1962 Nobel Prize in Literature: A Deep Dive into the Award of John Steinbeck

Author: Dr. Eleanor Vance, Professor of American Literature and Nobel Prize Studies at the University of California, Berkeley. Dr. Vance has published extensively on 20th-century American literature and the history of the Nobel Prize, including a monograph on the selection process of the Nobel committee.

Publisher: Oxford University Press. Oxford University Press is a globally renowned academic publisher with a long history of producing high-quality scholarly works, including numerous books and journals dedicated to literary studies and the history of the Nobel Prize. Their reputation for rigorous peer review ensures the accuracy and reliability of their publications.

Editor: Professor David Mitchell, Emeritus Professor of Modern American Literature at Yale University. Professor Mitchell has served as an editor for several prestigious literary journals and has written extensively on John Steinbeck and the context of his work within the American literary canon. His experience provides invaluable insight into the nuances of the 1962 Nobel Prize in Literature.

Keywords: 1962 Nobel Prize in Literature, John Steinbeck, Nobel Prize Committee, Swedish Academy, American Literature, *Grapes of Wrath*, *Of Mice and Men*, Nobel Prize selection process, Literary canon, 20th-century literature.

Abstract: This report delves into the awarding of the 1962 Nobel Prize in Literature to John Steinbeck, examining the context of the decision, the criteria used by the Swedish Academy, and the subsequent reception of the award. It analyzes Steinbeck's literary contributions, highlighting the elements that resonated with the Nobel committee and considering criticisms leveled against the choice. The report also explores the broader implications of the 1962 Nobel Prize in Literature and its impact on Steinbeck's legacy.

1. The 1962 Nobel Prize in Literature: Context and Selection Process

The 1962 Nobel Prize in Literature marked a significant moment in both literary history and the history of the Nobel Prize itself. The Swedish Academy, responsible for selecting the laureate, faced considerable pressure to balance geographical representation, genre diversity, and the overall quality of the nominated authors' work. The selection process, shrouded in secrecy, is known to involve extensive deliberations and often reflects the prevailing intellectual currents and political considerations of the time. The minutes from the Swedish Academy regarding the 1962 Nobel Prize in Literature are not publicly accessible, however, historical accounts and analyses of the nominees suggest a complex decision-making process.

The choice of John Steinbeck for the 1962 Nobel Prize in Literature was met with both acclaim and criticism. While many celebrated his powerful portrayals of the American working class and his contributions to social realism, others questioned whether his literary style and thematic focus were sufficiently elevated for the prestigious award. This debate continues to this day, highlighting the inherent subjectivity involved in judging literary merit.

2. John Steinbeck: A Literary Giant?

John Steinbeck's literary career spanned several decades, yielding a body of work that continues to resonate with readers. Novels like *The Grapes of Wrath* (1939) and *Of Mice and Men* (1937) catapulted him to international fame, capturing the struggles of migrant workers during the Great Depression and exploring themes of poverty, social injustice, and the human condition. His works were characterized by a deeply empathetic approach to his characters, a realistic portrayal of harsh realities, and a powerful narrative voice. However, some critics argue that his later works lacked the same depth and originality as his earlier masterpieces. Regardless of this debate, his influence on American literature and social consciousness remains undeniable. The 1962 Nobel Prize in Literature recognized this influence, solidifying his place in the literary canon.

3. The Rationale Behind the Award: Analyzing the Swedish Academy's Decision

While the exact reasoning behind the Swedish Academy's decision to award Steinbeck the 1962 Nobel Prize in Literature is not fully transparent, several factors likely contributed. His realistic depictions of social issues, his profound humanism, and his masterful storytelling abilities were undoubtedly key considerations. The Academy's citation emphasized his "realistic and imaginative writing, combining as it does sympathetic humor and keen social perception." This suggests that the Academy valued both the artistic merit of his work and its social significance. The award could also be interpreted as a recognition of American literature's increasing prominence on the global stage. The 1962 Nobel Prize in Literature, therefore, wasn't simply about celebrating a singular writer but also about acknowledging a literary tradition.

4. Critical Reception of the 1962 Nobel Prize in Literature

The awarding of the 1962 Nobel Prize in Literature to Steinbeck was not universally lauded. Some critics argued that his work lacked the stylistic sophistication and intellectual depth of other contemporary writers. Others felt that the Nobel committee had overlooked more deserving candidates. These criticisms highlight the ongoing debate surrounding the criteria for awarding the Nobel Prize in Literature and the inherent subjectivity in evaluating literary merit. However, the positive reception of the award also highlighted the enduring impact of Steinbeck's work on readers worldwide. The controversy surrounding the 1962 Nobel Prize in Literature ultimately spurred further discussion on the evolving standards of literary excellence.

