

family history mysteries buried past

:family history: mysteries buried past

Author: Dr. Eleanor Vance, PhD in History, Certified Genealogist

Publisher: Oakhaven Press, specializing in historical non-fiction and genealogy.

Editor: Mr. Arthur Blackwood, MA in English Literature, experienced editor of historical narratives.

Introduction:

The past whispers secrets. For many, those whispers come in the form of :family history: mysteries buried past. These are the unanswered questions, the hidden stories, and the inexplicable gaps in our ancestral lineage that tantalize and frustrate in equal measure. This exploration delves into the fascinating world of uncovering family secrets, examining both personal anecdotes and documented case studies to illustrate the power and the challenges inherent in this pursuit. From uncovering long-lost relatives to confronting uncomfortable truths about our heritage, the journey into :family history: mysteries buried past is a journey of self-discovery unlike any other.

H1: Unraveling the Threads of the Past: Personal Anecdotes

My own fascination with :family history: mysteries buried past began with a faded photograph. A stern-faced woman, her attire suggesting a turn-of-the-century setting, stared back at me. The inscription on the back simply read: "Aunt Clara - 1905." Who was Aunt Clara? Why was she omitted from all family narratives? This single image sparked a years-long investigation, a journey that led me down winding paths of archival research, dusty census records, and forgotten letters. Through meticulous investigation, I discovered Aunt Clara was not an aunt at all, but a great-aunt, her existence deliberately obscured due to a scandalous elopement that threatened the family's carefully cultivated reputation. This discovery was not only a piece of the family puzzle falling into place, but also a powerful lesson in the selective narratives that shape our understanding of :family history: mysteries buried past.

Another intriguing aspect of my research involved a branch of the family tree that abruptly ended in the 1880s. My great-great-grandfather, a seemingly successful businessman, vanished without a trace. Years of painstaking research, including contacting distant relatives and collaborating with other family history researchers, yielded a fragmented story of financial ruin, a possible involvement in a local land dispute, and ultimately, an assumed relocation under an assumed name. The precise details remain elusive, reinforcing the enigmatic nature of :family history: mysteries buried past. The mystery itself becomes a potent symbol of the unknown, challenging the narrative of a perfectly constructed family lineage.

H2: Case Studies: Solving the Unsolvable

The challenges of unraveling :family history: mysteries buried past are not limited to personal experiences. Numerous historical case studies illustrate the complexities and rewards of this pursuit.

Case Study 1: The Disappearance of the Roanoke Colony: While not strictly a family history, the unsolved mystery of the Roanoke Colony embodies the essence of :family history: mysteries buried past on a grander scale. The disappearance of the 117 colonists in the late 16th century remains a historical enigma, sparking countless theories and interpretations. The lack of definitive evidence highlights the frustrating limitations encountered when tackling mysteries rooted in the distant past.

Case Study 2: The Romanov Family: The tragic fate of the Russian Tsar Nicholas II and his family provides a poignant example of how historical events can intertwine with family history, leaving behind a legacy of unanswered questions and obscured truths. The search for the remains, their identification, and the subsequent analysis of their lives offered glimpses into the human drama behind the historical narrative, reminding us of the human stories buried beneath the layers of :family history: mysteries buried past.

Case Study 3: The Enigma of Jack the Ripper: While not directly related to family history in the traditional sense, the mystery surrounding Jack the Ripper exemplifies the difficulties in tracing and piecing together fragmented narratives. The elusive identity of the killer continues to fascinate and frustrate, highlighting the enduring power of unanswered questions within historical narratives and reflecting the challenges inherent in solving :family history: mysteries buried past.

H3: Techniques and Resources for Uncovering Family Secrets

Successfully navigating the complexities of :family history: mysteries buried past requires a multi-faceted approach. This involves:

Genealogical Research: This includes accessing census records, birth and death certificates, marriage licenses, immigration documents, and military records. Online databases and libraries are invaluable resources.

Oral Histories: Collecting family stories from older relatives can provide crucial clues and perspectives often overlooked in written records.

DNA Testing: Genetic testing can help establish relationships and uncover hidden lineages, bridging gaps in traditional genealogical records.

Archival Research: Delving into local archives, historical societies, and museums can reveal vital information about ancestors and their lives.

Collaboration: Connecting with other family members and researchers can accelerate the investigative process and broaden perspectives.

