she is a direct descendant of Mother Goose—and she has the magical ability and poetry power to prove it! A lively and funny twist on a classic character for fans of the Clementine books, Wendy Mass, and Lisa Graff. This is the first of two books about Pixie

Piper, and it features black-and-white spot art throughout. Fifth grader Pixie Piper has always known that she was a little different. She has a wild mop of hair that won't stay put, her best friend is a boy, and to top it all off, she's constantly coming up with rhymes and poems that just seem to pop out of her. Then, when Pixie thinks it can't get any worse, she finds out that she actually is different—she's a descendant of Mother Goose! This surprising and clever novel features family, friendship, poetry, a toilet museum, and just the right amount of magic, as well as a goose, a fox, and a beautiful golden retriever puppy. Rich, multigenerational characters and the real and powerful portrayal of grade-school friendships, with all their ups and downs, distinguish this terrific elementary school story that will appeal to fans of Judy Moody, Clementine, and novels by Wendy Mass and Lisa Graff.

am writing this letter: *The Thank You Letter* Jane Cabrera, 2023

am writing this letter: **The Things They Carried** Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

am writing this letter: *Letters to Amelia* Lindsay Zier-Vogel, 2021-09-07 Grace Porter is reeling from grief after her partner of seven years unexpectedly leaves. Amidst her heartache, the 30 year-old library tech is tasked with reading newly discovered letters that Amelia Earhart wrote to her lover, Gene Vidal. She becomes captivated by the famous pilot who disappeared in 1937. Letter by letter, she understands more about the aviation hero while piecing her own life back together. When Grace discovers she is pregnant, her life becomes more intertwined with the mysterious pilot and Grace begins to write her own letters to Amelia. While navigating her third trimester, amidst new conspiracy theories about Amelia's disappearance, the search for her remains, and the impending publication of her private letters, Grace goes on a pilgrimage of her own. *Letters to Amelia* is a stunning, contemporary epistolary novel from the creator of the internationally acclaimed Love Lettering Project. It underscores the power of reading and writing letters for both connection and self-discovery, and celebrates the unwritten, undocumented parts of our lives. Above all, *Letters to Amelia* is a story of the essential need for connection--and our universal ability to find hope in the face of fear. Praise for *Letters to Amelia*: Brimming over with Lindsay Zier-Vogel's obvious love for the story of Amelia Earhart, *Letters to Amelia* is a wonderful novel about flight and passion, about love-letters and reaching out; a novel about how we never know quite what's coming next, but still keep launching ourselves into the blue tomorrow.--Jon McGregor, author of *Reservoir 13* A tender portrait of heartbreak and a thoughtful ode to new motherhood. *Letters to Amelia* is an endorsement of finding our own ways to heal, and a celebration of that big, messy, wonderful journey of coming into one's own. Charming and beautifully rendered, this is a big-hearted hopeful novel, full of life and love. --Stacey May Fowles, author of *Baseball Life Advice: Loving the Game that Saved Me* When we think of Amelia Earhart, we think enigmatic adventurer and feminist pioneer--and, of course, of her mysterious disappearance. But in *Letters to Amelia*, we meet a different Amelia Earhart, as seen through the eyes of Grace, the novel's protagonist, a young library tech tasked with reading her letters: an Amelia who is funny, charming, joyful, sad, and most of all, full of life. Zier-Vogel writes with uncanny empathy about heartbreak, friendship, motherhood, and the common threads that connect women across time, geography, and even between earth and sky. *Letters to Amelia* is a gorgeous, big-hearted debut that will make you feel like you are flying, and

Zier-Vogel is a writer whose career is about to soar. --Amy Jones, author of *Every Little Piece of Me*
Letters to Amelia invites us to hold our heroines close and to take heart - it is gentle and joyous, full of tenderness, alive and sturdy with hope. --Anne Michaels, author of *Fugitive Pieces* and *The Winter Vault*
