Decoding the Dribble: Mastering the Art of the Basketball Interview

Landing your dream basketball job, whether it's coaching a youth team, securing a sports journalism role, or even bagging an internship with a professional franchise, hinges on more than just your passion for the game. A compelling interview is your slam dunk opportunity to showcase your skills and knowledge. This comprehensive guide equips you with the basketball interview questions you need to ace the interview, along with insightful strategies to answer them effectively. We'll explore both general interview questions and basketball-specific queries, ensuring you're prepared for anything the interviewer throws your way.

Benefits of Mastering Basketball Interview Questions:

Increased Confidence: Preparation eliminates anxiety. Knowing what to expect allows you to showcase your personality and expertise calmly and confidently. This projects professionalism and competence, making a strong first impression.

Highlighting Relevant Skills: Targeted preparation ensures you articulate how your skills and experience directly relate to the job requirements. This demonstrates a clear understanding of the role and your suitability for it.

Improved Interview Performance: Practicing answers helps refine your communication style, ensuring you deliver concise, impactful responses that engage the interviewer. This leads to a more memorable and positive interview experience.

Enhanced Self-Awareness: The process of preparing for interview questions forces you to reflect on your strengths, weaknesses, and experiences. This self-assessment allows for more authentic and genuine responses.

Higher Chance of Success: Thorough preparation significantly increases your chances of securing the job offer. It allows you to present yourself as the ideal candidate, leaving a lasting positive impression on the interviewer.

Section 1: General Interview Questions Adapted for Basketball

General interview questions are ubiquitous, but tailoring your answers to a basketball context demonstrates your passion and understanding.

Example Question: "Tell me about a time you failed."

Weak Answer: "I don't really like to talk about failures."

Strong Answer (Basketball Context): "During my time coaching the U16 team, we lost the regional

finals despite having a very talented squad. Analyzing the situation afterward, I realized my coaching strategy in the second half wasn't adapting to the opponent's change in tactics. I learned the importance of in-game adjustments and proactive strategic planning. Since then, I've focused on implementing more flexible game plans and consistently evaluating opponent strategies."

Other Adaptable Questions:

"Tell me about yourself." (Focus on your basketball journey and relevant skills)

"What are your strengths and weaknesses?" (Relate strengths to basketball-related skills, like leadership, teamwork, or analytical thinking. Frame weaknesses constructively, showing self-awareness and a desire for improvement.)

"Why are you interested in this position?" (Demonstrate knowledge of the team, organization, or role)

"Where do you see yourself in five years?" (Connect your ambitions to growth within the basketball world)

"Why should we hire you?" (Highlight your unique skills and experience that align with the job requirements)

Section 2: Basketball-Specific Interview Questions

These questions delve into your specific knowledge and experience within the basketball world. Preparation is key here.

Example Question: "What's your coaching philosophy?"

Strong Answer: "My coaching philosophy centers on player development both on and off the court. I believe in creating a positive and supportive team environment where players feel empowered to push their limits. My approach emphasizes fundamental skills, tactical awareness, and sportsmanship. I also prioritize building strong player-coach relationships based on trust and open communication."

Other Specific Questions and Sample Answers:

"Describe your experience with different offensive/defensive systems." (Detail your experience with specific plays, strategies, and adapting to different opponent styles. Mention systems like the Princeton Offense, Motion Offense, or various defensive schemes like zone or man-to-man.)

"How do you handle conflict within a team?" (Give examples of resolving disputes, promoting teamwork, and fostering a positive team dynamic. Emphasize conflict resolution skills and building team cohesion.)

"What are some of your favorite basketball drills and why?" (Demonstrate knowledge of effective drills, linking them to specific skills improvement and explain the rationale behind their selection)

"Who are some of your coaching influences and why?" (Highlight coaches whose philosophies you admire, explaining how their approaches have shaped your own coaching style. Mention specific examples of their successful strategies.)

"How do you evaluate player performance?" (Discuss both quantitative (statistics) and qualitative (effort, attitude) measures, emphasizing a holistic approach)

Section 3: Case Studies and Examples

Let's consider a real-world scenario: a candidate interviewing for a college assistant coaching position.

Scenario: The interviewer asks, "Describe a time you had to motivate a struggling player."

Effective Response (incorporating the STAR method - Situation, Task, Action, Result):

Situation: "One of my players, Mark, was consistently underperforming during his sophomore year. He had the talent but lacked confidence, often making crucial mistakes due to self-doubt."
Task: "My task was to help Mark regain his confidence and improve his overall performance on the court."
Action: "I implemented a personalized training plan focusing on his individual strengths. I provided regular positive feedback, highlighting his small victories and focusing less on his mistakes. We also worked on mental conditioning techniques, emphasizing visualization and positive self-talk."
Result: "Mark's performance significantly improved throughout the season. He regained confidence, leading to improved decision-making on the court, a higher scoring average and a more positive team dynamic."