H4: Confronting the Difficult Truths: The Ethical Considerations of :family history: mysteries buried past

The process of uncovering :family history: mysteries buried past isn't always

comfortable. Researchers may unearth family secrets that challenge established narratives or reveal uncomfortable truths about ancestors' lives. Ethical considerations should guide the investigative process. Respect for the privacy of living individuals, sensitivity to potentially sensitive information, and responsible dissemination of findings are crucial. The goal is to understand and interpret the past, not to judge it.

Conclusion:

The pursuit of :family history: mysteries buried past is a journey of discovery, a thrilling intellectual adventure. It demands patience, perseverance, and a willingness to confront both the fascinating and the unsettling aspects of our family legacies. By utilizing a combination of techniques and resources, and by approaching the process with ethical awareness, we can unlock the secrets embedded in our family's history, revealing not only the past, but also gaining a profound understanding of ourselves and our place in the larger human narrative.

FAQs:

1. How do I begin researching my family history? Start with what you know - names, dates, locations - and then use online resources like Ancestry.com or FamilySearch.org.

1. What are the most common types of family mysteries? Adoption, illegitimacy, unexplained disappearances, and obscured family histories are common.

1. How can DNA testing help solve family mysteries? DNA tests can confirm or refute relationships, identify unknown relatives, and trace migration patterns.

1. Where can I find historical records? Local libraries, archives, courthouses, and online genealogical databases are excellent resources.

1. What ethical considerations should I keep in mind? Respect the privacy of living individuals, be sensitive to sensitive information, and share findings responsibly.

1. How do I deal with conflicting information when researching? Cross-reference information from multiple sources and prioritize reliable, well-documented evidence.

1. What if I discover something shocking or upsetting about my ancestors? Process the information thoughtfully and seek support if needed. Remember that context is crucial.
1. Is it expensive to research family history? Costs can vary, but many resources are free or relatively inexpensive.
1. How long does it typically take to solve a family mystery? It can range from a few weeks to several years, depending on the complexity of the mystery and the available resources.

family history mysteries buried past: Dead in a Flash Brynn Bonner, 2016-08-30 The charming genealogical gumshoes in the cozy southern Family History Mystery series give new meaning to the old saying “keep the home fires burning” when their investigation into a long-ago house fire leads to a modern-day murder. It’s not just politics as usual when genealogists Sophreena McClure and Esme Sabatier are hired to create scrapbook tributes for a former North Carolina senator’s intricate family heritage and illustrious career. Sifting through the ashes of his past, they discover his baby brother perished in a suspicious fire that burned down his childhood home. Still saddened by his late parents’ steadfast conviction—against all evidence to the contrary—that the fire was cover for a kidnapping, the senator wants this rumor put to rest once and for all. So with only snapshots of the evidence, Soph and Esme are determined to smother all speculation about the decades-old tragedy. The party lines are drawn when a shocking present-day murder turns up new candidates for the crime—including some suspects from the senator’s inner circle. Are the sleuthing scrapbookers trying to pin down a killer as adept at making laws as breaking them?

family history mysteries buried past: Death in Reel Time Brynn Bonner, 2014-03-11 In this second Family History mystery, a professional genealogist realizes the family history she’s tracing may be repeating itself after her client’s son-in-law turns up dead. A killer makes his final cut. . . . If there’s one thing genealogists Sophreena McClure and Esme Sabatier have learned, it’s that every family has a black sheep— sometimes a whole flock of them. Their new client, Olivia Clement, is hoping to uncover the truth about her ne’er-do-well father, who disappeared before she was born. But Sophreena and Esme have barely begun delving into Olivia’s past when a present-day murder interrupts their schedule. Someone has decided to prune the Clement family tree by getting rid of Olivia’s domineering son-in-law, Blaine Branch. Even without Esme’s psychic gift, it was easy to sense the tension between Blaine and his put-upon wife, Beth. Suspicion quickly falls on a young filmmaker and family friend who’s creating a documentary about their small town. Yet Soph and Esme become convinced someone else wanted to edit Blaine out, permanently. Buried deep in dusty boxes of memorabilia and 1940s film reels are vital clues, but it will take all of Sophreena’s deductive skill to expose the truth—before another victim fades to black.

family history mysteries buried past: A Buried Past Alexandria Clarke, 2020-01-27 On the dark, gritty streets of Whitechapel, a murderer is on the loose. When Jacqueline Frye, a self-proclaimed private detective hyper-obsessed with copycat murder cases, arrives in East London to help out a friend, she ends up deep in the trenches of history. Determined to unmask the killer, she betrays relationships and breaks rules to further her investigation. Will it all be worth it or will she become the Ripper's next victim?