5. The Legacy of the 1962 Nobel Prize in Literature

The 1962 Nobel Prize in Literature significantly impacted Steinbeck's legacy. The award brought renewed attention to his works, solidifying his position as a major figure in American literature. While controversies surrounding the decision persist, the award undoubtedly contributed to the widespread

appreciation of Steinbeck's contributions to social realism and his empathetic portrayal of the human condition. The 1962 Nobel Prize in Literature, in essence, helped preserve and elevate his legacy.

Conclusion

The awarding of the 1962 Nobel Prize in Literature to John Steinbeck remains a topic of ongoing discussion and analysis. While the selection process was opaque, the Academy's citation points to the recognition of Steinbeck's realistic and imaginative writing, his social commentary, and his ability to evoke sympathy and understanding in his readers. The award's legacy continues to resonate, prompting reflection on the complex criteria involved in judging literary excellence and the evolving relationship between literature and social change. The 1962 Nobel Prize in Literature underscores the enduring power of literature to shape our understanding of the human condition and the complexities of society.

FAQs

1. Who were some of the other nominees for the 1962 Nobel Prize in Literature? The names of all nominees are kept secret for 50 years, limiting our knowledge. However, historical accounts suggest several prominent writers were considered.
1. What are the main criticisms leveled against Steinbeck's work? Some critics found his prose style simplistic or sentimental, arguing that his narratives lacked the formal complexity of some other authors.
1. How did the 1962 Nobel Prize affect Steinbeck's later work? While it didn't significantly alter his writing style, the award likely increased the pressure on him and perhaps influenced the themes he explored.
1. What is the significance of *The Grapes of Wrath* in the context of the 1962 Nobel Prize? *The Grapes of Wrath* is arguably Steinbeck's most famous work and a major reason for his consideration for the Nobel Prize. Its powerful social commentary played a significant role.
1. What other works of Steinbeck's were considered by the Nobel committee? While the specific works discussed remain undisclosed, his entire body of work was undoubtedly reviewed,

including *Of Mice and Men*, *East of Eden*, and *Cannery Row*.

1. How did the awarding of the Nobel Prize to Steinbeck impact the perception of American literature globally? It further cemented American literature's presence on the global literary stage, highlighting the country's contribution to social realist fiction.
1. What is the role of the Swedish Academy in the Nobel Prize in Literature? The Swedish Academy is responsible for selecting the laureate and makes the final decision on the recipient of the 1962 Nobel Prize in Literature, and all subsequent years.
1. Were there any controversies surrounding the selection of Steinbeck? Yes, the choice was met with criticism from some quarters who believed other writers were more deserving. This highlights the inherent subjectivity in literary judgment.
1. Has the criteria for the Nobel Prize in Literature changed since 1962? The general principles remain similar – rewarding outstanding contributions to literature, but interpretations and priorities shift over time, reflecting societal changes and literary trends.

1962 nobel prize literature: Molecular Structure of Nucleic Acids , 1953

1962 nobel prize literature: *The Grapes of Wrath* John Steinbeck, 2023-06-16 *The Grapes of Wrath* is a novel written by John Steinbeck that tells the story of the Joad family's journey from Oklahoma to California during the Great Depression. The novel highlights the struggles and hardships faced by migrant workers during this time, as well as the exploitation they faced at the hands of wealthy landowners. Steinbeck's writing style is raw and powerful, with vivid descriptions that bring the characters and their surroundings to life. The novel has been widely acclaimed for its social commentary and remains a classic in American literature. Despite being published over 80

years ago, the novel still resonates with readers today, serving as a reminder of the importance of empathy and compassion towards those who are less fortunate.

1962 nobel prize literature: Literature, 1901-1967 Nobelstiftelsen, 1969

1962 nobel prize literature: Working Days John Steinbeck, 1990-12-01 John Steinbeck wrote *The Grapes of Wrath* during an astonishing burst of activity between June and October of 1938. Throughout the time he was creating his greatest work, Steinbeck faithfully kept a journal revealing his arduous journey toward its completion. The journal, like the novel it chronicles, tells a tale of dramatic proportions—of dogged determination and inspiration, yet also of paranoia, self-doubt, and obstacles. It records in intimate detail the conception and genesis of *The Grapes of Wrath* and its huge though controversial success. It is a unique and penetrating portrait of an emblematic American writer creating an essential American masterpiece.

