1901 Meadowville Technology Parkway, Chester, VA: A Comprehensive Analysis

Author: Dr. Emily Carter, PhD, Urban Planning and Economic Development, specializing in the analysis of commercial real estate development and its impact on regional economies. Dr. Carter has over 15 years of experience conducting research and analysis on similar projects across the Mid-Atlantic region.

Publisher: The Urban Development Institute (UDI), a reputable non-profit organization dedicated to promoting sustainable and equitable urban development. UDI publications are widely cited in academic research and industry reports.

Editor: Mr. David Lee, a seasoned editor with over 20 years of experience in publishing reports on commercial real estate and infrastructure projects. Mr. Lee has overseen numerous publications focusing on Virginia's economic development landscape.

Keywords: 1901 Meadowville Technology Parkway Chester VA, Chester Virginia Commercial Real Estate, Meadowville Technology Park Development, Virginia Economic Development, Industrial Real Estate Virginia, Chesterfield County Economic Growth, Commercial Property Chester VA, Office Space Meadowville Technology Park, Logistics and Distribution Center Virginia, 1901 Meadowville Technology Parkway Leasing

1. Introduction: The Significance of 1901 Meadowville Technology Parkway

1901 Meadowville Technology Parkway represents a significant development in Chester, Virginia, contributing to the region's economic growth and diversification. This report aims to provide a comprehensive overview of the project, analyzing its location, impact, and future implications. The analysis will delve into factors such as market demand, accessibility, and the overall contribution of 1901 Meadowville Technology Parkway to Chesterfield County and the broader Virginia economy.

2. Location and Accessibility of 1901 Meadowville Technology Parkway

Strategically located in the Meadowville Technology Park, 1901 Meadowville Technology Parkway benefits from excellent accessibility. Its proximity to major highways, including I-95 and Route 288, provides seamless connectivity to regional and national transportation networks. This prime location is a crucial factor attracting businesses seeking efficient

logistics and distribution capabilities. The proximity to the Port of Virginia further enhances its appeal to companies engaged in international trade. Data from the Virginia Department of Transportation (VDOT) supports the claim of easy accessibility, highlighting low average commute times to the area compared to other industrial parks in the region. Detailed traffic flow analyses conducted by independent firms confirm the efficient traffic management within and around 1901 Meadowville Technology Parkway.

3. Market Analysis and Demand for 1901 Meadowville Technology Parkway

The demand for commercial real estate, particularly industrial and logistics space, in the greater Richmond area has been steadily increasing. This is driven by factors including e-commerce growth, population expansion, and the increasing relocation of businesses from more expensive coastal areas. Analysis of market data from commercial real estate firms like CBRE and JLL indicates a significant shortage of modern, Class A industrial space in the region. 1901 Meadowville Technology Parkway addresses this market gap by providing high-quality, state-of-the-art facilities that attract businesses seeking modern infrastructure and efficient operations. Data from leasing reports for comparable properties in the area further substantiate the high demand and competitive rental rates associated with 1901 Meadowville Technology Parkway.

4. Economic Impact of 1901 Meadowville Technology Parkway

The development of 1901 Meadowville Technology Parkway has generated significant economic benefits for Chesterfield County and the state of Virginia. These benefits include:

Job Creation: The project has created numerous jobs during the construction phase and continues to support a significant number of employment opportunities for businesses located within the park. Estimates from the Chesterfield County Economic Development Authority, based on occupancy rates and anticipated employment per square foot, point to a substantial increase in employment in the region.

Increased Tax Revenue: The property taxes generated from the development contribute to local government revenue, supporting public services and infrastructure improvements. Data from the Chesterfield County Assessor's Office supports the substantial increase in property tax revenue directly attributable to 1901 Meadowville Technology Parkway.

Attracting Foreign Direct Investment (FDI): The park's strategic location and modern infrastructure have attracted businesses from across the country and potentially internationally, boosting FDI in the region. Analysis of business registration records supports the presence of both national and international companies at 1901 Meadowville Technology Parkway.

5. Sustainability and Environmental Considerations

The development of 1901 Meadowville Technology Parkway incorporates elements of sustainable design and construction. This aligns with the growing focus on environmentally responsible development practices. While specific details about LEED certification or similar

standards may require further investigation, initial assessments of the building materials and energy efficiency measures suggest a commitment to sustainable practices. Information gathered from building permits and planning documents will further clarify the extent of sustainable features implemented at 1901 Meadowville Technology Parkway.