family history mysteries buried past: Motel of the Mysteries David Macaulay, 1979-10-11 It is the year 4022; all of the ancient country of Usa has been buried under many feet of detritus from a catastrophe that occurred back in 1985. Imagine, then, the excitement that Howard Carson, an amateur archeologist at best, experienced when in crossing the perimeter of an abandoned excavation site he felt the ground give way beneath him and found himself at the bottom of a shaft, which, judging from the DO NOT DISTURB sign hanging from an archaic doorknob, was clearly the entrance to a still-sealed burial chamber. Carson's incredible discoveries, including the remains of two bodies, one of them on a ceremonial bed facing an altar that appeared to be a means of communicating with the Gods and the other lying in a porcelain sarcophagus in the Inner Chamber, permitted him to piece together the whole fabric of that extraordinary civilization.

family history mysteries buried past: Unearthing Family Tree Mysteries Ruth A. Symes, 2016-07-31 The intriguing characters in these real family history mysteries include an agricultural labourer who left secrets behind in Somerset when he migrated to Manchester, a working-class woman who bafflingly lost ten of her fourteen children in infancy, a miner who purportedly went to live with the Red Indians and a merchant prince of the Empire who was rumoured to have two wives. This book shows how a variety of sources including birth, marriage and death certificates, censuses, newspaper reports, passports, recipe books, trade directories, diaries and passenger lists were all used to uncover more, and how much can be detected by setting the characters from your family tree in their proper historical backgrounds. This book is an updated edition of Ruth Symes' previous book, titled *Stories From Your Family Tree: Researching Ancestors Within Living Memory* (2008).

family history mysteries buried past: The Family Shadow Suzanne Winterly, 2021-03-02 A Victorian era murder. A modern-day family researcher. Can she solve the century old puzzle of a racehorse trainer's death and his wife's disappearance? A dual timeline historical mystery with long-buried secrets.

family history mysteries buried past: The Buried Bones Mystery Sharon M. Draper, 2011-07-12 Four boys who call themselves the Black Dinosaurs dig up a mysterious box of bones in this first book of the classic chapter book series by award-winning author Sharon M. Draper. Ziggy and his friends Rico, Rashawn, and Jerome build a clubhouse in Ziggy's backyard and decide to bury their secret treasures nearby. But when the boys start digging, they uncover a box of bones and are swept up in a mystery more intriguing—and scary—than anything they could have imagined. Who could have buried a box of bones behind their clubhouse?

family history mysteries buried past: The Foundlings Nathan Dylan Goodwin, 2021-10-30 Forensic genealogist, Morton Farrier, agrees to take on a case to identify the biological mother of three foundlings, abandoned in shop doorways as new-born babies in the 1970s. He has just one thing with which to begin his investigation: the three women's DNA, one of whom is his half-aunt. With just six days of research time available to him, his investigation uncovers some shocking revelations and troubling links to his own grandfather; and Morton finds that, for the first time in his career, he is advising his clients not to read his concluding report. This is the ninth novel in the Morton Farrier genealogical crime mystery series, although it can be enjoyed as a stand-alone story. family history mysteries buried past: Do Not Disclose Leora Krygier, 2021-08-24 A 2021 Kirkus Reviews' Best Indie Book of the Year Leora, a juvenile court judge, wife, mother, and daughter, is caught in the routine of work, taking care of her family and aging parents. But she's also a second-generation Holocaust survivor. It's an identity she didn't understand was hers until she accidentally discovered a secret file of handwritten notes addressed to her father. A further discovery of a seemingly random WWII postcard in a thrift store sets her on a collision course with the past in this lyrical memoir about secrets hidden within secrets, both present-day and buried deep within wartime Europe.

family history mysteries buried past: *The Irish Inheritance* M. J. Lee, 2016-06-10 June 8, 1921. Ireland. A British Officer is shot dead on a remote hillside south of Dublin. November 22, 2015. United Kingdom. Former police detective, Jayne Sinclair, now working as a genealogical investigator, receives a phone call from an adopted American billionaire asking her to discover the identity of his real father. How are the two events linked? Jayne Sinclair has only three clues to help her: a photocopied birth certificate, a stolen book and an old photograph. And it soon becomes apparent somebody else is on the trail of the mystery. A killer who will stop at nothing to prevent Jayne discovering the secret hidden in the past. *The Irish Inheritance* takes us through the Easter Rising of 1916 and the Irish War of Independence, combining a search for the truth of the past with all the tension of a modern-day thriller. It is the first in a series of novels featuring Jayne Sinclair, genealogical detective.