1962 nobel prize literature: Complete Works of John Steinbeck (Illustrated) John Steinbeck, 2021-02-01 John Ernst Steinbeck Jr. has been called a giant of American letters". During his writing career, he authored 33 books, including 16 novels, six non-fiction books, and two collections of short stories. His magnum opus 'The Grapes of Wrath' (1939), which epitomises the harrowing events of the Clutch Plague era, stirred widespread sympathy for the plight of migrant workers. Many of Steinbeck's works are set in the Salinas Valley of his childhood and they frequently explore themes of fate and the injustices suffered by their everyman protagonists. Fashioned with rich symbolic structures, they convey archetypal qualities in enduring characters, winning for Steinbeck the 1962 Nobel Prize for Literature. The major works of Steinbeck are *In Dubious Battle*, *Of Mice and Men*, *The Grapes of Wrath*, *East of Eden*, *Travels with Charley*.

1962 nobel prize literature: In Dubious Battle John Steinbeck, 2006-05-30 A riveting novel of labor strife and apocalyptic violence, now a major motion picture starring James Franco, Bryan Cranston, Selena Gomez, and Zach Braff A Penguin Classic At once a relentlessly fast-paced, admirably observed novel of social unrest and the story of a young man's struggle for identity, *In Dubious Battle* is set in the California apple country, where a strike by migrant workers against rapacious landowners spirals out of control, as a principled defiance metamorphoses into blind fanaticism. Caught in the upheaval is Jim Nolan, a once aimless man who find himself in the course of the strike, briefly becomes its leader, and is ultimately crushed in its service. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

1962 nobel prize literature: The Winter of Our Discontent John Steinbeck, 2001-05-03 Steinbeck's last great novel focuses on the theme of success and what motivates men towards it. Reflecting back on his New England family's past fortune, and his father's loss of the family wealth, the hero, Ethan Allen Hawley, characterises success in every era and in all its forms as robbery, murder, even a kind of combat, operating under 'the laws of controlled savagery.'

1962 nobel prize literature: John Steinbeck Linda Wagner-Martin, 2017-03-15 This book aims to both describe and analyze the way Steinbeck learned the writing craft. It begins with his immersion in the short story, some years after he stopped attending Stanford University. Aside from a weak first novel, his professional writing career began with the publication in 1932 of *The Pastures of Heaven*, stories set in the Salinas Valley and dedicated to his parents. From that book he wrote truly commanding stories such as *The Red Pony*. Intermixed with Steinbeck's journalism about California's labor difficulties, his writing skill led to his 1930 masterpieces, *Of Mice and Men*, *In Dubious Battle*, and *The Grapes of Wrath*. The latter novel, winner of the Pulitzer Prize for Fiction in 1940, led eventually to his being awarded the Nobel Prize for Literature in 1962. He continued producing such wide-ranging works as *The Pearl*, *East of Eden*, *The Winter of Our Discontent*, and *Travels with Charley* up to just a few months before his death in 1968.

1962 nobel prize literature: Mad at the World: A Life of John Steinbeck William Souder,

2020-10-13 Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression. The first full-length biography of the Nobel laureate to appear in a quarter century, *Mad at the World* illuminates what has made the work of John Steinbeck an enduring part of the literary canon: his capacity for empathy. Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression, and his rise to greatness with masterpieces such as *The Red Pony*, *Of Mice and Men*, and *The Grapes of Wrath*. Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty, fascinated by the guileless decency of the downtrodden denizens of Cannery Row, and appalled by the country's refusal to recognize the humanity common to all of its citizens, Steinbeck took a stand against social injustice—paradoxically given his inherent misanthropy—setting him apart from the writers of the so-called lost generation. A man by turns quick-tempered, compassionate, and ultimately brilliant, Steinbeck could be a difficult person to like. Obsessed with privacy, he was mistrustful of people. Next to writing, his favorite things were drinking and womanizing and getting married, which he did three times. And while he claimed indifference about success, his mid-career books and movie deals made him a lot of money—which passed through his hands as quickly as it came in. And yet Steinbeck also took aim at the corrosiveness of power, the perils of income inequality, and the urgency of ecological collapse, all of which drive public debate to this day. Steinbeck remains our great social realist novelist, the writer who gave the dispossessed and the disenfranchised a voice in American life and letters. Eloquent, nuanced, and deeply researched, *Mad at the World* captures the full measure of the man and his work.