Section 4: Data Visualization: Skill Proficiency Chart

Skill Proficiency Level (1-5, 5 being highest) Example Evidence		
----- ----- -----		
Offensive Strategies	4	Implemented successful motion offense in games
Defensive Systems	5	Experience coaching both man-to-man and zone defenses
Player Development	4	Implemented personalized training plans
Scouting	3	Developed scouting reports for regional opponents
Team Management	4	Successfully managed team conflicts and fostered a positive environment

This chart provides a visual representation of the candidate's skills and offers a structured way to present this information during the interview.

Conclusion

Mastering the art of the basketball interview is a crucial step towards achieving your professional goals within the basketball world. By preparing thoroughly, tailoring your answers, and showcasing your passion for the game, you can confidently navigate the interview process and increase your chances of success. Remember, your knowledge of basketball tactics and your communication skills are equally important. Practice makes perfect!

basketball interview questions: Letters to a Young Athlete Chris Bosh, 2021-06-01 A legendary NBA player shares his remarkable story, infused with hard-earned wisdom about the journey to self-mastery from a life at the highest level of professional sports Chris Bosh, NBA Hall of

Famer, eleven-time All-Star, two-time NBA champion, Olympic gold medalist, and the league's Global Ambassador, had his playing days cut short at their prime by a freak medical condition. His extraordinary career ended "in a doctor's office in the middle of the afternoon." Forced to reckon with moving forward, he found himself looking back over the course he'd taken, to the pinnacle of the NBA and beyond. Reflecting on all he had learned from a long list of basketball legends, from LeBron and Kobe to Pat Riley and Coach K, he saw that his important lessons weren't about basketball so much as the inner game of success—right attitude, right commitment, right flow within a team. Now he shares that journey, giving us a view from the inside of what greatness feels like and what it takes. *Letters to a Young Athlete* offers a proven path for taming your inner voice and making it your ally, through the challenges of failure and success alike.

basketball interview questions: *Above the Rim* Jen Bryant, 2020-10-06 The story of Elgin Baylor, basketball icon and civil rights advocate, from an all-star team Hall-of-famer Elgin Baylor was one of basketball's all-time-greatest players—an innovative athlete, team player, and quiet force for change. One of the first professional African-American players, he inspired others on and off the court. But when traveling for away games, many hotels and restaurants turned Elgin away because he was black. One night, Elgin had enough and staged a one-man protest that captured the attention of the press, the public, and the NBA. *Above the Rim* is a poetic, exquisitely illustrated telling of the life of an underrecognized athlete and a celebration of standing up for what is right.

basketball interview questions: *Don't Put Me In, Coach* Mark Titus, 2013-03-12 An irreverent, hilarious insider's look at big-time NCAA basketball, through the eyes of the nation's most famous benchwarmer and author of the popular blog ClubTrillion.com (3.6m visits!). Mark Titus holds the Ohio State record for career wins, and made it to the 2007 national championship game. You would think Titus would be all over the highlight reels. You'd be wrong. In 2006, Mark Titus arrived on Ohio State's campus as a former high school basketball player who aspired to be an orthopedic surgeon. Somehow, he was added to the elite Buckeye basketball team, given a scholarship, and played alongside seven future NBA players on his way to setting the record for most individual career wins in Ohio State history. Think that's impressive? In four years, he scored a grand total of nine—yes, nine—points. This book will give readers an uncensored and uproarious look inside an elite NCAA basketball program from Titus's unique perspective. In his four years at the end of the bench, Mark founded his wildly popular blog Club Trillion, became a hero to all guys picked last, and even got scouted by the Harlem Globetrotters. Mark Titus is not your average basketball star. This is a wild and completely true story of the most unlikely career in college basketball. A must-read for all fans of March Madness and college sports!

basketball interview questions: *Games of Deception* Andrew Maraniss, 2021-03-02 *Rivaling the nonfiction works of Steve Sheinkin and Daniel James Brown's *The Boys in the Boat*....Even readers who don't appreciate sports will find this story a page-turner. --School Library Connection, starred review *A must for all library collections. --Booklist, starred review Winner of the 2020 AJL Sydney Taylor Honor! From the New York Times bestselling author of *Strong Inside* comes the remarkable true story of the birth of Olympic basketball at the 1936 Summer Games in Hitler's Germany. Perfect for fans of *The Boys in the Boat* and *Unbroken*. On a scorching hot day in July 1936, thousands of people cheered as the U.S. Olympic teams boarded the S.S. *Manhattan*, bound for Berlin. Among the athletes were the 14 players representing the first-ever U.S. Olympic basketball team. As thousands of supporters waved American flags on the docks, it was easy to miss the one courageous man holding a BOYCOTT NAZI GERMANY sign. But it was too late for a boycott now; the ship had already left the harbor. 1936 was a turbulent time in world history. Adolf Hitler had gained power in Germany three years earlier. Jewish people and political opponents of the Nazis were the targets of vicious mistreatment, yet were unaware of the horrors that awaited them in the coming years. But the Olympians on board the S.S. *Manhattan* and other international visitors wouldn't see any signs of trouble in Berlin. Streets were swept, storefronts were painted, and every German citizen greeted them with a smile. Like a movie set, it was all just a facade, meant to distract from the terrible things happening behind the scenes. This is the incredible true story of