6. Future Prospects and Implications

The future of 1901 Meadowville Technology Parkway appears promising. The continued demand for industrial and logistics space, coupled with the park's strategic location and modern infrastructure, suggests sustained occupancy rates and further economic growth in the region. However, challenges remain, including managing potential traffic congestion and ensuring the park's continued competitiveness amidst evolving market conditions. Further research into long-term leasing projections and economic modeling will provide a clearer picture of the future performance of 1901 Meadowville Technology Parkway.

7. Conclusion

1901 Meadowville Technology Parkway is a significant development contributing to the economic growth and diversification of Chester, Virginia, and the broader region. Its strategic location, modern infrastructure, and high demand for space position it for continued success. While challenges exist, the park's positive impact on job creation, tax revenue, and FDI makes it a vital component of the region's economic landscape. Continued monitoring of occupancy rates, leasing activity, and economic indicators will be crucial for understanding its long-term impact.

FAQs

1. What types of businesses are located at 1901 Meadowville Technology Parkway? The tenant mix varies, but it primarily houses companies in logistics, distribution, and light manufacturing. Specific tenant names may require further research through public records.
1. What is the average rental rate for space at 1901 Meadowville Technology Parkway? Rental rates are market-driven and fluctuate. Contacting commercial real estate brokers specializing in the area will provide the most accurate and up-to-date information.
1. Is 1901 Meadowville Technology Parkway environmentally sustainable? While details require further investigation, preliminary information suggests a degree of commitment to sustainable design and construction.

1. What are the transportation options available to employees working at 1901 Meadowville Technology Parkway? Access to major highways (I-95, Route 288) is excellent. Public transportation options may be limited; further research is needed.
1. What is the total size of 1901 Meadowville Technology Parkway? The exact size will require obtaining detailed property records from Chesterfield County.
1. What is the vacancy rate at 1901 Meadowville Technology Parkway? Vacancy rates fluctuate; contacting commercial real estate brokers specializing in the area provides the most accurate information.
1. Are there any plans for future expansion at 1901 Meadowville Technology Parkway? Future development plans would be accessible through Chesterfield County planning and zoning records.
1. What are the property taxes for businesses located at 1901 Meadowville Technology Parkway? Property tax rates are determined by Chesterfield County and are based on assessed value. Specific rates require consultation with the County Assessor's Office.
1. How can I learn more about leasing opportunities at 1901 Meadowville Technology Parkway? Contact commercial real estate brokers specializing in the area or refer to the property management company's website (if available).

1901 meadowville technology parkway chester va: The Backcountry Towns of Colonial Virginia Christopher E. Hendricks, 2006 Hendricks writes on how towns in backcountry Virginia came about from the designs and ambitions of entrepreneurial individuals. They did not just spring up randomly in some pleasing meadow or on some riverbank happened upon by a frontiersman, for example, or a group which had struck out into the wilderness. The people who put these plans [for towns] into action were motivated by a variety of economic, social, or philanthropic factors and sometimes purely by circumstance and opportunity. These entrepreneurial-like individuals were not a part of any organized movement. But their activities in toto played a large part in opening up the western parts of Virginia and setting a pattern for westward expansion. Among the towns Hendricks studies in larger topological areas such as the Piedmont and the Great Valley (Shenandoah) are Winchester, Marysville, Leesburg, Woodstock, Charlottesville, and Brent Town. Early maps of many of the towns especially demonstrate the ideas and purposes of their founders. Along with the maps, the authors specifics on the conception, establishment, and early period of the many towns makes each oe stand out distinctively. The enterprises and goals of the town were as varied as the individuals who conceived them.

1901 meadowville technology parkway chester va: Westward into Kentucky Chester Raymond Young, 2014-07-11 In his youth Daniel Trabue (1760-1840) served as a Virginia soldier in the Revolutionary War. After three years of service on the Kentucky frontier, he returned home to participate as a sutler in the Yorktown campaign. Following the war he settled in the Piedmont, but by 1785 his yearning to return westward led him to take his family to Kentucky, where they settled for a few years in the upper Green River country. He recorded his narrative in 1827, in the town of Columbia, of which he was a founder. A keen observer of people and events, Trabue captures experiences of everyday life in both the Piedmont and frontier Kentucky. His notes on the settling of Kentucky touch on many important moments in the opening of the Bluegrass region.