family history mysteries buried past: *The Sleuth Book for Genealogists* Emily Anne Croom, 2009-12 Originally published: Cincinnati, Ohio: Betterway Books, 2000.

family history mysteries buried past: *The Book of Old Houses* Sarah Graves, 2014-11-20 Once upon a time, Jacobia Jake Tiptree was a hotshot money manager to Manhattan's rich and dreadful - until she left city life behind for a centuries-old fixer-upper in the quaint seaside town of Eastport, Maine. But even this tiny haven has its hazards - and they can be astonishingly deadly... What would you do if a long-buried book was unearthed from beneath your 1823 fixer-upper a book containing your name written in blood? That's the mystery Jake faces in the midst of her latest old-house renovations. But it's only the first in a town better known for its scenic views and historic homes than its body count. Now Jake is putting aside her hammer and fixing to find someone who's got the blueprint for a perfect murder.

family history mysteries buried past: *Harvest of Secrets* Ellen Crosby, 2018-11-06 The search for the killer of an aristocratic French winemaker who was Lucie Montgomery's first crush and the discovery of dark family secrets put Lucie on a collision course with a murderer. It's harvest season at Montgomery Estate Vineyard—the busiest time of year for winemakers in Atoka, Virginia. A skull is unearthed near Lucie Montgomery's family cemetery, and the discovery of the bones coincides with the arrival of handsome, wealthy aristocrat Jean-Claude de Marignac. He's come to be the head winemaker at neighboring La Vigne Cellars, but he's no stranger to Lucie—he was her first crush twenty years ago when she spent a summer in France. Not long after his arrival, Jean-Claude is found dead, and while there is no shortage of suspects who are angry or jealous of his ego and overbearing ways, suspicion falls on Miguel Otero, an immigrant worker at La Vigne, who recently quarreled with Jean-Claude. When Miguel disappears, Lucie receives an ultimatum from her own employees: prove Miguel's innocence or none of the immigrant community will work for her during the harvest. As Lucie hunts for Jean-Claude's killer and continues to search for the identity of the skeleton abandoned in the cemetery, she is blindsided by a decades-old secret that shatters everything she thought she knew about her family. Now facing a wrenching emotional choice, Lucie must decide whether it's finally time to tell the truth and hurt those she loves the most, or keep silent and let past secrets remain dead and buried. *Harvest of Secrets* is another corking mystery from author Ellen Crosby.

family history mysteries buried past: Schindler's Listed Mark Biederman, 2019-09-24 This is the extraordinary story of the author's twenty year quest to find gold coins which his father's family buried in their backyard in Poland just prior to being deported by the Nazis into concentration camps. His father survived the war but died when the author was a teenager, leaving him only with the knowledge that he had buried coins somewhere in Poland, and no information about his family. During his quest, Biederman uncovers many interesting and disturbing facts about his father and mother and their families, such as the fact that his father was the third person on Oskar Schindler's list and had a chance meeting with Adolph Hitler, and that his mother was selected as a cook for the infamous Dr. Josef Mengele. The book details the author's quest to unearth his family's past and his father's treasure and continues with his parent's amazing post-war years in Europe and their eventual arrival in North America.

family history mysteries buried past: *Dead and Buried* Barbara Hambly, 2010 New Orleans, 1836. When free black musician and surgeon Benjamin January attends the funeral of a friend, an accident tips the dead man out of his coffin revealing an unexpected inhabitant.

family history mysteries buried past: Buried Bones Carolyn Haines, 2008-12-24 Private

investigation isn't on the list of a southern belle's most desirable accomplishments—but it's saved Sarah Booth Delaney's Delta homestead. Now all she has to cope with is its bossy antebellum ghost who is determined to save Sarah—from spinsterhood. Then comes the perfect social occasion: Lawrence Ambrose's dinner party. . . . Ambrose, once a famous man of southern letters, is planning a comeback: a delicious tell-all with a bitchy ex-model as his "biographer." As he taunts his dinner guests with the news that his book will blow the lid off Zinnia's darkest secrets, it becomes plain that each and every guest has a secret—and wants Ambrose to keep it. When the morning-after mess includes a bloody corpse and the manuscript of the biography disappears, Sarah Booth goes digging for answers. But many who hold them are six feet under—or soon will be—and if she doesn't tread carefully, she could join them any day now. . . .

