2008 Jeep Patriot 2.4 Belt Diagram: A Comprehensive Guide

Author: Michael Davies, ASE Certified Master Technician with over 15 years of experience specializing in Jeep vehicle repair and maintenance.

Publisher: AutoMechanicCentral.com – a leading online resource for automotive repair information, providing DIY guides, professional advice, and troubleshooting assistance for various vehicle makes and models.

Editor: Sarah Chen, experienced automotive journalist with a background in technical writing and editing.

Summary: This comprehensive guide provides a detailed explanation of the 2008 Jeep Patriot 2.4L belt diagram, covering belt routing, component identification, tensioner adjustments, and common replacement pitfalls. It includes step-by-step instructions, safety precautions, and troubleshooting tips to help both DIY enthusiasts and professional mechanics successfully tackle this essential maintenance task.

Keywords: 2008 Jeep Patriot 2.4 belt diagram, Jeep Patriot belt routing, 2.4L engine belt diagram, serpentine belt replacement, Jeep Patriot maintenance, 2008 Jeep Patriot repair, automotive belt diagram, tensioner pulley, Jeep Patriot troubleshooting

Understanding the 2008 Jeep Patriot 2.4L Belt Diagram

The 2008 Jeep Patriot, equipped with the 2.4L World Engine, utilizes a serpentine belt system. This single belt drives multiple accessories, including the alternator, power steering pump, air conditioning compressor, and water pump. A correctly routed and tensioned belt is crucial for the proper functioning of these components. Incorrect routing or tension can lead to premature belt wear, component failure, and even engine damage. Therefore, understanding the 2008 Jeep Patriot 2.4 belt diagram is paramount for successful maintenance.

Locating Your 2008 Jeep Patriot 2.4 Belt Diagram

While a physical diagram may not be readily available in your owner's manual, you can easily find a reliable 2008 Jeep Patriot 2.4 belt diagram online through reputable sources such as repair manuals (like Haynes or Chilton), automotive forums dedicated to Jeep Patriots, or specialized websites offering vehicle-specific diagrams. Always ensure the diagram you use specifically matches your vehicle's year and engine type (2.4L).

Deciphering the 2008 Jeep Patriot 2.4 Belt Diagram: Component Identification

The 2008 Jeep Patriot 2.4 belt diagram will typically show the belt's path around each accessory. It's essential to identify each component correctly:

Alternator: Generates electrical power for the vehicle.

Power Steering Pump: Assists in steering the vehicle.

Air Conditioning Compressor: Compresses refrigerant for air conditioning.

Water Pump: Circulates coolant to maintain engine temperature.

Crankshaft Pulley: Drives the serpentine belt.

Tensioner Pulley: Adjusts belt tension. This is a crucial component for proper belt operation.

Step-by-Step Guide to Belt Replacement (Using the 2008 Jeep Patriot 2.4 Belt Diagram)

Safety First: Always disconnect the negative battery terminal before starting any work on the engine. Wear safety glasses to protect your eyes from debris.

1. Locate the 2008 Jeep Patriot 2.4 belt diagram: Have a clear, accurate diagram readily available.
2. Identify the belt tensioner: This is usually a spring-loaded pulley that can be loosened to release belt tension.
3. Loosen the tensioner: Use the appropriate tool (often a socket wrench) to loosen the tensioner. Consult your repair manual for specific torque specifications.
4. Remove the old belt: Carefully remove the old belt from the pulleys, following the reverse order shown in the 2008 Jeep Patriot 2.4 belt diagram.
5. Inspect the pulleys and tensioner: Check for wear, damage, or signs of seizing. Replace any worn or damaged components.
6. Install the new belt: Follow the routing shown in the 2008 Jeep Patriot 2.4 belt diagram precisely. Ensure the belt is correctly seated on all pulleys.
7. Tighten the tensioner: Tighten the tensioner to the correct specification found in your repair manual.
8. Check belt tension: Ensure the belt is adequately tensioned but not overly tight. The belt should have a slight deflection when pressed.
9. Reconnect the battery: Reconnect the negative battery terminal.
10. Start the engine: Listen for any unusual noises. Check for belt slippage.

Common Pitfalls and Troubleshooting

Incorrect Belt Routing: This is the most common mistake. Carefully follow the 2008 Jeep Patriot 2.4 belt diagram to avoid this.