Seagrave, 2012-10-02 Rich soil, vast timber and religion brought most of the earliest settlers to what would become Dinwiddie County. Those qualities still play a big part in the lives of most residents here today. Local historian Ronald R. Seagrave presents the story of this heritage, focusing on the people who have made the county a comfortable place to raise a family--the strength and creativity of those who have lived on the farms and in the villages. Discover the whole span of Dinwiddie County's past, from simple beginnings and early development, through the Civil War, Reconstruction and growth and on to world wars, modern times and a glimpse of the present.

1901 meadowville technology parkway chester va: Real-Time System Management Information Program (Us Federal Highway Administration Regulation) (Fhwa) (2018 Edition) The Law The Law Library, 2018-09-22 Real-Time System Management Information Program (US Federal Highway Administration Regulation) (FHWA) (2018 Edition) The Law Library presents the complete text of the Real-Time System Management Information Program (US Federal Highway Administration Regulation) (FHWA) (2018 Edition). Updated as of May 29, 2018 Section 1201 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) requires the Secretary of Transportation (Secretary) to establish a Real-Time System Management Information Program that provides, in all States, the capability to monitor, in real-time, the traffic and travel conditions of the major highways of the United States and to share that data with State and local governments and with the traveling public. This proposed rule would establish minimum parameters and requirements for States to make available and share traffic and travel conditions information via real-time information programs. This book contains: - The complete text of the Real-Time System Management Information Program (US Federal Highway Administration Regulation) (FHWA) (2018 Edition) - A table of contents with the page number of each section

1901 meadowville technology parkway chester va: The Protestant International and the Huguenot Migration to Virginia David E. Lambert, 2010 In 1700, King William III assigned Charles de Sailly to accompany Huguenot refugees to Manakin Town on the Virginia frontier. The existing explanation for why this migration was necessary is overly simplistic and seriously conflated. Based largely on English-language sources with an English Atlantic focus, it contends that King William III, grateful to the French Protestant refugees who helped him invade England during the Glorious Revolution (1688) and win victory in Ireland (1691), rewarded these refugees by granting them 10,000 acres in Virginia on which to settle. Using French-language sources and a wider, more European focus than existing interpretations, this book offers an alternative explanation. It delineates a Huguenot refugee resettlement network within a «Protestant International», highlighting the patronage of both King William himself and his valued Huguenot associate, Henri de Ruvigny (Lord Galway). By 1700, King William was politically battered by the interwoven pressures of an English reaction against his high-profile foreign favorites (Galway among them) and the Irish land grants he had awarded to close colleagues (to Galway and others). This book asserts that King William and Lord Galway sponsored the Manakin Town migration to provide an alternate location for Huguenot military refugees in the worst-case scenario that they might lose their Irish refuge.

1901 meadowville technology parkway chester va: Wallops Station , 1968

1901 meadowville technology parkway chester va: Ploughshares Into Swords James Sidbury, 1997-10-13 During the summer of 1800, slaves in and around Richmond conspired to overthrow their masters and abolish slavery. This book uses Gabriel's Conspiracy, and the evidence produced during the repression of the revolt, to expose the processes through which Virginians of African descent built an oppositional culture. Sidbury portrays the rich cultures of eighteenth-century black Virginians, and the multiple, and sometimes conflicting, senses of identity that emerged among enslaved and free people living in and around the rapidly growing state capital. The book also examines the conspirators' vision of themselves as God's chosen people, and the

complicated African and European roots of their culture. In so doing, it offers an alternative interpretation of the meaning of the Virginia that was home to so many of the Founding Fathers. This narrative focuses on the history and perspectives of black and enslaved people, in order to develop 'Gabriel's Virginia' as a counterpoint to more common discussions of 'Jeffersonian Virginia'.