basketball, from its invention by James Naismith in Springfield, Massachusetts, in 1891, to the sport's Olympic debut in Berlin and the eclectic mix of people, events and propaganda on both sides of the Atlantic that made it all possible. Includes photos throughout, a Who's-Who of the 1936 Olympics, bibliography, and index. Praise for *Games of Deception*: A 2020 ALA Notable Children's Book! A 2020 CBC Notable Social Studies Book! Maraniss does a great job of blending basketball action with the horror of Hitler's Berlin to bring this fascinating, frightening, you-can't-make-this-stuff-up moment in history to life. -Steve Sheinkin, New York Times bestselling author of *Bomb and Undeclared* I was blown away by *Games of Deception*....It's a fascinating, fast-paced, well-reasoned, and well-written account of the hidden-in-plain-sight horrors and atrocities that underpinned sports, politics, and propaganda in the United States and Germany. This is an important read. -Susan Campbell Bartoletti, Newbery Honor winning author of *Hitler Youth* A richly reported and stylishly told reminder how, when you scratch at a sports story, the real world often lurks just beneath. --Alexander Wolff, New York Times bestselling author of *The Audacity of Hoop: Basketball and the Age of Obama* An insightful, gripping account of basketball and bias. --Kirkus Reviews An exciting and overlooked slice of history. --School Library Journal

basketball interview questions: *The Sports Revolution* Frank Andre Guridy, 2021-03-23 In the 1960s and 1970s, America experienced a sports revolution. New professional sports franchises and leagues were established, new stadiums were built, football and basketball grew in popularity, and the proliferation of television enabled people across the country to support their favorite teams and athletes from the comfort of their homes. At the same time, the civil rights and feminist movements were reshaping the nation, broadening the boundaries of social and political participation. The *Sports Revolution* tells how these forces came together in the Lone Star State. Tracing events from the end of Jim Crow to the 1980s, Frank Guridy chronicles the unlikely alliances that integrated professional and collegiate sports and launched women's tennis. He explores the new forms of inclusion and exclusion that emerged during the era, including the role the Dallas Cowboys Cheerleaders played in defining womanhood in the age of second-wave feminism. Guridy explains how the sexual revolution, desegregation, and changing demographics played out both on and off the field as he recounts how the Washington Senators became the Texas Rangers and how Mexican American fans and their support for the Spurs fostered a revival of professional basketball in San Antonio. Guridy argues that the catalysts for these changes were undone by the same forces of commercialization that set them in motion and reveals that, for better and for worse, Texas was at the center of America's expanding political, economic, and emotional investments in sport.

basketball interview questions: *The Joy of Basketball* Ben Detrick, Andrew Kuo, 2021-11-09

A vibrant, unconventional, highly opinionated guide to the triumphs, joys, struggles, and heartbreaks of the modern era of the game, for every obsessive basketball fan who loves to hate hot takes The Joy of Basketball celebrates the meteoric rise of basketball over the last quarter century by ignoring the bland, traditionalist binary of wins or losses. Instead, the book's focus is on everything else. Using text, charts, and illustrations that upend conventional jock wisdom, the book details the most incredible players in history, draft flops, long-limbed oddballs, superteams, the international talent wave, brawls, scandals, the rapid evolution of contemporary gameplay, coaching, fashion, crime, positional erosion, tragic tales, memes, and the sacred Kardashian Blessing. Bouncing between witty graphics and keen sociopolitical observations, The Joy of Basketball is a subversive sports manifesto camouflaged as a colorful reference book for your coffee table.

basketball interview questions: From Hang Time to Prime Time Pete Croatto, 2020-12-01 Perfect for fans of Moneyball and The Book of Basketball, this vivid, thoroughly entertaining, and well-researched book explores the NBA's surge in popularity in the 1970s and 1980s and its transformation into a global cultural institution. Far beyond simply being a sports league, the NBA has become an entertainment and pop culture juggernaut. From all kinds of team logo merchandise to officially branded video games and players crossing over into reality television, film, fashion lines, and more, there is an inseparable line between sports and entertainment. But only four decades ago, this would have been unthinkable. Featuring writing that leaps off the page with energy and wit, journalist and basketball fan Pete Croatto takes us behind the scenes to the meetings that lead to the monumental American Basketball Association-National Basketball Association merger in 1976, revolutionizing the NBA's image. He pays homage to legendary talents including Julius "Dr. J" Erving, Magic Johnson, and Michael Jordan and reveals how two polar-opposite rookies, Larry Bird and Magic Johnson, led game attendance to skyrocket and racial lines to dissolve. Croatto also dives into CBS's personality-driven coverage of key players, as well as other cable television efforts, which launched NBA players into unprecedented celebrity status. Essential reading whether you're a casual or longtime fan, From Hang Time to Prime Time is an enthralling and entertaining celebration of basketball history.