Incorrect Tension: Over-tightening can damage the belt and pulleys, while under-tightening can lead to slippage.

Worn or Damaged Pulleys: Inspect pulleys for wear or damage before installing a new belt.

Belt Tensioner Failure: A faulty tensioner can cause belt slippage or breakage.

Conclusion

Mastering the 2008 Jeep Patriot 2.4 belt diagram is an essential skill for maintaining your vehicle's optimal performance. By following this guide, understanding the component identification, and adhering to safety precautions, you can confidently tackle this maintenance task. Remember to always consult a repair manual for specific torque specifications and further guidance.

FAQs

1. Where can I find a free 2008 Jeep Patriot 2.4 belt diagram? Many online forums and automotive websites offer free diagrams, but ensure their accuracy.
2. How often should I replace my serpentine belt? Generally, every 60,000-100,000 miles, or as recommended by your vehicle's maintenance schedule.
3. What happens if my serpentine belt breaks? This can lead to engine overheating, loss of power steering, and failure of other components.
4. Can I replace the 2008 Jeep Patriot 2.4 serpentine belt myself? Yes, with the right tools and knowledge, it's a DIY-able task.
5. What tools do I need to replace the belt? A socket wrench set, possibly a belt tensioner tool, and a new serpentine belt.
6. How much does a serpentine belt replacement cost? The cost varies depending on labor and parts. DIY is significantly cheaper.
7. What are the signs of a worn serpentine belt? Cracks, fraying, glazing, squealing noises, or visible damage.
8. Can I use any serpentine belt for my 2008 Jeep Patriot 2.4L? No, use only a belt specified for your vehicle's year and engine.
9. What if I can't find the correct belt tension? Consult a repair manual or a professional mechanic.

2008 jeep patriot 24 belt diagram: Unbroken Laura Hillenbrand, 2014-07-29 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street

Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds; this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times."—The Dallas Morning News "An astonishing testament to the superhuman power of tenacity."—Entertainment Weekly "A tale of triumph and redemption . . . astonishingly detailed."—O: The Oprah Magazine "[A] masterfully told true story . . . nothing less than a marvel."—Washingtonian "[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter's pace."—Time "Hillenbrand [is] one of our best writers of narrative history. You don't have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling."—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks*

2008 jeep patriot 24 belt diagram: Incompetence Rob Grant, 2011-09-29 Bad is the new good. In the not too distant future the European Union enacts its most far reaching human rights legislation ever. The incompetent have been persecuted for too long. After all it's not their fault they can't do it right, is it? So it is made illegal to sack or otherwise discriminate against anyone for being incompetent. And now a murder has been committed and our possibly incompetent detective must find out who the murderer is. As long as he can find directions to get him through the mean streets.

2008 jeep patriot 24 belt diagram: Khobar Towers: Tragedy and Response Perry D. Jamieson, 2008 This account of the Khobar Towers bombing tells the story of the horrific attack and the magnificent response of airmen doing their duty under nearly impossible circumstances. None of them view their actions as heroic, yet the reader will marvel at their calm professionalism. All of them say it was just their job, but the reader will wonder how they could be so well trained to act almost instinctively to do the right thing at the right time. None of them would see their actions as selfless, yet countless numbers refused medical attention until the more seriously injured got treatment. Throughout this book, the themes of duty, commitment, and devotion to comrades resoundingly underscore the notion that America's brightest, bravest, and best wear her uniforms in service to the nation. This book is more than heroic actions, though, for there is also controversy. Were commanders responsible for not adequately protecting their people? What should one make of the several conflicting investigations following the attack? Dr. Jamieson has not shied away from these difficult questions, and others, but has discussed them and other controversial judgments in a straightforward and dispassionate way that will bring them into focus for everyone. It is clear from this book that there is a larger issue than just the response to the bombing. It is the issue of the example set by America's airmen. Future airmen who read this book will be stronger and will stand on the shoulders of those who suffered and those who made the ultimate sacrifice.

2008 jeep patriot 24 belt diagram: American Military History, Volume II , 2010 From the Publisher: This latest edition of an official U.S. Government military history classic provides an authoritative historical survey of the organization and accomplishments of the United States Army. This scholarly yet readable book is designed to inculcate an awareness of our nation's military past and to demonstrate that the study of military history is an essential ingredient in leadership development. It is also an essential addition to any personal military history library.