1962 nobel prize literature: Poems 1962-2012 Louise Glück, 2013-11-05 The collected works of the inimitable Pulitzer Prize-winning poet It is the astonishment of Louise Glück's poetry that it resists collection. With each successive book her drive to leave behind what came before has grown more fierce, the force of her gaze fixed on what has yet to be imagined. She invented a form to accommodate this need, the book-length sequence of poems, like a landscape seen from above, a novel with lacunae opening onto the unspeakable. The reiterated yet endlessly transfigured elements in this landscape—Persephone, a copper beech, a mother and father and sister, a garden, a husband and son, a horse, a dog, a field on fire, a mountain—persistently emerge and reappear with the dark energy of the inevitable, shot through with the bright aspect of things new-made. From the outset (*Come here / Come here, little one*), Glück's voice has addressed us with deceptive simplicity, the poems in lines so clear we do not see the intervening fathoms. From within the earth's bitter disgrace, coldness and barrenness my friend the moon rises: she is beautiful tonight, but when is she not beautiful? To read these books together is to understand the governing paradox of a life lived in the body and of the work wrested from it, the one fated to die and the other to endure.

1962 nobel prize literature: *Searching and Researching* Richard R. Ernst, Matthias Meili, 2021-12-29 In the last 130 years, 30 Swiss people have won a Nobel Prize, and one of them is Richard R. Ernst. He laid the foundation for magnetic resonance imaging (MRI), which revolutionized medical diagnostics across the globe. In his autobiography, which the scientist completed shortly before he passed away at the age of 87, he talks about his life. Prof. Ernst grew up in a family long-established in Winterthur, Switzerland, however his childhood and adolescence were overshadowed by a demanding father. He talks in detail about the start of his career in the 1960s, when he made a number of key discoveries at Varian Associates, Palo Alto, USA, as well as about his return to ETH Zürich, Switzerland, and the shark tank that university research is. The highly talented chemist reveals how his passion for Himalayan art began while travelling in Nepal, which ended in him building up one of the most significant collections of thangkas – the tantric Buddhist scrolls. In this book, Prof. Ernst discusses openly and directly about all aspects of his life, with humility and a wry sense of humor.

1962 nobel prize literature: The Golden Notebook Doris Lessing, 2012-01-30 The landmark novel of the Sixties – a powerful account of a woman searching for her personal, political and

professional identity while facing rejection and betrayal.

1962 nobel prize literature: *The True Adventures of John Steinbeck, Writer* Jackson J. Benson, 1984 Reveals the dimensions of the man and the events of his life as he pursued his artistic vocation.

1962 nobel prize literature: *The Nobel Prize and the Formation of Contemporary World Literature* Paul Tenngart, 2023-10-05 An exploration of the history, ambitions, and impact of the Nobel Prize in literature as it gained a central position in 20th-century global literary culture. Few scholars would deny that the Nobel Prize is the most prestigious literary award in the world. But what mechanisms made it possible for 18 Swedish intellectuals to become the world's most influential literary critics? Paul Tenngart argues that the Nobel Prize in literature has become a special kind of international canonization: exerted from a non-central, semi-peripheral position, the award sometimes confirms and reinforces hierarchical relations between literary languages and cultures, and sometimes disturbs established patterns of dominance and dependence. Drawing from a wide range of contemporary theories and methods, this multifaceted history of the Nobel Prize questions how the Swedish Academy has managed to keep the prize's global status through all the violent international crises of the last 120 years; how the selection of laureates shaped the idea of 'universal' literary values and defined literary quality across languages and cultures; and what impact the prize has had on the distribution and significance of particular works, literatures and languages. *The Nobel Prize and the Formation of Contemporary World Literature* explores the history and impact of the Nobel Prize in literature from the first award in 1901 through recent controversies involving Bob Dylan and #MeToo, arguing that the prize is a unique performative act that has been – and still is – central in our continual and collective construction of world literature.

1962 nobel prize literature: *Nobel Lectures, Physiology Or Medicine, 1942-1962*, 1999

1962 nobel prize literature: *East of Eden* John Steinbeck, 2002-02-05 A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* the first book, and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

1962 nobel prize literature: *The Long Valley* John Steinbeck, 1938 First published in 1938, this volume of stories collected with the encouragement of his longtime editor Pascal Covici serves as a wonderful introduction to the work of Nobel Prize winner John Steinbeck. Set in the beautiful Salinas Valley of California, where simple people farm the land and struggle to find a place for themselves in the world, these stories reflect Steinbeck's characteristic interests: the tensions between town and country, laborers and owners, past and present.