basketball interview questions: The Last Enforcer Charles Oakley, 2022-02-01 In this "incredible read on some incredible days and nights in the old association" (Adrian Wojnarowski, ESPN senior NBA insider) Charles Oakley—one of the toughest and most loyal players in NBA history—tells his unfiltered stories about his basketball journey and his relationships with Michael Jordan, LeBron James, Charles Barkley, Patrick Ewing, Phil Jackson, Pat Riley, James Dolan, Donald Trump, George Floyd, and many others. If you ask a New York Knicks fan about Charles Oakley, you better prepare to hear the love and a favorite story or two. But his individual stats weren't remarkable, and while he helped power the Knicks to ten consecutive playoffs, he never won a championship. So why does he hold such a special place in the minds, hearts, and memories of NBA players and fans? Because over the course of nineteen years in the league, Oakley was at the center of more unbelievable encounters than Forrest Gump, and nearly as many fights as Mike Tyson. He was the friend you wish you had, and the enemy you wish you'd never made. If any opposing player was crazy enough to start a fight with him, or God forbid one of his teammates, Oakley would end it. "I can't remember every rebound I grabbed but I do have a story—the true story—of just about every punch and slap on my resume," he says. In The Last Enforcer, Oakley shares one incredible story after the next—all in his signature "unflinchingly tough, honest, and ultimately endearing" (Harvey Araton, New York Times bestselling author) style—about his life in the paint and beyond, fighting for rebounds and respect. You'll look back on the era of the 1990s NBA, when tough guys with rugged attitudes, unflinching loyalty, and hard-nosed work ethics were just as important as three-point sharpshooters. You'll feel like you were on the court, in the room, can't believe what you just saw, and need to tell everyone you know about it.

basketball interview questions: We Matter Etan Thomas, 2018-03-06 Interviews with sports

stars, activists, surviving family members, and others fighting racial injustice: “Before Kareem, there was Etan Thomas.”—The New York Times A Library Journal Best Book of the Year Professional athletes have long been influential figures in American life. Today, many of them are using their platforms to speak up about injustice and inequality. This book features interviews by former NBA player Etan Thomas with over fifty athletes, executives, media figures, and more—interwoven with essays and critiques by Thomas. Includes personal stories and opinions from: Kareem Abdul-Jabbar, Bill Russell, Dwyane Wade, Russell Westbrook, Steve Kerr, Oscar Robertson, Mark Cuban, Michael Bennett, Carmelo Anthony, Derrick Rose, Swin Cash, Alonzo Mourning, Chris Webber, Jemele Hill, Anquan Boldin, Jamal Crawford, Juwan Howard, Ray Jackson, Shannon Sharpe, James Blake, John Carlos, Laila Ali, Michael Eric Dyson, Joakim Noah, Eric Reid, Adam Silver, Soledad O'Brien, John Wall, Mahmoud Abdul-Rauf, Bradley Beal, Tamika Catchings, Curtis Conway, Harry Edwards, Chris Hayes, Chamique Holdsworth, Scoop Jackson, Bomani Jones, Shaun King, Jimmy King, Ted Leonsis, Thabo Sefolosha, Ilyasah Shabazz, Torrey Smith, Kenny Smith, Michael Smith, David West, Michael Wilbon, Jahvaris Fulton (brother of Trayvon Martin), Emerald Snipes (daughter of Eric Garner), Allysa Castile (sister of Philando Castile), Valerie Castile (mother of Philando Castile), and Dr. Tiffany Crutcher (sister of Terence Crutcher) “In We Matter, Thomas strives to show the influence professional athletes can have when they join the conversation on race, politics, and civil rights. Thomas conducted 50 interviews, which included Kareem Abdul-Jabbar, Bill Russell, Laila Ali, Michael Bennett, and Eric Reid, among many other athletes, as well as journalists, television personalities, and family members of unarmed black men who were shot and killed. Thomas also explored his ties with the Wizards and spoke with John Wall, Bradley Beal, and current majority team owner Ted Leonsis.”—The Washington Post “The honest conversations, published in transcript form and often accompanied by black-and-white photos, serve as a primer on recent police violence cases, a history lesson on the first athletes who stood up for racial injustice, an examination of the experience of being young and black in the United States, and an insightful look at how it feels to lose a loved one to tragedy, from contributors such as Jemele Hill, Kareem Abdul-Jabbar, and Carmelo Anthony...An important read, executed uniquely.”—School Library Journal (starred review) “Voices of pain, anger, and hope resound through these pages--and through the reader's heart.”—Kirkus Reviews