2008 jeep patriot 24 belt diagram: Rogue State William Blum, 2006-02-13 Rogue State and its author came to sudden international attention when Osama Bin Laden quoted the book publicly in January 2006, propelling the book to the top of the bestseller charts in a matter of hours. This book is a revised and updated version of the edition Bin Laden referred to in his address.

2008 jeep patriot 24 belt diagram: Palestine Speaks Mateo Hoke, Cate Malek, 2021-10-05 The occupation of the West Bank and Gaza has been one of the world's most widely reported yet

least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. GHASSAN, an Arab-Christian physics professor and activist from Bethlehem who co-founded the International Solidarity Movement. For more than six decades, Israel and Palestine have been the global focal point of intractable conflict, one that has led to one of the world's most widely reported yet least understood human rights crises. In their own words, men and women from West Bank and Gaza describe how their lives have been shaped by the conflict. Here are stories that humanize the oft-ignored violations of human rights that occur daily in the occupied Palestinian territories.

2008 jeep patriot 24 belt diagram: Brothers in Berets Forrest L. Marion, 2018 The Air Force Special Operations Command (AFSOC) special tactics community is a small, tight-knit brotherhood of proficient and committed warriors, consisting of special tactics officers and combat controllers, combat rescue officers and pararescuemen, and officer and enlisted special operations weathermen. These warriors have consistently proven themselves to be an invaluable force multiplier throughout history in conflicts around the world. This is their story.--Provided by publisher.

2008 jeep patriot 24 belt diagram: Defending Air Bases in an Age of Insurgency Shannon Caudill, Air University Press, 2014-08 This anthology discusses the converging operational issues of air base defense and counterinsurgency. It explores the diverse challenges associated with defending air assets and joint personnel in a counterinsurgency environment. The authors are primarily Air Force officers from security forces, intelligence, and the office of special investigations, but works are included from a US Air Force pilot and a Canadian air force officer. The authors examine lessons from Vietnam, Iraq, Afghanistan, and other conflicts as they relate to securing air bases and sustaining air operations in a high-threat counterinsurgency environment. The essays review the capabilities, doctrine, tactics, and training needed in base defense operations and recommend ways in which to build a strong, synchronized ground defense partnership with joint and combined forces. The authors offer recommendations on the development of combat leaders with the depth of knowledge, tactical and operational skill sets, and counterinsurgency mind set necessary to be effective in the modern asymmetric battlefield.

2008 jeep patriot 24 belt diagram: A Cognitive Psychology of Mass Communication

Richard Jackson Harris, Fred W. Sanborn, 2009-05-19 In this fifth edition of A Cognitive Psychology of Mass Communication, author Richard Jackson Harris continues his examination of how our experiences with media affect the way we acquire knowledge about the world, and how this knowledge influences our attitudes and behavior. Presenting theories from psychology and communication along with reviews of the corresponding research, this text covers a wide variety of media and media issues, ranging from the commonly discussed topics - sex, violence, advertising - to lesser-studied topics, such as values, sports, and entertainment education. The fifth and fully updated edition offers: highly accessible and engaging writing contemporary references to all types of media familiar to students substantial discussion of theories and research, including interpretations of original research studies a balanced approach to covering the breadth and depth of the subject discussion of work from both psychology and media disciplines. The text is appropriate for Media Effects, Media & Society, and Psychology of Mass Media coursework, as it examines the effects of mass media on human cognitions, attitudes, and behaviors through empirical social science research; teaches students how to examine and evaluate mediated messages; and includes

mass communication research, theory and analysis.

2008 jeep patriot 24 belt diagram: The Great African War Filip Reyntjens, 2009-08-24 This book examines a decade-long period of instability, violence and state decay in Central Africa from 1996, when the war started, to 2006, when elections formally ended the political transition in the Democratic Republic of Congo. A unique combination of circumstances explain the unravelling of the conflicts: the collapsed Zairian/Congolese state; the continuation of the Rwandan civil war across borders; the shifting alliances in the region; the politics of identity in Rwanda, Burundi and eastern DRC; the ineptitude of the international community; and the emergence of privatized and criminalized public spaces and economies, linked to the global economy, but largely disconnected from the state - on whose territory the entrepreneurs of insecurity function. As a complement to the existing literature, this book seeks to provide an in-depth analysis of concurrent developments in Zaire/DRC, Rwanda, Burundi and Uganda in African and international contexts. By adopting a non-chronological approach, it attempts to show the dynamics of the inter-relationships between these realms and offers a toolkit for understanding the past and future of Central Africa.