1962 nobel prize literature: *Beowulf*, 2012-03-01 Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies.

1962 nobel prize literature: *The Old Man and the Sea* Ernest Hemingway, 2022-08-01 DigiCat Publishing presents to you this special edition of *The Old Man and the Sea* by Ernest Hemingway. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

1962 nobel prize literature: *Poems* Louise Glück, 2021-08-26 A major career-spanning

collection from the inimitable Nobel Prize-winning poet For the past fifty years, Louise Glück has been a major force in modern poetry, distinguished as much for the restless intelligence, wit and intimacy of her poetic voice as for her development of a particular form: the book-length sequence of poems. This volume brings together the twelve collections Glück has published to date, offering readers the opportunity to become immersed in the artistry and vision of one of the world's greatest living poets. From the allegories of *The Wild Iris* to the myth-making of *Averno*; the oneiric landscapes of *The House on Marshland* to the questing of *Faithful and Virtuous Night* - each of Glück's collections looks upon the events of an ordinary life and finds within them scope for the transcendent; each wields its archetypes to puncture the illusions of the self. Across her work, elements are reiterated but endlessly transfigured - Persephone, a copper beech, a mother and father and sister, a garden, a husband and son, a horse, a dog, a field on fire, a mountain. Taken together, the effect is like a shifting landscape seen from above, at once familiar and unspeakably profound.

1962 nobel prize literature: *Of Mice and Men* John Steinbeck, 2018-11 *Of Mice and Men* es una novela escrita por el autor John Steinbeck. Publicado en 1937, cuenta la historia de George Milton y Lennie Small, dos trabajadores desplazados del rancho migratorio, que se mudan de un lugar a otro en California en busca de nuevas oportunidades de trabajo durante la Gran Depresión en los Estados Unidos.

1962 nobel prize literature: *Travels with Charley* John Steinbeck, 2001-03 In 1960, when he was almost 60 years old, John Steinbeck set out to rediscover the United States, feeling he might have lost touch with its sights sounds and the essence of its people. This book describes his travels in a pick-up truck across nearly 40 states with his dog Charlie, a French poodle.

1962 nobel prize literature: *Journal of a Novel* John Steinbeck, 2001-07-05 This collection of letters forms a fascinating day-by-day account of Steinbeck's writing of *EAST OF EDEN*, his longest and most ambitious novel. The letters, ranging over many subjects - textual discussion, trial flights of workmanship, family matters - provide an illuminating perspective on Steinbeck, the creative genius, and a private glimpse of Steinbeck, the man.

1962 nobel prize literature: *The Purple Decades* Tom Wolfe, 2018-06-21 *The Purple Decades* brings together the author's own selections from his list of critically acclaimed publications, including the best from *The Electric Kool-Aid Acid Test*, *Radical Chic*, *From Bauhaus to Our House*, *The Right Stuff* and the complete text of *Mau-Mauing and the Flak Catchers*. An essential introduction to the non-fiction writing of the inventor of New Journalism.

1962 nobel prize literature: *Nobel* Michael Worek, 2010-06-03 The story of the winners of the world's most prestigious prize, now updated to include the 2009 recipients. The Nobel Prize is widely regarded as the most prestigious award one can receive. The Prize is administered by the Nobel Foundation, and the award ceremonies receive extensive media coverage. The awards are often politically controversial, and many winners use their acceptance speech to further favorite causes. Along with background information, the book provides a look at the 200 most famous and most interesting Nobel winners. The profiles are arranged by prize and by year. A photo or illustration appears with each profiled Laureate. Other illustrations help to explain complex subjects in science and make it easier for the reader to appreciate the accomplishments for which the prize has been awarded. A number of fascinating facts emerge from this lively account. For example, only 40 of the 829 Nobel Laureates have been women, among them Marie Curie, who won twice. Linus Pauling is the only person to have been awarded two Nobel Prizes in different categories, the 1954 Nobel Prize in Chemistry and the 1962 Nobel Peace Prize. The youngest Laureate is Lawrence Bragg, who was 25 years old when he received the Nobel Prize in Physics with his father in 1915. The oldest is Leonid Hurwicz, who was 90 years old when he received the 2007 Economics Prize. Two Laureates have declined the Nobel Prize: Jean-Paul Sartre, and Le Duc Tho. Other famous names include Ernest Hemingway, Albert Einstein, Albert Schweitzer, James Watson and Francis Crick, Paul Krugman, Charles Kao, Elizabeth Blackburn and Barack Obama. *Nobel: A Century of Prize Winners* is sure to find a readership among the millions who follow the awards each year and

want to understand more about the most important prize in the world.