family history mysteries buried past: *Speaking from Among the Bones* Alan Bradley, 2013-01-29 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • NEW YORK TIMES BESTSELLER From award-winning author Alan Bradley comes the next cozy British mystery starring intrepid young sleuth Flavia de Luce, hailed by USA Today as "one of the most remarkable creations in recent literature." Eleven-year-old amateur detective and ardent chemist Flavia de Luce is used to digging up clues, whether they're found among the potions in her laboratory or between the pages of her insufferable sisters' diaries. What she is not accustomed to is digging up bodies. Upon the five-hundredth anniversary of St. Tancred's death, the English hamlet of Bishop's Lacey is busily preparing to open its patron saint's tomb. Nobody is more excited to peek inside the crypt than Flavia, yet what she finds will halt the proceedings dead in their tracks: the body of Mr. Collicutt, the church organist, his face grotesquely and inexplicably masked. Who held a vendetta against Mr. Collicutt, and why would they hide him in such a sacred resting place? The irrepressible Flavia decides to find out. And what she unearths will prove there's never such thing as an open-and-shut case. BONUS: This edition includes an excerpt from Alan Bradley's *The Dead in Their Vaulted Arches*. Acclaim for *Speaking from Among the Bones* "[Alan] Bradley scores another success. . . . This series is a grown-up version of Nancy Drew, the Hardy Boys and all those mysteries you fell in love with as a child."—The San Diego Union-Tribune "The precocious and irrepressible Flavia . . . continues to delight."—Publishers Weekly (starred review) "Fiendishly brilliant . . . Bradley has created an utterly charming cast of characters . . . as quirky as any British mystery fan could hope for."—Bookreporter "Delightful and entertaining."—San Jose Mercury News

family history mysteries buried past: *Buried Magic* TJ Green, 2018-11-22 Witchcraft, dark secrets, and demons. No one is safe in White Haven. Avery, one of the five White Haven witches, practices her magic alone and spends her days working in her bookshop, refusing to join the coven. However, days away from Litha, the summer solstice, a deceased customer bequeaths her a rune covered box and an intriguing letter that reveals the witches are missing a vital part of their history. The news shatters her organised life completely. Five ancient family grimoires are hidden in the town, and within their pages lies a secret. Unable to resist a mystery, Avery is determined to find them. However, the tarot cards predict danger, and when another witch—the sexy, but annoying Alex Bonneville—shares the same premonition, they know that an unknown enemy is determined to stop them using any means necessary. Avery never backs down from a fight, and Alex refuses to let her fight alone. When White Haven turns into a battleground of magic and demons, the witches' lives will never be the same again. *Buried Magic* is perfect for fans of paranormal mysteries who love authentic witchcraft and magic, a slow-burn romance, English humour, a gorgeous Cornish setting with lots of myths, and plenty of action. Join the coven and buy *Buried Magic* now! ***This story completes in book 2, *Magic Unbound*. All subsequent stories are complete. Keywords: Witchy fiction, witch mysteries, witch urban fantasy, paranormal fiction, paranormal fantasy series, paranormal mystery, supernatural suspense, occult fiction, magic, action and adventure, spirits, ghosts, mild romance, paranormal cozy mystery, mystery books, Cornish village mysteries, occult fiction, demons, contemporary fantasy, urban fantasy, humour, friendship, magic, spells, intrigue, English myths, legends and folklore, witchcraft, Wiccan fiction, grimoires and spell books.

family history mysteries buried past: *Futureface* Alex Wagner, 2019-01-08 From the host of

MSNBC's Alex Wagner Tonight, "a rich and revealing memoir" (The New York Times) about her travels around the globe to solve the mystery of her ancestry, confronting the question at the heart of the American experience of immigration, race, and identity: Who are my people? "A thoughtful, beautiful meditation on what makes us who we are . . . and the values and ideals that bind us together as Americans."—Barack Obama The daughter of a Burmese mother and a white American father, Alex Wagner grew up thinking of herself as a "futureface"—an avatar of a mixed-race future when all races would merge into a brown singularity. But when one family mystery leads to another, Wagner's post-racial ideals fray as she becomes obsessed with the specifics of her own family's racial and ethnic history. Drawn into the wild world of ancestry, she embarks upon a quest around the world—and into her own DNA—to answer the ultimate questions of who she really is and where she belongs. The journey takes her from Burma to Luxembourg, from ruined colonial capitals with records written on banana leaves to Mormon databases, genetic labs, and the rest of the twenty-first-century genealogy complex. But soon she begins to grapple with a deeper question: Does it matter? Is our enduring obsession with blood and land, race and identity, worth all the trouble it's caused us? Wagner weaves together fascinating history, genetic science, and sociology but is really after deeper stuff than her own ancestry: in a time of conflict over who we are as a country, she tries to find the story where we all belong. Praise for Futureface "Smart, searching . . . Meditating on our ancestors, as Wagner's own story shows, can suggest better ways of being ourselves."—Maud Newton, The New York Times Book Review "Sincere and instructive . . . This timely reflection on American identity, with a bonus exposé of DNA ancestry testing, deserves a wide audience."—Library Journal "The narrative is part Mary Roach-style participation-heavy research, part family history, and part exploration of existential loneliness. . . . The journey is worth taking."—Kirkus Reviews "[A] ruminative exploration of ethnicity and identity . . . Wagner's odyssey is an effective riposte to anti-immigrant politics."—Publishers Weekly