2008 jeep patriot 24 belt diagram: India After Gandhi: The History of the World's Largest Democracy Ramachandra Guha, 2017-07-13 Ramachandra Guha's India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

2008 jeep patriot 24 belt diagram: Made to Break Giles Slade, 2009-06-30 Made to Break is a history of twentieth-century technology as seen through the prism of obsolescence. Giles Slade explains how disposability was a necessary condition for America's rejection of tradition and our acceptance of change and impermanence. This book gives us a detailed and harrowing picture of how, by choosing to support ever-shorter product lives, we may well be shortening the future of our way of life as well.

2008 jeep patriot 24 belt diagram: To Save a City Roger G. Miller, 2008-04-21 Following World War II, the Soviet Union drew an Iron Curtain across Europe, crowning its efforts with a blockade of West Berlin in a desperate effort to prevent the creation of an independent, democratic West Germany. The United States and Great Britain, aided by France, responded with a daring air logistical operation that in fifteen months delivered almost three million tons of coal, food, and other necessities to the people of Berlin. Now, drawing on rare U.S. Air Force files, recently declassified documents from the National Archives, records released since the collapse of the Soviet Union, and the memories of airlift veterans themselves, Roger G. Miller provides an original study of the Berlin Airlift. The Berlin Airlift was an enterprise of epic proportions that demonstrated the power of air logistics as a political instrument. What began as a hastily organized operation by a small number of warweary cargo airplanes evolved into an intricate bridge of aircraft that flowed in and out of Berlin through narrow air corridors. Hour after hour, day after day, week after week, a stream of airplanes delivered everything from food and medicine to coal and candy in defiance of breakdowns, inclement weather, and Soviet hostility. And beyond the airlift itself, a complex system of transportation, maintenance, and supply stretching around the world sustained operations. Historians, veterans, and general readers will welcome this history of the first Western victory of the Cold War. Maps, diagrams, and more than forty photographs illustrate the mechanical inner workings and the human faces that made that triumph possible.

2008 jeep patriot 24 belt diagram: Ho Chi Minh's Blueprint for Revolution Virginia Morris, Clive A. Hills, 2018-09-10 When Saigon fell to North Vietnamese forces on April 30, 1975, the communist victory sent shockwaves around the world. Using ingenious strategy and tactics, Hồ Chi Minh had shown it was possible for a tiny nation to defeat a mighty Western power. The same tactics have been studied and replicated by revolutionary forces and terrorist organizations across the globe. Drawing on recently declassified documents and rare interviews with Hồ Chi Minh's strategists and operatives, this book offers fresh perspective on his blueprint and the reasons behind both the French (1945-1954) and the American (1959-1975) failures in Vietnam, concluding with an analysis of the threat this model poses today.

2008 jeep patriot 24 belt diagram: Sandworm Andy Greenberg, 2020-10-20 With the nuance of a reporter and the pace of a thriller writer, Andy Greenberg gives us a glimpse of the cyberwars of the future while at the same time placing his story in the long arc of Russian and Ukrainian history. —Anne Applebaum, bestselling author of *Twilight of Democracy* The true story of the most devastating act of cyberwarfare in history and the desperate hunt to identify and track the elite Russian agents behind it: [A] chilling account of a Kremlin-led cyberattack, a new front in global conflict (Financial Times). In 2014, the world witnessed the start of a mysterious series of cyberattacks. Targeting American utility companies, NATO, and electric grids in Eastern Europe, the strikes grew ever more brazen. They culminated in the summer of 2017, when the malware known as NotPetya was unleashed, penetrating, disrupting, and paralyzing some of the world's largest businesses—from drug manufacturers to software developers to shipping companies. At the attack's epicenter in Ukraine, ATMs froze. The railway and postal systems shut down. Hospitals went dark. NotPetya spread around the world, inflicting an unprecedented ten billion dollars in damage—the largest, most destructive cyberattack the world had ever seen. The hackers behind these attacks are quickly gaining a reputation as the most dangerous team of cyberwarriors in history: a group known as Sandworm. Working in the service of Russia's military intelligence agency, they represent a persistent, highly skilled force, one whose talents are matched by their willingness to launch broad, unrestrained attacks on the most critical infrastructure of their adversaries. They target government and private sector, military and civilians alike. A chilling, globe-spanning detective story, Sandworm considers the danger this force poses to our national security and stability. As the Kremlin's role in foreign government manipulation comes into greater focus, Sandworm exposes the realities not just of Russia's global digital offensive, but of an era where warfare ceases to be waged on the battlefield. It reveals how the lines between digital and physical conflict, between wartime and peacetime, have begun to blur—with world-shaking implications.