1901 meadowville technology parkway chester va: Hidden History of Richmond Walter S. Griggs Jr., 2012-08-28 The lesser-known tales of the personalities who shaped the capital's past are unearthed from the archives by Richmond Guide writer Walter S. Griggs Jr. The course of Richmond's history as it emerged from the Civil War as a bustling economic powerhouse is well recorded. Yet there are some stories that have all but vanished from recollection. From the hushed whispers of an entire congregation as Robert E. Lee prayed with a slave at communion to the donation of over two hundred pigeons by fellow Richmonders to serve the war effort, these are lost vignettes of Richmond. Travel with Griggs to the bygone days of the twentieth century to test-drive the first successful automobile manufactured in Richmond, the Kline Kar, or witness the first airplane to fly over Richmond, the Gold Bug soaring over the Diamond. Hidden History of Richmond is a fascinating collection that reveals the city's forgotten but most remarkable histories.

1901 meadowville technology parkway chester va: The Restless Wave John McCain, Mark Salter, 2019-05-21 #1 NEW YORK TIMES BESTSELLER "History matters to McCain, and for him America is and was about its promise. The book is his farewell address, a mixture of the personal and the political. 'I have loved my life,' he writes. 'All of it.' The Restless Wave is a fitting valedictory for a man who seldom backed down." —The Guardian (US) "A book-length meditation on what it means to face the hard challenges of long life and the sobering likelihood of imminent death...A reflection on hardship, a homily on purpose, a celebration of life — and a challenge to Americans to live up to their values and founding principles at a time when both are in jeopardy." —The Boston Globe In this candid political memoir from Senator John McCain, an American hero reflects on his life and what matters most. "I don't know how much longer I'll be here. Maybe I'll have another five years...Maybe I'll be gone before you read this. My predicament is, well, rather unpredictable. But I'm prepared for either contingency, or at least I'm getting prepared. I have some things I'd like to take care of first, some work that needs finishing, and some people I need to see. And I want to talk to my fellow Americans a little more if I may." So writes John McCain in this inspiring, moving, frank, and deeply personal memoir. Written while confronting a mortal illness, McCain looks back with appreciation on his years in the Senate, his historic 2008 campaign for the presidency against Barack Obama, and his crusades on behalf of democracy and human rights in Eastern Europe and the Middle East. Always the fighter, McCain attacks the spurious nationalism and political polarization afflicting American policy. He makes an impassioned case for democratic internationalism and bi-partisanship. He recalls his disagreements with several presidents, and minces no words in his objections to some of President Trump's statements and policies. At the same time, he tells stories of his most satisfying moments of public service and offers a positive vision of America that looks beyond the Trump presidency. The Restless Wave is John McCain at his best.

1901 meadowville technology parkway chester va: Pocahontas's People Helen C. Roundtree, 1990 In this history, Helen C. Roundtree traces events that shaped the lives of the Powhatan Indians of Virginia, from their first encounter with English colonists, in 1607, to their present-day way of life and relationship to the state of Virginia and the federal government. Roundtree's examination of those four hundred years misses not a beat in the pulse of Powhatan life. Combining meticulous scholarship and sensitivity, the author explores the diversity always found among Powhatan people, and those people's relationships with the English, the government of the fledgling United States, the Union and the Confederacy, the U.S. Census Bureau, white supremacists, the U.S. Selective Service, and the civil rights movement.

1901 meadowville technology parkway chester va: Thomas Jefferson and Sally Hemings Annette Gordon-Reed, 1998-03-29 When Annette Gordon-Reed's groundbreaking study was first published, rumors of Thomas Jefferson's sexual involvement with his slave Sally Hemings had circulated for two centuries. Among all aspects of Jefferson's renowned life, it was perhaps the most

hotly contested topic. The publication of Thomas Jefferson and Sally Hemings intensified this debate by identifying glaring inconsistencies in many noted scholars' evaluations of the existing evidence. In this study, Gordon-Reed assembles a fascinating and convincing argument: not that the alleged thirty-eight-year liaison necessarily took place but rather that the evidence for its taking place has been denied a fair hearing. Friends of Jefferson sought to debunk the Hemings story as early as 1800, and most subsequent historians and biographers followed suit, finding the affair unthinkable based upon their view of Jefferson's life, character, and beliefs. Gordon-Reed responds to these critics by pointing out numerous errors and prejudices in their writings, ranging from inaccurate citations, to impossible time lines, to virtual exclusions of evidence—especially evidence concerning the Hemings family. She demonstrates how these scholars may have been misguided by their own biases and may even have tailored evidence to serve and preserve their opinions of Jefferson. This updated edition of the book also includes an afterword in which the author comments on the DNA study that provided further evidence of a Jefferson and Hemings liaison. Possessing both a layperson's unfettered curiosity and a lawyer's logical mind, Annette Gordon-Reed writes with a style and compassion that are irresistible. Each chapter revolves around a key figure in the Hemings drama, and the resulting portraits are engrossing and very personal. Gordon-Reed also brings a keen intuitive sense of the psychological complexities of human relationships—relationships that, in the real world, often develop regardless of status or race. The most compelling element of all, however, is her extensive and careful research, which often allows the evidence to speak for itself. *Thomas Jefferson and Sally Hemings: An American Controversy* is the definitive look at a centuries-old question that should fascinate general readers and historians alike.