basketball interview questions: InSideOut Coaching Joe Ehrmann, Gregory Jordan, 2011-08-02 In this inspirational yet practical book, the man Parade called “the most important coach in America,” subject of the national bestseller *Season of Life*, Joe Ehrmann, describes his coaching philosophy and explains how sports can transform lives at every level of play, from the earliest years to professional sports. Coaches have a tremendous platform, says Joe Ehrmann, a former Syracuse University All-American and NFL star. Perhaps second only to parents, coaches can impact young people as no one else can. But most coaches fail to do the teaching, mentoring, even life-saving intervention that their platform provides. Too many are transactional coaches; they focus solely on winning and meeting their personal needs. Some coaches, however, use their platform. They teach the Xs and Os, but also teach the Ys of life. They help young people grow into responsible adults; they leave a lasting legacy. These are the transformational coaches. These coaches change lives, and they also change society by helping to develop healthy men and women. *InSideOut Coaching* explains how to become a transformational coach. Coaches first have to “go inside” and articulate their reasons for coaching. Only those who have taken the *InSideOut* journey can become transformational. Joe Ehrmann provides examples of coaches in his life who took this journey and taught him how to find something bigger than himself in sports. He describes his own *InSideOut* experience, starting with the death of his beloved brother, which helped him understand how sports could transcend the playing field. He gives coaches the information and the tools they need to become transformational. Joe Ehrmann has taken his message about the extraordinary power of sports all over the country. It has been warmly endorsed by NFL head coaches, athletic directors at major universities, high school head coaches, even business groups and community organizations. Now any parent-coach or school or community coach can read Ehrmann's message and learn how to

make sports a life-changing experience.

basketball interview questions: *The Hoops Whisperer* Idan Ravin, 2015-05-05 Basketball's most unlikely—and most sought-after—training guru offers an inside look at his career, his methods, and the all-star players whose games he's helped transform. Where do the best basketball players in the world turn when they want to improve their game? Whom does a future NBA Hall of Famer thank at his press conference when he's named Rookie of the Year? Who is it that Sports Illustrated, The Wall Street Journal, and Men's Journal all call the Hoops Whisperer because of his ability to engage, inspire, and challenge the players he trains? The answer to all of these questions is Idan Ravin. Ravin never played or coached in college or the pros, yet a virtual NBA All-Star team relies on him to better their game and reach their full potential. A soft-spoken former lawyer, Ravin has become professional basketball's hottest trainer. In *The Hoops Whisperer*, Ravin shares the fascinating story of how he transformed a passion for the game into working with iconic basketball stars such as Chris Paul, LeBron James, Kevin Durant, Carmelo Anthony, Stephen Curry, Blake Griffin, James Harden, Dwight Howard, and many more. He offers a rare unguarded glimpse inside the lives of these great athletes, drawn from his intimate connection with them that is the basis of his success. Showcasing his unorthodox drills and improvisational techniques in action, Ravin reveals how faith, effort, dedication, and passion can make a player into a superstar—and anyone into a success. Combined with his own inspiring journey, Ravin's insights make *The Hoops Whisperer* a must-read for anyone who loves the game.

basketball interview questions: *Saving Truth* Abdu Murray, 2018-05-08 How can Christians defend truth and clarity to a world that rejects both? Increasingly, Western culture embraces confusion as a virtue and decries certainty as a sin. Those who are confused about sexuality and

identity are viewed as heroes. Those who are confused about morality are progressive pioneers. Those who are confused about spirituality are praised as tolerant. Conversely, those who express certainty about any of these issues are seen as bigoted, oppressive, arrogant, or intolerant. This cultural phenomenon led the compilers of the Oxford English Dictionary to name post-truth their word of the year in 2016. It's popularity and relevance has only increased since then. By accurately describing the Culture of Confusion and how it has affected our society, author Abdu Murray seeks to awaken Westerners to the plight we find ourselves in. He also challenges Christians to consider how they have played a part in fostering the Culture of Confusion through bad arguments, unwise labeling, and emotional attacks. Ultimately, *Saving Truth* provides arguments from a Christian perspective for the foundations of truth and how those foundations impart clarity to the biggest topics of human existence: Freedom. Human dignity. Sexuality, Gender, and Identity. Science and Faith. Religious pluralism and Morality. For those enmeshed in the culture of confusion, *Saving Truth* offers a way to untangle oneself and find hope in the clarity that Christ offers.

basketball interview questions: *Dragon Hoops* Gene Luen Yang, 2020-03-17 In his latest graphic novel, *Dragon Hoops*, New York Times bestselling author Gene Luen Yang turns the spotlight on his life, his family, and the high school where he teaches. Gene understands stories—comic book stories, in particular. Big action. Bigger thrills. And the hero always wins. But Gene doesn't get sports. As a kid, his friends called him "Stick" and every basketball game he played ended in pain. He lost interest in basketball long ago, but at the high school where he now teaches, it's all anyone can talk about. The men's varsity team, the Dragons, is having a phenomenal season that's been decades in the making. Each victory brings them closer to their ultimate goal: the California State Championships. Once Gene gets to know these young all-stars, he realizes that their story is just as thrilling as anything he's seen on a comic book page. He knows he has to follow this epic to its end. What he doesn't know yet is that this season is not only going to change the Dragons's lives, but his own life as well.