2008 jeep patriot 24 belt diagram: Cycles in US Foreign Policy since the Cold War

Thomas H. Henriksen, 2017-01-25 This book describes how American international policy alternates between engagement and disengagement cycles in world affairs. These cycles provide a unique way to understand, assess, and describe fluctuations in America's involvement or non-involvement overseas. In addition to its basic thesis, the book presents a fair-minded account of four presidents' foreign policies in the post-Cold War period: George H.W. Bush, Bill Clinton, George W. Bush, and Barack Obama. It suggests recurring sources of cyclical change, along with implications for the future. An engaged or involved foreign policy entails the use of military power and diplomatic pressure against other powers to secure American ends. A disengaged or noninvolved policy relies on normal economic and political interaction with other states, which seeks to disassociation from entanglements.

2008 jeep patriot 24 belt diagram: The ESL/ELL Teacher's Book of Lists Jacqueline E. Kress, 2014-04-14 Everything educators need to know to enhance learning for ESL students This unique teacher time-saver includes scores of helpful, practical lists that may be reproduced for classroom use or referred to in the development of instructional materials and lessons. The material contained in this book helps K-12 teachers reinforce and enhance the learning of grammar, vocabulary, pronunciation, and writing skills in ESL students of all ability levels. For easy use and quick access, the lists are printed in a format that can be photocopied as many times as required. A complete, thoroughly updated glossary at the end provides an indispensable guide to the specialized language of ESL instruction.

2008 jeep patriot 24 belt diagram: Under the Banner of Heaven Jon Krakauer, 2004-06-08 NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on HULU. "Fantastic.... Right up there with In Cold Blood and The Executioner's Song." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty,

who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

2008 jeep patriot 24 belt diagram: Forging the Ninth Army-XXIX TAC Team Christopher M. Rein, 2019 This study seeks to explore the roots of the successful innovation by examining the development of air ground doctrine, the early failures and efforts to revise it in the Mediterranean theater, and the stateside maneuvers that trained the bulk of the Army's higher-number infantry divisions originally from the National Guard and Reserves that carried much of the load in 1944 and 1945--Provided by publisher.

2008 jeep patriot 24 belt diagram: The Sword of Damocles Bo Lindell, 2019-07-28 In August 1945, the fateful atomic bombs were released over Hiroshima and Nagasaki. For the first time ever, one nation had used nuclear weapons against another nation, and the world would never again be the same.Nuclear fission was discovered soon before World War II, changing Einstein's thesis that matter can be turned into energy into a most tangible reality. The enormous amounts of energy released by fission enticed scientists and military people into trying to create a doomsday weapon of hitherto untold explosive power. The 1940s were dominated by these efforts -primarily in the United States, the United Kingdom, France, Germany, and the Soviet Union.In this process, scientists played a unique role by directly influencing world events. The enormous resources spent on atomic bomb research would also promote discoveries and improved methods at a rapid pace in many other sciences. Much of the current philosophy in radiological protection was founded already at that time, and many of the topics discussed today were debated then too.The Sword of Damocles, the second part of four in this popular science history, is a direct continuation of Bo Lindell's Pandora's Box, and covers the time from the beginning of World War II until the end of the 1940s. It is aimed at persons

with a general interest in radiation and requires no previous knowledge. Professor Bo Lindell (1922-2016) had a degree in engineering physics and a PhD in radiation physics. Having worked closely with the radiation-protection pioneer Rolf Sievert, he took over as Director of the Swedish Radiation Protection Institute in 1965. He retired from that position in 1982 but remained an emeritus adviser until 2008. Lindell was Scientific Secretary and then Chairman of the International Commission on Radiological Protection (ICRP) and the Swedish delegate to, and for a time Chairman of, the United Nations Scientific Committee on the Effects of Atomic Radiation (UNSCEAR). Lindell wrote this book series, his magnum opus, in Swedish. Aided by generous grants, the Nordic Society for Radiation Protection (NSFS) proudly presents this translation into English.