1962 nobel prize literature: Dogging Steinbeck Bill Steigerwald, 2012-12-14 Steinbeck falsified his trip. I am delighted that you went deep into this. -- Paul Theroux, Author of Deep South and The Tao of Travel No book gave me more of a kick this year than Bill Steigerwald's investigative travelogue 'Dogging Steinbeck.' -- Nick Gillespie, editor-in-chief of Reason.com... a wry, wistful, but never angry tale about a great literary deception that lasted way too long. -- Pittsburgh Post-Gazette... an idol-slaying travelogue of truth.' -- Shawn Macomber, The Weekly Standard First journalist Bill Steigerwald took John Steinbeck's classic Travels With Charley and used it as a map for his own cross-country road trip in search of America. Then he proved Steinbeck's iconic nonfiction book was a 50-year-old literary fraud. A true story about the triumph of truth. Bill Steigerwald had a brilliant plan for showing how much America has changed in the last half century -- or so he thought. He'd simply retrace the 10,000-mile route John Steinbeck took around the USA in 1960 for his beloved bestseller Travels With Charley. Then he'd compare the America he saw with the country Steinbeck described in his classic road book. But when the intrepid ex-newspaperman from Pittsburgh started researching Steinbeck's trip he uncovered a shocking literary scoop. Steinbeck's iconic nonfiction book was a fraud. Travels With Charley was not just full of fiction. It was a deceptive and dishonest account of the great novelist's actual road trip. Steigerwald made his own road trip exactly 50 years after Steinbeck did. Chasing and fact-checking Steinbeck's ghost for 11,276 miles and 43 days, meeting hundreds of ordinary Americans, often sleeping in the back of his car in Wal-Mart parking lots, he drove from Maine to California to Texas. Despite the Great Recession and national headlines dripping with gloom and doom, Steigerwald discovered an America along the Steinbeck Highway that was big, empty, rich, safe, clean, prosperous and friendly. He didn't just reaffirm his faith in America to withstand the long train of abuse from Washington and Wall Street, however. He also exposed the half-century-old myths of Travels With Charley, ruffled the PhDs of the country's top Steinbeck scholars and forced Charley's publisher to finally tell the truth. Steigerwald is a well-traveled journalist and veteran libertarian columnist. With the spirit of a teenage driver, a dogged pursuit of the facts and a refreshing point of view about America proudly located in the heart of Flyover Country not Manhattan, he spins the story of his ride with Steinbeck's ghost into a provocative, news-making and entertaining American road book. ('Travels With Charley' timeline and more at www.truthaboutcharley.com More Praise & Critiques I still believe John Steinbeck is one of America's greatest writers and I still love 'Travels With Charley,' be it fact or fiction or, as Bill Steigerwald doggedly proved, both. While I disagree with a number of Steigerwald's conclusions, I don't dispute his facts. He greatly broadened my understanding of Steinbeck the man and the author, particularly during his last years. And, whether Steigerwald intended it or not, in tracking down the original draft of 'Travels With Charley' he made a significant contribution to Steinbeck's legacy. Dogging Steinbeck is a good honest book.-- Curt Gentry, Author of Helter Skelter: The True Story of the Manson Murders (with Vincent Bugliosi) I wanted ... first to express my personal admiration for the job you did. Second to tell you that you became a kind of a journalistic hero in my travel-story about Steinbeck, because you did such fantastic detailed research on the subject, and you did it alone, in sometimes-difficult circumstances.- Geert Mak, Dutch journalist/historian and author of In America: Travels With John Steinbeck

1962 nobel prize literature: The Nobel Prize in Literature Kjell Espmark, The Nobel Foundation presents information on Guatemalan writer Miguel Angel Asturias (1899-1974), who won the 1967 Nobel Prize in literature. Asturias received the Nobel prize for his literary achievement rooted in the national traditions of Indian peoples of Latin America. The foundation highlights a

biographical sketch of Asturias, his acceptance speech, the prize presentation speech, and a Nobel lecture by Asturias.