basketball interview questions: *Days of Knight* Kirk Haston, 2016-08-29 "A personal glimpse into how the legendary Indiana basketball coach taught and mentored his team."—Jared Jeffries, former Indiana Hoosier and New York Knick What happens when a 6' 9 kid from Lobelville, Tennessee is recruited by legendary basketball coach Bob Knight? Kirk Haston's life was changed forever with just a two-minute phone call. With previously unknown Knight stories, anecdotes, and choice quotes, Haston gives fans an inside look at the notoriously private man and his no-nonsense coaching style. Which past Hoosier basketball greats returned to talk to and practice with current teams? How did Knight mentally challenge his players in practices? How did the players feel when Knight was fired? In this touching and humorous book, Haston shares these answers and more, including his own Hoosier highs—shooting a famous three-point winning shot against number one ranked Michigan State—and lows—losing his mom in a heartbreaking tornado accident. *Days of Knight* is a book every die-hard IU basketball fan will treasure.

basketball interview questions: *Long Shot* Craig Hodges, Rory Fanning, 2017-01-09 In this memoir, the Chicago Bulls basketball star details his life on the court as an athlete and off the court as an activist. As a member of the 1992 world-champion Chicago Bulls, a dashiki-clad Hodges delivered a handwritten letter to President George H. W. Bush demanding that he do more to address racism and economic inequality. Hodges was also a vocal union activist, initiated a boycott against Nike, and spoke out forcefully against police brutality in the wake of the Rodney King beating. But his outspokenness cost him dearly. In the prime of his career, after ten NBA seasons, Hodges was blackballed from the NBA for using his platform as a professional athlete to stand up for justice. In this powerful, passionate, and captivating memoir, Hodges shares the stories—including encounters with Nelson Mandela, Coretta Scott King, Jim Brown, R. Kelly, Michael Jordan, and others—from his lifelong fight for equality for Black Americans. Praise for *Long Shot* "A skillfully

told, affecting memoir of sports and social activism.” —Kirkus Reviews “Hodges has told his compelling life story with fiery passion, looping around a cast of characters stretching from Jordan, Magic Johnson and Phil Jackson back to Muhammad Ali, Arthur Ashe and Kareem Abdul-Jabbar, before returning to the present.” —Guardian “Craig Hodges is someone I looked up to as a child & now as an adult . . . I read Long Shot in like two hours, I couldn’t stop turning pages. There are so many hooks in it.” —Jesse Williams, actor, producer, director, activist “A beautifully written, brutally honest book. If you loved the Michael Jordan-era Chicago Bulls, if you love black history, or if you are fascinated by the politics of sports, I highly recommend this book. Simply put: Craig Hodges’ life is incredible and Long Shot is invaluable.” —AETHLON: The Journal of Sport Literature

basketball interview questions: The Mask of Masculinity Lewis Howes, 2017-10-31 ‘This is one of the most important topics today that seemingly no one is talking about: how men can take care of their emotional health in a 21st century that demands it. Crucial reading for any young or struggling man.’ - Mark Manson, #1 New York Times bestselling author of *The Subtle Art of Not Giving a F*ck* At 30 years old, Lewis Howes was outwardly thriving but unfulfilled inside. He was a successful athlete and businessman, achieving goals beyond his wildest dreams, but he felt empty, angry, frustrated, and always chasing something that was never enough. His whole identity had been built on misguided beliefs about what masculinity was. Howes began a personal journey to find inner peace and to uncover the many masks that men – young and old – wear. In *The Mask of Masculinity*, Howes exposes: · The ultimate emptiness of the Material Mask, the man who chases wealth above all things; · The cowering vulnerability that hides behind the Joker and Stoic Masks of men who never show real emotion; and · The destructiveness of the Invincible and Aggressive Masks worn by men who take insane risks or can never back down from a fight. He teaches men how to break through the walls that hold them back and shows women how they can better understand the men in their lives. It's not easy, but if you want to love, be loved and live a great life, then it's an odyssey of self-discovery that all modern men must make. This book is a must-read for every man – and for every woman who loves a man.

basketball interview questions: *The Promises of Giants* John Amaechi, 2021-11-16 THE MOST UNLIKELY OF PEOPLE, IN THE MOST IMPROBABLE OF CIRCUMSTANCES, CAN BECOME EXTRAORDINARY. WE NEED MORE LEADERS. From socio-political chaos and workplace disruption to the climate change crisis, we have never needed people with the skill and will to collaborate to create a better world more than now. We need people who are willing to fill the leadership void. People who will embrace the influence they have. People who believe in improving society and workplace culture - not only because it makes life better, but because it is proven to yield positive results. *The Promises of Giants* is a challenge to anyone who aspires to make a difference in their environment. Over fourteen promises, it seamlessly intertwines personal anecdotes and workplace and social observation with the latest research, to provide practical, proven tips and strategies to empower you to maximize your own potential and inspire others. It is not a self-help book. It is a how-to guide for winning, rooted in the belief that the most unlikely of people, in the most improbable of circumstances, can become extraordinary. John Amaechi well understands the responsibilities and potential that come with being a giant. *The Promises of Giants* is the product of a lifetime spent observing and studying effective leadership - from accompanying his mother's visits to her dying patients to competing at the highest levels of professional sport, through two decades of management consulting with multinational corporations. These experiences have shown that everyone has the ability to act decisively to influence the world in a positive way. Everyone is a giant to someone.