family history mysteries buried past: Written in Bone Sally M. Walker, 2013-11-01 Bright white teeth. Straight leg bones. Awkwardly contorted arm bones. On a hot summer day in 2005, Dr. Douglas Owsley of the Smithsonian Institution peered into an excavated grave, carefully examining the fragile skeleton that had been buried there for four hundred years. He was about fifteen years old when he died. And he was European, Owsley concluded. But how did he know? Just as forensic scientists use their knowledge of human remains to help solve crimes, they use similar skills to solve the mysteries of the long-ago past. Join author Sally M. Walker as she works alongside the scientists investigating colonial-era graves near Jamestown, Virginia, as well as other sites in Maryland. As you follow their investigations, she'll introduce you to what scientists believe are the lives of a teenage boy, a ship's captain, an indentured servant, a colonial official and his family, and an enslaved African girl. All are reaching beyond the grave to tell us their stories, which are written in bone.

family history mysteries buried past: Ziggy and the Black Dinosaurs Sharon M Draper, Sharon Mills Per, 1994 When Ziggy gets the word that the trip to Camp Caesar is on, he can't wait to tell his friends, the Black Dinosaurs. But the four pals couldn't know what excitement awaited them. In this third adventure, the boys learn a lot about American, Naive American, and African-American history.

family history mysteries buried past: Hiding the Past Nathan Dylan Goodwin, 2013 Peter Coldrick, man without a past, hires Morton Farrier, forensic genealogist, to uncover the truth of Coldrick's family history. Unfortunately, the day after Farrier is hired, Coldrick turns up dead and someone wants Farrier to abandon the case.

family history mysteries buried past: *All We Buried* Elena Taylor, 2020-04-07 An amateur sheriff confronts the long-sleeping secrets of her small Washington State mountain town in this dark, twisty mystery for fans of Julia Keller and Sheena Kamal Interim sheriff Elizabeth "Bet" Rivers has always had one repeat nightmare: a shadowy figure throwing a suspicious object into her hometown lake in Collier, Washington. For the longest time, she chalked it up to an overactive imagination as a kid. Then the report arrives. In the woods of the Cascade mountain range, right in her jurisdiction, a body floats to the surface of Lake Collier. When the body is extricated and revealed, no one can

identify Jane Doe. But someone must know the woman, so why aren't they coming forward? Bet has been sitting as the interim sheriff of this tiny town in the ill-fitting shoes of her late father and predecessor. With the nightmare on her heels, Bet decided to build a life for herself in Los Angeles, but now it's time to confront the tragic history of Collier. The more she learns, the more Bet realizes she doesn't know the townspeople of Collier as well as she thought, and nothing can prepare her for what she is about to discover.

family history mysteries buried past: The Midnight Show Murders Al Roker, Dick Lochte, 2010 Sequel to the author's mystery debut, *The Morning show murders*. Professional chef turned amateur sleuth Billy Blessing finds himself in hot water, when a brutal killing cancels a TV show -- and its host -- during it debut. -- Dust jacket.

family history mysteries buried past: Death on the Family Tree Patricia Sprinkle, 2009-10-13 With grown-up kids and a husband always on the road, Katharine Murray's nest would be empty if it weren't for her Aunt Lucy—until the elderly woman dies. Now Katharine's saddled with her Aunt's worldly belongings—mostly knickknacks destined for the dumpster. But there's a priceless Celtic necklace among the dross—and a diary written in German, neither of which Katharine's ever seen before. Determined to find out where these objects came from, Katharine unwittingly discovers a branch of her family tree she never knew existed—namely Aunt Lucy's brother Carter, murdered more than fifty years ago after a mysterious trip to Austria. And when Lucy's artifacts are stolen, and the main suspect turns up dead, Katharine realizes she must solve a burglary and two unsolved homicides separated by a half-century . . . before more than her family secrets end up dead and buried.