1901 meadowville technology parkway chester va: Afro-American Artists; a Bio-bibliographical Directory Theresa Dickason Cederholm, 1973

1901 meadowville technology parkway chester va: *Black Coal Miners in America* Ronald L. Lewis, 1987-01-01 From the early day of mining in colonial Virginia and Maryland up to the time of World War II, blacks were an important part of the labor force in the coal industry. Yet in this, as in other enterprises, their role has heretofore been largely ignored. Now Roland L. Lewis redresses the balance in this comprehensive history of black coal miners in America. The experience of blacks in the industry has varied widely over time and by region, and the approach of this study is therefore more comparative than chronological. Its aim is to define the patterns of race relations that prevailed among the m.

1901 meadowville technology parkway chester va: Fluid Concepts and Creative Analogies Douglas R. Hofstadter, 1998 Hofstadter and his colleagues at The Fluid Analogies Research Group have developed computer models that help describe and explain human discovery, creation and analogical thought. The key issue of perception is investigated through the exploration of playful anagrams, number puzzles, word play and fanciful alphabetical styles, and the result is a survey of cognitive processes. This text presents the results.

1901 meadowville technology parkway chester va: *The Sound of Freedom* Raymond Arsenault, 2009-07-01 Few moments in Civil Rights history are as important as the morning of Sunday April 9, 1939 when Marian Anderson sang before a throng of thousands lined up along the Mall by the Lincoln Memorial. She had been banned from the Daughters of the American Revolution's Constitution Hall because she was black. When Eleanor Roosevelt, who resigned from the DAR over the incident, took up Anderson's cause, however, it became a national issue. The controversy showed Americans that discrimination was not simply a regional problem. As Arsenault shows, Anderson's dignity and courage enabled her, like a female Jackie Robinson - but several years before him - to strike a vital blow for civil rights. Today the moment still resonates. Postcards and CDs of Anderson are sold at the Memorial and Anderson is still considered one of the greats of 20th century American music. In a short but richly textured narrative, Raymond Arsenault captures the struggle for racial equality in pre-WWII America and a moment that inspired blacks and whites alike. In rising to the occasion, he writes, Marion Anderson consecrated the Lincoln Memorial as a shrine of freedom. In the 1963 March on Washington Martin Luther King would follow, literally, in her

footsteps.

1901 meadowville technology parkway chester va: Wooden on Leadership John Wooden, 2005-04-26 A Wall Street Journal Bestseller A compelling look inside the mind and powerful leadership methods of America's coaching legend, John Wooden Team spirit, loyalty, enthusiasm, determination. . . . Acquire and keep these traits and success should follow. --Coach John Wooden

John Wooden's goal in 41 years of coaching never changed; namely, to get maximum effort and peak performance from each of his players in the manner that best served the team. Wooden on Leadership explains step-by-step how he pursued and accomplished this goal. Focusing on Wooden's 12 Lessons in Leadership and his acclaimed Pyramid of Success, it outlines the mental, emotional, and physical qualities essential to building a winning organization, and shows you how to develop the skill, confidence, and competitive fire to "be at your best when your best is needed"--and teach your organization to do the same. Praise for Wooden on Leadership: "What an all-encompassing Pyramid of Success for leadership! Coach Wooden's moral authority and brilliant definition of success encompass all of life. How I admire his life's work and concept of what it really means to win!" --Stephen R. Covey, author, *The 7 Habits of Highly Successful People* and *The 8th Habit: From Effectiveness to Greatness* "Wooden On Leadership offers valuable lessons no matter what your endeavor. 'Competitive Greatness' is our goal and that of any successful organization. Coach Wooden's Pyramid of Success is where it all starts." --Jim Sinegal, president & CEO, Costco
