1950 trivia questions and answers printable: Brainiac Ken Jennings, 2006-09-12 NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia’s colorful history, from America’s highest-earning game show contestant of all time and host of Jeopardy! “Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book.”—Will Shortz, crossword editor, The New York Times Ken Jennings is trivia’s undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today’s trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly

soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there's a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that's who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

Okay boomer, are you ready to get out of your chair, challenge your mind, and have some fun in the process? If so, then open up the pages of I Remember That! - Captivating Stories, Interesting Facts and Fun Trivia for Seniors, and embark on this epic trivia challenge that was written specifically for your generation. You'll take an engaging stroll down memory lane to test just how much you remember from the biggest moments in history, pop culture, and science from the first four decades after World War II. But if you're not a boomer, don't worry, you'll also have fun playing along. If you're from a younger generation but want to learn a little about the world your parents or grandparent grew up in, then this is a good place to start. You don't have to start in the beginning and go to the end. If '70s pop culture is your thing, then you can just read that, or if you want to learn about how grandma rocked a beehive hairdo in the '60s then you can start there. There's really no right or wrong way to read I Remember That!, but just remember to have fun! In this book you will find out the answers to some of these questions: How did the internet go from a military project to the universities in the 1980s? When did Elvis Presley perform on the Ed Sullivan Show? What ever happened to 8-track tapes? Who was Lewis Urry and what did he have to do with flashlights and portable radios? How and when did the Berlin Wall go up? I Remember That! is divided into four chapters for each decade, with each chapter divided into subsections of history, pop culture, and science. At the end of each subsection is a ten-question quiz that you can play with your friends and family. There is also a Did You Know? page at the end of each subsection that adds a few more interesting tidbits to the subject.

Which US president took a second oath of office because the first time the word faithfully was misplaced? True or false - Jimmy Carter's great-grandfather, L.B. Walker Carter (1832-1874), was a private in the Confederate Army? William King, the US Vice President under Franklin Pierce, was the only VP ever sworn in while abroad, in a country 90 miles away. Which country was he in? What physical activity was John Quincy Adams known for to the point that he was once ambushed by a reporter whilst so engaged in the buff? Intensely competitive, provocative and wildly addictive, Trivia Chicken is, without a doubt, the new platinum standard in trivia games.