family history mysteries buried past: The Forest of Stolen Girls June Hur, 2021-04-20 Suspenseful and richly atmospheric, June Hur's *The Forest of Stolen Girls* is a haunting historical mystery sure to keep readers guessing until the last page. 1426, Joseon (Korea). Hwani's family has never been the same since she and her younger sister went missing and were later found unconscious in the forest near a gruesome crime scene. Years later, Detective Min—Hwani's father—learns that thirteen girls have recently disappeared from the same forest that nearly stole his daughters. He travels to their hometown on the island of Jeju to investigate... only to vanish as well. Determined to find her father and solve the case that tore their family apart, Hwani returns home to pick up the trail. As she digs into the secrets of the small village—and collides with her now estranged sister, Maewol—Hwani comes to realize that the answer could lie within her own buried memories of what happened in the forest all those years ago. Praise for *The Forest of Stolen Girls*: A Junior Library Guild Selection A 2022 Edgar Allan Poe Award Nominee A YALSA Best Fiction for Young Adults Selection A 2022 White Pine Award Nominee A 2022 ALA Rise Selection A 2022 CCBC Choices Selection *The Forest of Stolen Girls* is a haunting, breathtaking tale that will have readers on the edge of their seats. ... Hur is an absolute master of mystery, and I will be reading her gorgeous books for years to come. —Adalyn Grace, New York Times-bestselling author of *All the Stars and Teeth* Rich, exquisite, and deeply atmospheric, *The Forest of Stolen Girls* draws the reader in from the very first page and doesn't let go. A dark and utterly engrossing mystery, beautifully drawn from start to finish. —Kathleen Glasgow, New York Times-bestselling author of *Girl in Pieces* Haunting and lyrical. Beware, this tale will draw you deeper into the forest than you want to go. —Stacey Lee, award-winning author of *The Downstairs Girl* A brilliant historical fiction mystery that is suspenseful, gorgeous and absolutely riveting! Hur brings Jeju Island during the early Joseon period completely to life in a rich, evocative manner that reminds me of watching my favorite historical Kdrama.” —Ellen Oh, author of the *Prophecy* series

family history mysteries buried past: An Orphan in History Paul Cowan, 2012-01-16 Sometimes we must look into the past in order to face the future. After growing up as a fully assimilated Jew, Paul Cowan embarked in his mid-thirties upon a journey to discover and appreciate his true identity and heritage. This “orphan in history” relates his search for these roots, detailing the path he took from his Park Avenue home to nineteenth-century Lithuania to a contemporary Israeli kibbutz, leading to remarkable personal discoveries that will move everyone who has yearned to

know more about their past. *An Orphan in History* is a classically beautiful, inspiring story of how one man evolved from describing himself as “an American Jew” to “an American and a Jew.” This story will inspire you to journey in search of your true self.

family history mysteries buried past: *Secrets Underground* Elizabeth MacLeod, 2014 In *Secrets Underground*, history buff Elizabeth MacLeod introduces readers to a fascinating world. Learn about the Civil War secrets carefully concealed in Organ Cave, West Virginia, the top-secret equipment that lies deep below Grand Central Terminal in New York City, the network of tunnels in Moose Jaw, Saskatchewan, that once hid victims of persecution, and much more. MacLeod explains how these lost and hidden subterranean passages, spaces, and caves answer decades-old puzzles, help us understand our own past, and lead us to discover what life was really like in eras gone by.

family history mysteries buried past: *Writing Our Lives* Steven Joel Rubin, 1991 Twenty-eight selections from the writings of some of the best-known American-Jewish novelists, dramatists, critics, and historians span the social and cultural history of American Jews in the twentieth century. Often joyous, occasionally tragic, they provide a fascinating record—from immigration to assimilation, from life in the ghetto to the current movement by many to recapture their Jewish identity. At once personal and historical, the selections are poignant and moving testimonies to the perseverance of the American-Jewish people.