basketball interview questions: Black Profiles in Courage Kareem Abdul-Jabbar, Alan Steinberg, 2000 In this ideal introduction to black history, Kareem Abdul-Jabbar examines the lives of heroic African Americans and offers their stories as inspiring examples for young people, who too rarely encounter positive black role models in history books or in the media. Profiled here are Peter Salem, the volunteer soldier who turned the tide at Bunker Hill; Joseph Cinque, leader of a daring revolt on the slave ship *Amistad*; Frederick Douglass, self-taught writer-orator and escaped slave who forced President Lincoln to issue the Emancipation Proclamation years ahead of schedule; Harriet Tubman, who led at least three hundred slaves to freedom; Lewis Latimer, whose scientific work was integral to the achievements of Bell and Edison; and many more. Shining a bright light on the touchstones of character, these exemplary stories reemphasize the integral role of African Americans in weaving the fabric of our nation and form an empowering legacy from which Americans of all ages can draw inspiration, wisdom, and pride.

basketball interview questions: Canyon Dreams Michael Powell, 2019-11-19 The inspiration for the Netflix film *Rez Ball*—produced by LeBron James The moving story of a Navajo high school basketball team, its members struggling with the everyday challenges of high school, adolescence, and family, and the great and unique obstacles facing Native Americans living on reservations. Deep in the heart of northern Arizona, in a small and isolated patch of the vast 17.5-million-acre Navajo reservation, sits Chinle High School. Here, basketball is passion, passed from grandparent to parent to child. *Rez Ball* is a sport for winters where dark and cold descend fast and there is little else to do but roam mesa tops, work, and wonder what the future holds. The town has 4,500 residents and the high school arena seats 7,000. Fans drive thirty, fifty, even eighty miles to see the fast-paced and highly competitive matchups that are more than just games to players and fans. Celebrated Times journalist Michael Powell brings us a narrative of triumph and hardship, a moving story about a basketball team on a Navajo reservation that shows how important sports can be to youths in struggling communities, and the transcendent magic and painful realities that confront Native Americans living on reservations. This book details his season-long immersion in the team, town, and culture, in which there were exhilarating wins, crushing losses, and conversations on long bus rides across the desert about dreams of leaving home and the fear of the same.

basketball interview questions: The Avant-Guards Vol. 1 Carly Usdin, 2019-09-11 As a transfer student to the Georgia O’Keeffe College for Arts and Subtle Dramatics, former sports star Charlie is struggling to find her classes, her dorm, and her place amongst a student body full of artists who seem to know exactly where they’re going. When the school’s barely-a-basketball-team unexpectedly attempts to recruit her, Charlie’s adamant that she’s left that life behind...until she’s won over by the charming team captain, Liv, and the ragtag crew she’s managed to assemble. And while Charlie may have left the cut-throat world of competitive basketball in the dust, sinking these hoops may be exactly what she needs to find the person she truly wants to be. From Carly Usdin, the writer behind the hit series *Heavy Vinyl*, and artist Noah Hayes (*Wet Hot American Summer*) comes an ensemble comedy series that understands that it’s the person you are off the court that matters most. Collects *The Avant-Guards* issues #1-4.

basketball interview questions: Basketball Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2019-10-15 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game’s ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a Canadian invention that took over America, and the world. Of a supposed “white man’s sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe,

Lebron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

basketball interview questions: *Becoming Whole* Brian Fikkert, Kelly M. Kopic, 2019-03-05 Western Civilization is wealthier, but it isn't happier. We are the richest people ever to walk the face of the earth, but according to research, we aren't becoming happier. Families and communities are increasingly fragmented, loneliness is skyrocketing, and physical and mental health are on the decline. Our unprecedented wealth doesn't seem to be doing us much good. Yet, when we try to help poor people at home or abroad, our implicit assumption is that the goal is to help them to become like us. If they would just do things our way, they'd be fine! But even when they seem to pursue our path, they too find that the American Dream doesn't work for them. What if we have the wrong idea altogether? What if the molds we are using to help poor people don't actually fit any of us? What if the goal isn't to turn other countries into the United States or to turn America's impoverished communities into its affluent suburbs? In *Becoming Whole* (building on the best-selling *When Helping Hurts*), Brian Fikkert and Kelly M. Kopic look at the true sources of brokenness and poverty and uncover the surprising pathways to human flourishing, for poor and non-poor alike. Exposing the misconceptions of both Western Civilization and the Western church about the nature of God, human beings, and the world, they redefine success and offer new ways of achieving that success. Through biblical insights, scientific research, and practical experience, they show you how the good news of the kingdom of God reshapes our lives and our poverty alleviation ministries, moving everybody involved towards wholeness.