family history mysteries buried past: *Hunting Prince Dracula* Kerri Maniscalco, 2017-09-19 In this New York Times bestselling sequel to Kerri Maniscalco's haunting #1 debut *Stalking Jack the Ripper*, bizarre murders are discovered in the castle of Prince Vlad the Impaler, otherwise known as Dracula. Could it be a copycat killer . . . or has the depraved prince been brought back to life? Following the grief and horror of her discovery of Jack the Ripper's true identity, Audrey Rose Wadsworth has no choice but to flee London and its memories. Together with the arrogant yet charming Thomas Cresswell, she journeys to the dark heart of Romania, home to one of Europe's best schools of forensic medicine . . . and to another notorious killer, Vlad the Impaler, whose thirst for blood became legend. But her life's dream is soon tainted by blood-soaked discoveries in the halls of the school's forbidding castle, and Audrey Rose is compelled to investigate the strangely familiar murders. What she finds brings all her terrifying fears to life once again.

family history mysteries buried past: *The Somme Legacy* M. J. Lee, 2017-02-25 When a young teacher asks genealogical investigator, Jayne Sinclair, to look into the history of his family, the only clues are a medallion with purple, white and green ribbons, and an old photograph. Her quest leads her to a secret buried in the trenches of World War One for over 100 years.

family history mysteries buried past: *Buried In a Bog* Sheila Connolly, 2013-02-05 New York Times bestselling author Sheila Connolly introduces the first novel in the County Cork mystery series—set in a small village in Ireland where buried secrets are about to rise to the surface... Honoring the wish of her late grandmother, Maura Donovan visits the small Irish village where her Gran was born—though she never expected to get bogged down in a murder mystery. Nor had she planned to take a job in one of the local pubs, but she finds herself excited to get to know the people who knew her Gran. In the pub, she's swamped with drink orders as everyone in town gathers to talk about the recent discovery of a nearly one-hundred-year-old body in a nearby bog. When Maura realizes she may know something about the dead man—and that the body's connected to another, more recent, death—she fears she's about to become mired in a homicide investigation. After she discovers the death is connected to another from almost a century earlier, Maura has a sinking feeling she may really be getting in over her head...

family history mysteries buried past: *Buried in Books* Kate Carlisle, 2019-05-07 In the latest in this New York Times bestselling series, matrimony and murder collide as San Francisco book-restoration expert Brooklyn Wainwright walks down the aisle... Brooklyn has it all covered. She's triple-checked her wedding to-do list, and everything is on track for the upcoming ceremony with the love of her life, security expert Derek Stone. Not everyone has been as lucky in love as Brooklyn. Her old library college roommates Heather and Sara lost touch twelve years ago when Sara stole Heather's boyfriend. Brooklyn was caught in the middle and hasn't seen her former

besties since their falling-out. When they both arrive in town for the annual librarians' convention and then show up at her surprise bridal shower, Brooklyn is sure drama will ensue. But she's touched when the women seem willing to sort out their differences and gift her rare copies of *The Three Musketeers* and *The Blue Fairy Book*. Brooklyn's prewedding calm is shattered when one of her formerly feuding friends is found murdered and Brooklyn determines that one of the rare books is a forgery. She can't help but wonder if the victim played a part in this fraud, or if she was targeted because she discovered the scam. With a killer and con artist on the loose, Brooklyn and Derek—with the unsolicited help of their meddling mothers—must catch the culprit before their big day turns into a big mess.

family history mysteries buried past: *Bury Your Past* J. M. Dalgliesh, 2020-08

family history mysteries buried past: *All the Truth That's In Me* Julie Berry, 2013-08-31 ALL THE TRUTH THAT'S IN ME is many things. It is a true romance, a story of desperate yearning and unrequited love. It's a page-turning mystery full of twists and turns that will keep you guessing until the very end. But most of all, it's an empowering drama about a girl's journey from victim to hero. Judith can't speak. Ever since the horrifying trauma that left her best friend dead and Judith without her tongue, she's been a pariah in her close-knit community of Roswell Station; even her own mother won't look her in the eye. All Judith can do is silently pour out her thoughts and feelings to the love of her life, the boy who's owned her heart as long as she can remember - even if he doesn't know it - her childhood friend, Lucas. But when Roswell Station is attacked by enemies, long-buried secrets come to light . . . and Judith's world starts to shift on its axis. Before she knows it, Judith is forced to choose: continue to live in silence, or recover her voice, even if what she has to say might change her world, and the lives around her, forever.

family history mysteries buried past: *Hey, America, Your Roots are Showing* Megan Smolenyak, 2012 A noted genealogist reveals what it is like to be a history detective using twenty-first-century techniques and technology, and discusses some of the cases she has solved, including the families of celebrities and work for the Army and the FBI.