basketball interview questions: When Basketball Was Jewish Douglas Stark, 2017-09-01 In the 2015-16 NBA season, the Jewish presence in the league was largely confined to Adam Silver, the commissioner; David Blatt, the coach of the Cleveland Cavaliers; and Omri Casspi, a player for the Sacramento Kings. Basketball, however, was once referred to as a Jewish sport. Shortly after the game was invented at the end of the nineteenth century, it spread throughout the country and became particularly popular among Jewish immigrant children in northeastern cities because it could easily be played in an urban setting. Many of basketball's early stars were Jewish, including Shikey Gotthoffer, Sonny Hertzberg, Nat Holman, Red Klotz, Dolph Schayes, Moe Spahn, and Max Zaslofsky. In this oral history collection, Douglas Stark chronicles Jewish basketball throughout the twentieth century, focusing on 1900 to 1960. As told by the prominent voices of twenty people who

played, coached, and refereed it, these conversations shed light on what it means to be a Jew and on how the game evolved from its humble origins to the sport enjoyed worldwide by billions of fans today. The game's development, changes in style, rise in popularity, and national emergence after World War II are narrated by men reliving their youth, when basketball was a game they played for the love of it. When *Basketball Was Jewish* reveals, as no previous book has, the evolving role of Jews in basketball and illuminates their contributions to American Jewish history as well as basketball history.

basketball interview questions: *Hoops* Walter Dean Myers, 2014-07-29 An ALA-YALSA Best Book for Young Adults New Bonus Content: -Q&A with Walter Dean Myers -Q&A with screenwriter John Ballard -Teaser chapter from *On a Clear Day* -Excerpt from *145th Street* All eyes are on seventeen-year-old Lonnie Jackson while he practices with his team for a city-wide basketball Tournament of Champions. His coach, Cal, knows Lonnie has what it takes to be a pro basketball player, but warns him about giving in to the pressure. Cal knows because he, too, once had the chance—but sold out. As the tournament nears, Lonnie learns that some heavy bettors want Cal to keep him on the bench so that the team will lose the championship. As the last seconds of the game tick away, Lonnie and Cal must make a decision. Are they willing to blow the chance of a lifetime?

basketball interview questions: *I Would Die 4 U* Touré, 2019-10-15 An expansive and insightful exploration of one of the most iconic and electrifying artists ever, this book reveals the stunning, multi-generational influence and appeal of Prince and his revered music—from celebrated journalist, author, and host of the popular podcast *The Touré Show*. Infused with Touré's unique pop-culture fluency, *I Would Die 4 U* is as passionate and radical as its subject matter. Building on his lifelong admiration for Prince's oeuvre and interviews with those closest to the late artist, including band members, his tour manager, and music and Bible scholars, Touré deconstructs the life and work of the enigmatic icon who has been both a reflective mirror of and inspirational force for America. By defying traditional categories of race, gender, and sexuality, but also presenting a very conventional conception of religion and God, Prince was a man of profound contradictions. He spoke in the language of 60s pop and soul to a generation fearing Cold War apocalypse and the crack and AIDS epidemic, while simultaneously being both an MTV megastar and a religious evangelist. He creatively blended his songs with images of sex and profanity to invite us into a musical conversation about the healing power of God and religion. By demystifying Prince as a man, an artist, and a cultural force, *I Would Die 4 U* shows us how he impacted and defined a generation.

basketball interview questions: *The Basketball Diaries* Jim Carroll, 1987-07-07 The urban classic coming-of-age story about sex, drugs, and basketball Jim Carroll grew up to become a renowned poet and punk rocker. But in this memoir of the mid-1960s, set during his coming-of-age from 12 to 15, he was a rebellious teenager making a place and a name for himself on the unforgiving streets of New York City. During these years, he chronicled his experiences, and the result is a diary of unparalleled candor that conveys his alternately hilarious and terrifying teenage existence. Here is Carroll prowling New York City--playing basketball, hustling, stealing, getting high, getting hooked, and searching for something pure. *The Basketball Diaries* was the basis for the film of the same name starring Leonardo DiCaprio. I met him in 1970, and already he was pretty much universally recognized as the best poet of his generation. . . . The work was sophisticated and elegant. He had beauty. -- Patti Smith

basketball interview questions: *Warrior of the Wild* Tricia Levenseller, 2019-02-26 An eighteen-year-old chieftain's daughter must find a way to kill her village's oppressive deity if she ever wants to return home in *Warrior of the Wild*, the Viking-inspired YA standalone fantasy from Tricia Levenseller, author of *Daughter of the Pirate King*. How do you kill a god? As her father's chosen heir, eighteen-year-old Rasmira has trained her whole life to become a warrior and lead her village. But when her coming-of-age trial is sabotaged and she fails the test, her father banishes her to the monster-filled wilderness with an impossible quest: To win back her honor, she must kill the oppressive god who claims tribute from the villages each year or die trying.
